The Sutton-Taylor Feud Chuck Parsons, 2009 History Rangers Quarrels Trials Matagorda Louis L'Amour, 2004-09-28 Tap Duvarney lost his innocence in the War Between the States and then put his skills to the test as a soldier in the frontier army Now leaving behind a devoted fianc e he is trying to make his fortune on the Texas coast working a ranch as the partner of his old friend Tom Kittery and finding himself in the middle of a feud between Kittery and the neighboring Munson family Around Matagorda Island most people are either backing the Munsons or remaining silent But the danger from outside Kittery s camp is nothing compared to the threat within as Tap begins to suspect that Kittery s woman a Texas born beauty who misses the glitz and glamour of city life isn t everything she appears to be Tap is quickly discovering that he must go to war again But will it be with the Munsons or with his closest friend **Charlie Siringo's West** Howard R. Lamar, 2020-06-01 Charlie Siringo 1855 1928 lived the quintessential life of adventure on the American frontier as a cowboy Pinkerton detective writer and later as a consultant for early western films Siringo was one of the most attractive bold and original characters to live and flourish in the final decades of the Wild West His love of the cattle business and of cowboy life was so great that in 1885 he published A Texas Cowboy or Fifteen Years on the Hurricane Deck of a Spanish Pony Taken From Real Life which Will Rogers dubbed the Cowboy s Bible Howard R Lamar s biography deftly shares Siringo s story within seventy five pivotal years of western history Siringo was not a mere observer but a participant in major historical events including the Coeur d Alene mining strikes of the 1890s and Big Bill Haywood s trial in 1907 Lamar focuses on Siringo s youthful struggles to employ his abundant athleticism and ambitions and how Siringo s varied experiences helped develop the compelling national myth of the cowboy *The Snowy Range Gang and Vendetta Gold* Mike Blakely, 2017-01-03 The Snowy Range Gang CO 1991 Vendetta gold A1990 *Matagorda/The First Fast Draw* Louis L'Amour, 2011-10-05 Matagorda Tap Duvarney lost his innocence in the War Between the States then tested his skills in the frontier army Now he s settled on the Texas coast working a ranch as the partner of his old friend Tom Kittery and finding himself in the middle of a feud between Kittery and a neighboring family But the danger from outside is nothing compared to the threat within as Duvarney suspects Kittery s woman isn t all she appears to be Tap may have to go to war again But this time will it be with his closest friend The First Fast Draw East Texas wasn t much of a home for Cullen Baker Few liked him and some even tried to kill him Yet after three years of wandering he s back to farm the land that is rightfully his But Cullen s neighbors have long memories and his worst adversary has teamed up with a vicious outlaw With enemies closing in on all sides and threatening the woman he loves Cullen will have to be faster than lightning and twice as deadly just to survive *Vendetta Gold* Mike Blakely, 2025-06-25 A bloody family feud sent Roy Huckaby to a dusty Texas prison for three years Now he out vowing to follow the straight and narrow and to ride alone into a solid new life But when a dying vaquero gives him a treasure map Roy starts out on a path he hopes will lead to incalculable wealth only to find it s bordered with

The Feud That Wasn't James M. Smallwood,2008 Marauding outlaws or violent rebels still bent on fighting the Civil War For decades the so called Taylor Sutton feud has been seen as a bloody vendetta between two opposing gangs of Texas gunfighters However historian James M Smallwood here shows that what seemed to be random lawlessness can be interpreted as a pattern of rebellion by a loose confederation of desperadoes who found common cause in their hatred of the Reconstruction government in Texas Between the 1850s and 1880 almost 200 men rode at one time or another with Creed Taylor and his family through a forty five county area of Texas stealing and killing almost at will despite heated and often violent opposition from pro Union law enforcement officials often led by William Sutton From 1871 until his eventual arrest notorious outlaw John Wesley Hardin served as enforcer for the Taylors In 1874 in the streets of Comanche Texas on his twenty first birthday Hardin and two other members of the Taylor ring gunned down Brown County Deputy Charlie Webb This cold blooded killing one among many marked the beginning of the end for the Taylor ring and Hardin eventually went to the penitentiary as a result The Feud That Wasn t reinforces the interpretation that Reconstruction was actually just a continuation of the Civil War in another guise a thesis Smallwood has advanced in other books and articles He chronicles in vivid detail the cattle rustling horse thieving killing sprees and attacks on law officials perpetrated by the loosely knit Taylor ring drawing a composite picture of a group of anti Reconstruction hoodlums who at various times banded together for criminal purposes Western historians and those interested in gunfighters and lawmen will heartily enjoy this colorful and meticulously researched narrative

The Governor's Hounds Barry A. Crouch,Donaly E. Brice,2011-12-15 In the tumultuous years following the Civil War violence and lawlessness plagued the state of Texas often overwhelming the ability of local law enforcement to maintain order In response Reconstruction era governor Edmund J Davis created a statewide police force that could be mobilized whenever and wherever local authorities were unable or unwilling to control lawlessness During its three years 1870 1873 of

existence however the Texas State Police was reviled as an arm of the Radical Republican party and widely condemned for being oppressive arrogant staffed with criminals and African Americans and expensive to maintain as well as for enforcing the new and unpopular laws that protected the rights of freed slaves Drawing extensively on the wealth of previously untouched records in the Texas State Archives as well as other contemporary sources Barry A Crouch and Donaly E Brice here offer the first major objective assessment of the Texas State Police and its role in maintaining law and order in Reconstruction Texas Examining the activities of the force throughout its tenure and across the state the authors find that the Texas State Police actually did much to solve the problem of violence in a largely lawless state While acknowledging that much of the criticism the agency received was merited the authors make a convincing case that the state police performed many of the same duties that the Texas Rangers later assumed and fulfilled the same need for a mobile statewide law enforcement agency
