

"An original and  
quietly provocative book....  
Ms. Ruddick retrieves for us  
the complexity and subtlety  
of maternal activity?"  
*The New York Times*

# MATERNAL THINKING

Toward a Politics of Peace

The first attempt to describe,  
from a philosophical perspective, the thinking  
that grows out of the work mothers do.

## **Maternal Thinking Toward A Politics Of Peace:**

**Maternal Thinking** Sara Ruddick, 1990 A New York Times Notable Book of the Year 1989 Philosopher mother and feminist Sara Ruddick examines the discipline of mothering showing for the first time how the day to day work of raising children gives rise to distinctive ways of thinking

**Maternal Thinking** Sara Ruddick, 1989 Maternal Thinking Andrea O'Reilly, 2009 The year 2009 marks twenty years since the publication of Sara Ruddick's monumental text *Maternal Thinking Toward a Politics of Peace* a book that is regarded along with Adrienne Rich's *Of Woman Born* as the most significant work in maternal scholarship and the new field of Motherhood Studies What made *Maternal Thinking* so life changing and ground breaking was that it foregrounded what all mothers know motherwork is inherently and profoundly an intellectual activity and theorized the obvious Mothers think This volume published to commemorate and celebrate the twentieth anniversary of the publication of *Maternal Thinking* explores the impact and influence this book has had on maternal scholarship and revisits what motherhood scholars regard as the pivotal insights of Ruddick's text motherwork is a practice that gives rise to and is informed by maternal thinking mothering as a practice is composed of and characterized by particular characteristics this work is not defined by or reducible to gender and maternal thinking makes possible a politics a peace The volume includes 17 contributors from disciplines as diverse as anthropology sociology literature philosophy education women's studies and psychology and features a conversation with and an epilogue by Sara Ruddick

*First Philosophy II: Knowledge and Reality* Andrew Bailey, 2004-08-06 *First Philosophy* Knowledge and Reality brings together classic and ground breaking readings on epistemology and the philosophy of science Mindful of the intrinsic difficulty of much of the material the editor has provided comprehensive introductions both to the central topics and to each individual selection By providing a detailed discussion of the historical and intellectual background to each piece he aims to enable readers to approach the material without unnecessary barriers to understanding In an introductory chapter the editor provides a brief introduction to the nature of philosophical enquiry to the nature of argument and to the process of reading and writing within the academic discipline of philosophy

Bringing Peace Home Karen Warren, Duane L. Cady, 1996 This collection of works is ambitious well documented thoroughly though not turgidly referenced and comprehensively indexed It is deeply disturbing and deeply engaging Australian Feminist Studies Contributors discuss the subtle and complex relationships between various notions of feminism and peace Feminist peace issues are explored along a wide spectrum of personal and political issues from the personal violations of rape incest and domestic abuse to the violence of racism sexism economic exploitation war and genocide

What Can She Know? Lorraine Code, 1991 In this lively and accessible book Lorraine Code addresses one of the most controversial questions in contemporary theory of knowledge a question of fundamental concern for feminist theory as well Is the sex of the knower epistemologically significant Responding in the affirmative Code offers a radical alternative to mainstream philosophy's terms for what counts as knowledge and how it is to be evaluated Code first reviews the literature

of established epistemologies and unmasks the prevailing assumption in Anglo American philosophy that the knower is a value free and ideologically neutral abstraction Approaching knowledge as a social construct produced and validated through critical dialogue she defines the knower in light of a conception of subjectivity based on a personal relational model Code maps out the relevance of the particular people involved in knowing their historical specificity the kinds of relationships they have the effects of social position and power on those relationships and the ways in which knowledge can change both knower and known In an exploration of the politics of knowledge that mainstream epistemologies sustain she examines such issues as the function of knowledge in shaping institutions and the unequal distribution of cognitive resources What Can She Know will raise the level of debate concerning epistemological issues among philosophers political and social scientists and anyone interested in feminist theory

Understanding Peace Michael Allen Fox, 2013-11-12 Understanding Peace A Comprehensive Introduction fills the need for an original contemporary examination of peace that is challenging informative and empowering This well researched fully

documented and highly accessible textbook moves beyond fixation on war to highlight the human capacity for nonviolent cooperation in everyday life and in conflict situations After deconstructing numerous ideas about war and explaining its heavy costs to humans animals and the environment discussion turns to evidence for the existence of peaceful societies Further topics include the role of nonviolence in history the nature of violence and aggression and the theory and practice of nonviolence The book offers two new moral arguments against war and concludes by defining peace carefully from different angles and then describing conditions for creating a culture of peace Understanding Peace brings a fresh philosophical perspective to discussions of peace and also addresses down to earth issues about effecting constructive change in a complex world The particular strength of Understanding Peace lies in its commitment to reflecting on and integrating material from many fields of knowledge This approach will appeal to a diverse audience of students and scholars in peace studies philosophy and the social sciences as well as to general interest readers

**Gender, Agency and War Tina**

Managhan, 2012-01-30 This book traces practices of militarization and resistance that have emerged under the sign of motherhood in US Foreign Policy Gender Agency and War examines this discourse against the background of three key moments of American foreign policy formation the anti nuclear movement of the 1980s the Gulf War of the early 1990s and the recent invasion of Iraq For each of these moments the author explores the emergence of a historically specific and emblematic maternalized mode of female embodiment ranging from the hysterical antinuclear protester to the figure of Supermom in order to shed light onto the various practices which define and enable expressions of American sovereignty In so doing the text argues that the emergence of particular raced gendered and maternalized bodies ought not to be read as merely tangential to affairs of state but as instantiations of global politics This work urges an approach that rereads the body as an event with significant implications for the ways in which international politics and gender are currently understood This book will be of much interest to students of gender politics critical security studies US foreign policy and IR in general

*Handbook of Peace and Conflict Studies* Charles Webel, Johan Galtung, 2007-03-12 This major new Handbook provides a cutting edge and transdisciplinary overview of the main issues debates state of the art methods and key concepts in peace and conflict studies today The fields of peace and conflict studies have grown exponentially since being initiated by Professor Johan Galtung half a century ago They have forged a transdisciplinary and professional identity distinct from security studies political science and international relations The volume is divided into four sections understanding and transforming conflict creating peace supporting peace peace across the disciplines Each section features new essays by distinguished international scholars and professionals working in peace studies and conflict resolution and transformation Drawing from a wide range of theoretical methodological and political positions the editors and contributors offer topical and enduring approaches to peace and conflict studies The Handbook of Peace and Conflict Studies will be essential reading for students of peace studies conflict studies and conflict resolution It will also be of interest and use to practitioners in conflict resolution and NGOs as

well as policy makers and diplomats      *Women and Peace in the Islamic World* Yasmin Saikia, Chad Haines, 2015-01-20 How realistic is the prospect of peace in the Muslim world This question is the predominant focus for global analysis today but its debate frequently ignores the cultural and social complexity of the Muslim world reducing it into a system of states and select actors This book addresses such a failing by exploring how the everyday interactions of women in accordance with Islamic personal ethics can offer the world a new interpretation of peace In particular it focuses on the women in Islamic societies from Aceh to Bosnia Morocco to Bangladesh initiating a dialogue on the role of these women in peacemaking This concentration upon the complex issues of the everyday both enables a detailed exploration of how people conceptualise peace and opens up new frameworks for conflict resolution The discussions that emerge lead to a critical questioning of assumptions about peace as a state policy and cessation of violence Drawing upon original research from different parts of the Middle East North Africa and Asia including Iran India Afghanistan Bangladesh Bosnia Egypt and Sudan the contributors offer a refreshing new look at Muslim women as peacemakers challenging any assumptions of Islam as an inherently violent religion Such a timely work provides new and important analyses on the role of Muslim women in forging new pathways of peace in the contemporary world      *Turning Operations* Mary Dietz, 2015-01-28 Through the re interpretation of influential thinkers such as Arendt Weil Beauvoir and Habermas Mary G Dietz weaves the concerns of democratic thought with that of feminist political theory demonstrating how important feminist theory has become to democratic thinking more generally Bringing together fifteen years of commentary on critical debates *Turning Operations* begins with problems central to feminism and ends with a series of reflections on the the politics of politics inviting the reader to think more expansively about the expressly public nature of political life      **Officer, Nurse, Woman** Kara Dixon Vuic, 2010-01-01 Winner 2010 Lavinia L Dock Award American Association for the History of Nursing An American Journal of Nursing Book of the Year in History and Public Policy I never got a chance to be a girl Kate O Hare Palmer lamented thirty four years after her tour as an army nurse in Vietnam Although proud of having served she felt that the war she never understood had robbed her of her innocence and forced her to grow up too quickly As depicted in a photograph taken late in her tour long hours in the operating room exhausted her both physically and mentally Her tired eyes and gaunt face reflected the weariness she felt after treating countless patients some dying some maimed all like her forever changed Still she learned to work harder and faster than she thought she could to trust her nursing skills and to live independently She developed a way to balance the dangers and benefits of being a woman in the army and in the war Only fourteen months long her tour in Vietnam profoundly affected her life and her beliefs Such vivid personal accounts abound in historian Kara Dixon Vuic s compelling look at the experiences of army nurses in the Vietnam War Drawing on more than 100 interviews Vuic allows the nurses to tell their own captivating stories from their reasons for joining the military to the physical and emotional demands of a horrific war and postwar debates about how to commemorate their service Vuic also explores the gender issues that arose when a male

dominated army actively recruited and employed the services of 5 000 nurses in the midst of a growing feminist movement and a changing nursing profession Women drawn to the army s patriotic promise faced disturbing realities in the virtually all male hospitals of South Vietnam Men who joined the nurse corps ran headlong into the army s belief that women should nurse and men should fight Officer Nurse Woman brings to light the nearly forgotten contributions of brave nurses who risked their lives to bring medical care to soldiers during a terrible and divisive war Encyclopedia of Social Theory George Ritzer,2004-08-11 Click Additional Materials for downloadable samples The Encyclopedia of Social Theory is an indispensable reference source for anyone interested in the roots of contemporary social theory It examines the global landscape of all the key theories and the theorists behind them presenting them in the context needed to understand their strengths and weaknesses Theories covered include Critical Theory Enlightenment Ethnomethodology Exchange Theory Feminism Marxist Theory Multiculturalism Phenomenology Postmodernism Rational Choice Structural Fundamentalism Led by internationally renowned scholar George Ritzer the Encyclopedia of Social Theory draws together a team of more than 200 international scholars covering the developments achievements and prospects of social theory from its inception in the 18th century to the present Understanding that social theory can both explain and alter the social world this two volume set serves as not only a foundation for learning but also an inspiration for creative and reflexive engagement with the rich range of ideas it contains Key Themes American Social Theory British Social Theory Comparative and Historical Theory Cultural Theory Economic Sociology Feminist Theory French Social Theory German Social Theory Macrosociological Theories Marxist and Neo Marxist Approaches Method and Metatheory Network and Exchange Theories Other Multiple National Traditions Politics and Government Postmodern Theory Psychoanalytic Theory Schools and Theoretical Approaches Symbolic Interaction and Microsociology Theorists Topics and Concepts in Social Theory Key Features More than 300 entries from fourteen countries Master Bibliography Reader s Guide Extensive biographical coverage of major theorists Extensive cross referencing **Women, Gender Equality, and Post-Conflict Transformation** Joyce P.
