*Materials for the Study of the Ainu Language and Folklore. Collected and Prepared for Publication by Bronisław Piłsudski. Edited Under the Supervision of J. Rozwadowski. [Ainu Texts, with Translations, Notes and an Introduction.].* Polska Akademia Umiejętności (CRACOW), Bronisław Piłsudski, Jan Michał ROZWADOWSKI, 1912

*Materials for the Study of the Ainu Language and Folklore* Bronisław Pilsudski, 1912

**A Reconstruction of Proto-Ainu** Vovin, 2023-07-31 This volume offers a reconstruction of the Proto Ainu language based on the comparative method and internal reconstruction The book is divided into three parts the first is dedicated to the reconstruction of Proto Ainu phonology vocalism consonantism and prosody the second represents a vocabulary of reconstructed Proto Ainu lexical items and the third deals with the problem of the genetic affiliation of the Ainu language This problem has been approached in the present study from the point of view of the systematic comparisons of reconstructions not the straight comparisons of the forms attested exclusively in modern languages which was the major set back of the previous scholarship on the genetic affiliation of the Ainu language This volume also includes the nineteenth century vocabulary of the Kuril Ainu by I Voznesenskii previously unknown to the scholars

*The Aborigines of Sakhalin* Werner Winter, Richard A. Rhodes, 2018-07-12 Volume 1 The Aborigines of Sakhalin contains translations into English of the Polish Russian and Japanese material on for example the history folklore economic life shamanism sexual life medical anthropology and the bear festival which has been published between 1898 and 1936 mainly in local journals which are hardly accessible today English French and German articles appear in the original language

*Poison Damsels* N.M. Penzer, 2016-05-06 First published in 2004 These four classic masterpieces in esoteric research by the noted orientalist M Penzer explore customs and traditions from other cultures and periods of history which for all their apparent strangeness mask fundamental subjects of continuing interest The first concerns the motif of the poison damsel the beauty who dealt death in many forms to her admirers which originated in India was prevalent in medieval

Europe and persists today in the belief of the femme fatale The volume includes a study in the ancient Tale of the Two Thieves an essay on sacred prostitution in India the ancient East and West Africa and an exhaustive treatment of the custom of chewing the betel or areca nut which is widespread in the far East from India through Indonesia to New Guinea A natural stimulant and narcotic whose effects are similar to that of tobacco betel is of growing interest to the medical world and has as the author shows here a rich legacy of customs and belief

**Orientation Systems of the North Pacific Rim** Michael Fortescue, Michael D. Fortescue, 2011 Orientation Systems of the North Pacific Rim is an extension of the author's earlier volume Eskimo Orientation Systems also published in the series Monographs on Greenland Meddelelser om Gronland Man Society 1988 This time it covers all the contiguous languages and cultures across the northern Pacific rim from Vancouver Island in Canada to Hokkaido in northern Japan plus the adjacent Arctic coasts of Alaska and Chukotka These form a testing ground for recent theories concerning the nature and classification of orientation systems and their shared frames of reference in particular the many varieties of landmark systems typifying the Arctic and sub Arctic Despite the wide variety of languages spoken here all of them endangered there is much in common as regards their overlapping geographical settings and the ways in which terms for orientation within the microcosm the house and within the macrocosm the surrounding environment mesh throughout the region This is illustrated with numerous maps and diagrams from both coastal and inland sites Attention is paid to ambiguities and anomalies within the systems revealed by the data as these may be clues to pre historic movements of the populations concerned from a riverine setting to the coast from the coast to inland or more complex successive displacements Cultural factors over and beyond environmental determinism are discussed within this broad context

**Traditions of Heroic and Epic Poetry: The traditions** Robert Auty, 1980 **Journal of the American Oriental Society** American Oriental Society, 1917 List of members in each volume

**Syllable Weight** Matthew Gordon, 2007-05-07 The book is the first systematic exploration of a series of phonological phenomena previously thought to be unified under the rubric of syllable weight Drawing on a typological survey of 400 languages it is shown that the traditional conception that languages are internally consistent in their weight criteria across weight based processes is not corroborated by the cross linguistic survey Rather than being consistent across phenomena within individual languages weight turns out to be sensitive to the particular processes involved such that different phenomena display different distributions in weight criteria The book goes on to explore the motivations behind the process specific nature of weight showing that phonetic factors explain much of the variation in weight criteria between phenomena and also the variation in criteria between languages for a single process The book is unlike other studies in combining an extensive typological survey with detailed phonetic analysis of many languages The finding that the widely studied phenomenon of syllable weight is not a unified phenomenon contrary to the established view is a significant result for the field of theoretical phonology The book is also an important contribution to the field of phonetically driven phonology since it establishes a close link between the

phonology of weight and various quantitative phonetic parameters      *Tales of Yukaghir, Lamut, and Russanized Natives of Eastern Siberia* Waldemar Bogoras, 1918      Anthropological Papers of the American Museum of Natural History, 1918
