Growing Songwriting Associate Professor of Music Education Clint Randles,2024-08-13 The history of music education over the past 100 years has centered on traditional band choir and orchestra models Yet music education has always secured a prominent place in the curriculum when it captures the musical imagination of the masses and research has shown that more and more students are seeking alternative opportunities to engage with music Songwriting is a 21st Century curricular offering that considers who we are as a society our desires our goals our passions Most often songwriting occurs in Modern Band classes that are beginning to pop up all around North America and many parts of the world This book provides curricular support for those efforts as we look to the present and future of music teaching and learning Checkmate ,1901

NIN A.C. James,2022-09-18 Nin is huge all powerful and determined to claim her Rae worked for a boss at a marketing agency and survived an expensive and crappy divorce Suddenly a light flashed and not one but three alien men crashed in her backyard with a mission that both terrifies and intrigues her at the same time Erion men will bond to their women forever And once pair bonded these men don't let go Taking her body and claiming her as his mate is not only a desire but his obligation and the only way to survive Nin is the first book in my Earth Girls Aren't Easy series part of the multiauthor Intergalactic Dating Agency world This standalone sci fi romance features an ancient race of alien warriors a heroine who learns what love truly is and a rebel prince who would move the stars for his fated mate If you enjoy strong women devoted alien princes destined in the stars love laugh out loud moments and a hard earned happily ever after this story is for you Note Each book in this series can be read as a standalone but for maximum enjoyment it's recommended that the series be read in order **Current Perspectives on Sexual Selection** Thierry Hoquet,2015-01-28 This root and branch re evaluation of Darwin's concept of sexual selection tackles the subject from historical epistemological and theoretical perspectives Contributions from a wealth of disciplines have been marshaled for this volume with key figures in behavioural ecology philosophy and the history of science adding to its wide ranging relevance Updating the reader on the debate currently live in behavioural ecology itself on the centrality of sexual selection and with coverage of developments in the field of animal aesthetics the book details the current state of play while other chapters trace the history of sexual selection from Darwin to today and inquire into the neurobiological bases for partner choices and the comparisons between the hedonic

brain in human and non human animals Welcome space is given to the social aspects of sexual selection particularly where Darwin drew distinctions between eager males and coy females and rationalized this as evolutionary strategy Also explored are the current definition of sexual selection as opposed to natural selection and its importance in today s biological research and the impending critique of the theory from the nascent field of animal aesthetics As a comprehensive assessment of the current health or otherwise of Darwin s theory 140 years after the publication of his *Descent of Man* the book offers a uniquely rounded view that asks whether sexual selection is in itself a progressive or reactionary notion even as it explores its theoretical relevance in the technical biological study of the twenty first century Covet (Vampire Beloved Book Eight)

R. E. Butler,2023-01-13 Valkyrie Eynd Vespertine has learned a thing or two in the last hundred years of her life and that s to expect the unexpected As one of the few Valkyrie females in the Midwest she s had her fair share of suitors and setups by her vampire parents but what she hasn t found is her true mate After a trip away with family she returns to Cleveland and finds herself in the crosshairs of a new coven enemy another coven When she crosses paths with the dangerous coven master she s rescued by an unlikely group of heroes five polar bears who ve oathed themselves to the bad guy Spike Adair is the eldest of five polar bear shifters Fifty years ago he and his brothers oathed to a vampire master named Dargan The magical tattoos are evidence of their allegiance After they come to Cleveland to take out Mishka and his coven so Dargan can take over they run into a snag A female Dargan kidnaps is his and his brother Wraith s mate Rescuing her means breaking their oath to their master but there isn t anything that Spike and Wraith won t do for the redheaded Valkyrie Breaking their oath to Dargan turns out to be easier said than done With the Cleveland coven at their side in battle they have a chance to walk away with their mate and start a new life with her but a demon from the Cleveland coven s past has other ideas Getting Eynd to fall in love with them won t be the only challenge but they re just the males for the job *Fantasy Pieces* Harald Krebs,1999-02-25

Fantasy Pieces examines from several vantage points a vital life force of Robert Schumann s music namely metrical conflict Harald Krebs s imaginative yet rigorous study makes use of Schumann s fascinating projections of his own personality the characters Florestan and Eusebius as one means of addressing the biographical and aesthetic context of the music In counterpoint with the remarks of these personae Krebs develops an original theory of metrical conflict by adapting the concepts of consonance and dissonance to metrical analysis He investigates how states of metrical dissonance arise and shows how they are manipulated and resolved in the course of compositions He offers new methods for understanding the metrical progressions of entire works or movements and studies the interaction of metrical conflict with form with pitch structure and with the texts of Schumann s vocal works Krebs includes a wealth of illustrations from the whole range of Schumann s work and offers numerous insights important for performance In the final chapter he provides richly detailed studies of pieces by Schumann in various genres interspersing them with shorter discussions of music by Berlioz Chopin Clara Schumann Ives and Schoenberg This is a book that will appeal not only to students and scholars of music theory but to

all musicians interested in the life work and unique personality of Robert Schumann *Dead Even* Patti Larsen,2021-05-02

White Horse, Red Horse, Black Horse, Dead Horse KISA Burnett,2014-11-24 When Elijah Blanco said his last words he didn't realize he was about to be thrown into a competition to become one of the Four Horsemen of the Apocalypse But now the game is on and Elijah and thousands of other dead riders soon learn there's much more to dying than any preacher

could have guessed Heaven has released a herd of unearthly ponies into the world of the living and beyond and it's up to the dead riders to capture them if they want to save their souls from Hell As the game heats up Elijah and his horse Delilah find themselves joined by a futuristic woman with a computer powered horse an easy going English biker in black leather and a Roman soldier as bred for war as the horse he rides Together they uncover a Divine conspiracy that puts the riders immortal souls in greater danger than ever before And when the dead start dying Elijah begins to think the Apocalypse should be brought to Heaven instead

Winter's Breath Hayley Poh,2021-08-13 Axel Carstairs's world famous writer mother has always been somewhat of a mystery Even to him She doesn't use her real name in public she straightens her hair every morning she avoids cinnamon biscuits and certain animals Deep down Axel suspects her enigmatic character is due to an unspoken event in her murky past when she had a falling out with her parents and allegedly never went back But Valerie is too good at concealing her secrets refusing to confide them in anyone until one day when a mysterious letter containing a paper magpie and a metal cat arrives on her doorstep Finally a sign Valerie gives in and hands her son her diary in which she's written the manuscript of her latest novel It's about herself and the secrets she never meant to tell As Axel reads the pages filled with his mother's past and shocking truths he wonders if the blind trust he always put in his mother has begun to fray and if the truth alone is enough to reconcile family

Cut to the Chaise Karen Rose Smith,2018-11-27 Before she ties the knot she'll have to uncover a plot An irresistible sleuth Leslie Meier New York Times bestselling author of Irish Parade Murder With her wedding day mere weeks away home stager Caprice De Luca is busy arranging every last detail for the reception at Rambling Vines Winery a stylish venue she redecorated two years earlier But the closer the bride to be gets to saying I do the more a celebration at Rambling Vines seems like a terrible mistake As financial mishaps and unhappy customers put the winery in the red an unidentified criminal plots to sour the business's already ailing reputation Worst of all a romance from co owner Michelle Dodd's past could leave a permanent stain on Caprice's best friend's current love life When Michelle's aloof husband is found stabbed to death on a chaise lounge in the tasting room Caprice vows to name the calculating culprit and set things right before her dream nuptials dissolve into a deadly nightmare A talented author RT Book Reviews

'Til the Darkness Takes Us Janelle Walden,2013-06-13 Each new spring seems to bring with it the sense of a new beginning Everything is once again sunny and bright as if the past did not have to matter anymore at all if one simply chose to wash it away That past is often replaced with the feeling that anything would now be possible this time this year this brand new day However that belief may only truly be the case in the bright and shiny world that is known to most as reality What of another world beneath that so called reality A world that only exists in the shadows a world that most would never believe existed at all That is a world where those new beginnings may never bring any real hope or light at all What may look like a new beginning in that world may actually even bring a less than happy ending to many of its denizens For those that inhabit the world that is hidden in the shadows of the human world if they survive their world at all that survival may bring

them nothing but darkness of one kind or another
