Maternity Leave

Ian Smith, Aaron Baker, Owen Warnock

Maternity Leave:

Maternity Leave Victoria Gordon, 2013-06-10 Maternity leave is a complex issue both personally and professionally And more often than not policy differs from practice Based on interviews that highlight the perspectives and perceptions of new mothers *Maternity Leave Policy and Practice* examines the disconnect between maternity leave policy and practice It presents the history and deve

Maternity Leave Victoria Gordon, Beth M. Rauhaus, 2019-11-19 What does it mean to be a successful working parent And how do working parents cope in the United States the only developed nation with no paid parental leave requirement Despite some positive advancement in the voluntary adoption of paid parental leave many organizations over the past 25 years have instead decreased paid leave benefits offered to employees in the United States choosing instead to let unpaid leave under the Family Medical Leave Act FMLA serve in its place This regression in practice is perhaps the greatest unintended consequence of FMLA and surely was not the intent of Congress *Maternity Leave Policy and Practice* Second Edition approaches parental leave from a variety of perspectives legal political social institutional organizational and most importantly from the personal perspectives of the women and men interviewed expressly for the book This second edition offers two new chapters the first puts the issue of maternity leave within the context of work life balance issues and the second explores case studies from states cities and private organizations Incorporating new census data related reports and academic studies authors Victoria Gordon and Beth M Rauhaus utilize relevant and cutting edge research in their exploration of parental leave and they enrich this research with the individual stories of ordinary working parents as well as those who choose not to have children Assuming no prior specialized knowledge this book can be assigned on a variety of undergraduate and graduate courses in politics public policy public administration gender studies and human resource management and will equally be of interest to parents policy makers and C suite managers

Managing Your Maternity Leave Meg Wheatley, Marcie Schorr Hirsch, 1983 **Mothers on the Job** Lise Vogel, 1993 Women s increasing demands for protection and benefits in the workplace especially with regard to maternity leave have sparked more than a century of controversy among feminists on how best to serve the needs of working women This debate continues to divide the feminist community One side believes women are better served by emphasizing equality with men pregnancy should be treated like any other disability The other side wants to recognize difference special provisions should apply only to pregnant women Lise Vogel examines the evolution of this debate on pregnant women in the workplace looking at theoretical as well as practical implications Vogel begins by assessing the history of the contemporary debate on pregnancy policy in the U S Since the middle of the nineteenth century American women have been torn by the contradictory demands of motherhood and the workplace Pregnancy was grounds for dismissal from work and few employers took action to protect pregnant workers To counter this early twentieth century feminists and reformers emphasized female specificity and women s special role In the 1960s activists adopted a strategy framed on equality which moved away from the earlier emphasis on differences

The use of equality strategies to cover the female specific phenomenon of pregnancy turned out to have problems. Now women's special needs were denied and ignored. These difficulties and a series of court cases in the 1980s triggered debates in the feminist legal community. Vogel looks at the litigation and debates which pitted advocates of gender neutral strategies against critics who called for female specific policies. Vogel argues that in terms of practical benefits women will be served best by a gender neutral approach to pregnancy policy. She encourages equality advocates to recognize the inherent diversity of individuals and points out the need to be sensitive to individual factors of race and class as well as sex.

Maternity and Work International Labour Office, 1994. Concern to protect working women in connection with pregnancy and childbirth appeared when women first entered factory employment and was reflected in the provision of maternity leave in some countries. Over time maternity protection evolved to include measures to protect the pregnant woman's health so that work does not harm the development of the foetus.

Maternity Protection at Work, 1999. The first discussion of the question of the revision of this conference took place at the 87th Session 1999 of the International Labour Conference. Governments were invited to send any amendments or comments they might wish to make whether they considered that the proposed texts constituted a satisfactory basis for discussion by the Conference at its 88th Session 2000. At the time of drawing up this report the Office had received replies from the governments of 84 member States.

Publisher's description

Essentials of Employment Law David Lewis, Malcolm Sargeant, 2004. Lewis has updated his widely recommended text to take full account of all legislative changes that have come into effect since publication of the previous edition.

Waud's Employment Law Peter Chandler, 2003. The law relating to employment and its procedures is becoming ever more complex. Completely revised and fully updated this authoritative and practical guide continues to demystify employment law explaining the technicalities in a clear and simple way. Provided by publisher.

Labor and Employment Law in the New EU Member and Candidate States Anders Etgen Reitz, 2007. This book is a practical tool for legal practitioners and in house counsel advising clients on their foreign operations in the new EU. The book begins with an introduction to EU legislation, EU directives and the enlargement of the European Union. Each chapter provides an overview of labor law, hiring terms and conditions, termination, discrimination and business transfers in the following countries: Bulgaria, Croatia, Cyprus, Czech Republic, Estonia, Hungary, Latvia, Lithuania, Macedonia, Malta, Poland, Romania, Slovakia, Slovenia and Turkey. A table of statutes and EU legislation completes the book.

Wisconsin Maternity Leave and Fringe Benefits Jennifer Gerner, 1974.

Maternity Leave and Employment Patterns, 2011.

EU Law on Maternity and Other Child-Related Leaves Miguel De la Corte-Rodríguez, 2019-09-04. Although proven effective in protecting pregnancy, giving birth and breastfeeding, that is the biological differences of women related to maternity, the current European Union EU legislative framework on maternity leave tends to overlook the roles of both parents, especially during the post delivery period of bonding with the child. This framework along with EU law on parental leave which does not encourage an equal take up of the leave gives rise to serious

issues of gender equality affecting both men and women This deeply researched and urgent book proposes alternative options for future EU law on child related leave which can be applied to both employees and self employed workers to mitigate these limitations and side effects Analysing the various EU Directives which directly or indirectly relate to maternity leave paternity leave adoption leave and parental leave as well as the corresponding case law of the Court of Justice of the EU the author uses a social risk approach and tackles the following issues narrow focus of the legislation on the delivering mother s incapacity to work in practice excessive emphasis on the protection of the delivering mother silent assent to the unequal distribution of caring responsibilities within the family lack of attention to women s labour market outcomes and the new direction followed by the recently adopted Directive on work life balance The research focuses on working parents including non delivering parents in same sex couples or adoption and includes a comparative analysis of the law of six countries Belgium Ireland Spain the United Kingdom Sweden and Portugal chosen to illustrate the variety of national schemes available and how their desirable features can be introduced into EU law A more balanced design of child related leave is a must in today s society for reasons of fairness and also for economic considerations This complete analysis of EU legislation and case law about child related leave including the first ever systematic and in depth analysis on whether maternity leave can be considered discriminatory against fathers and a review of economic literature on how child related leave affects the situation of women in the labour market offers forward looking solutions for child related leave to enhance gender equality Practitioners and nongovernmental organisations dealing with EU and national matters related to labour and employment law social security law and gender equality law will welcome this important book as will academics and policymakers interested in maternity and other child related leaves

Encyclopaedia of Occupational Health and

Safety Jeanne Mager Stellman,1998 Revised and expanded this edition provides comprehensive coverage of occupational health and safety A new CD ROM version is available which provides the benefits of computer assisted search capabilities

Taking Time Mindy Fried,1998 There is a growing movement among corporations to provide family benefits in order to attract and retain women workers They recognize that these benefits have become a cost of doing business Many of these benefits like child care and elder care are aimed at supporting employees ability to stay on the job Parental leave policies are an exception because they involve taking time away from the job This timely book provides an inside look at life in a major U S corporation focusing on the impact of workplace culture on the use of parental leave and those who use it Fried begins by describing why parental leave is critical to making parenting the job of both parents in two parent families She examines the varied experiences of different levels of workers in how parental leave policy is used The author tells a rich and textured tale of day to day life in the skyscraper offices of a large corporation How people dress what their offices look like which cafeteria they eat in how the supervisors and supervised talk all these things are part of the fabric of corporate culture that Fried describes Most of us live in work cultures that value overtime Fried argues that as a time policy parental leave clashes with

the powerful norm that corporate employees must work long and hard Taking time for parenting a job that is devalued in our culture may be perceived as taking time away from the company and in particular from the company's productivity

Celebrating Life Customs around the World Victoria R. Williams, 2016-11-21 This book documents hundreds of customs and traditions practiced in countries outside of the United States showcasing the diversity of birth coming of age and death celebrations worldwide From the beginning of our lives to the end all of humanity celebrates life's milestones through traditions and unique customs In the United States we have specific events like baby showers rites of passage such as Bat and Bar Mitzvahs and sweet 16 birthday parties and sober end of life traditions like obituaries and funeral services that honor those who have died But what kinds of customs and traditions are practiced in other countries How do people in other cultures welcome babies prepare to enter into adulthood and commemorate the end of the lives of loved ones This three volume encyclopedia covers more than 300 birth life and death customs with the book's content organized chronologically by life stage Volume 1 focuses on birth and childhood customs Volume 2 documents adolescent and early adulthood customs and Volume 3 looks at aging and death customs The entries in the first volume examine pre birth traditions such as baby showers and other gift giving events and post birth customs such as naming ceremonies child rearing practices and traditions performed to ward off evil or promote good health The second volume contains information about rites of passage as children become adults including indigenous initiations marriage customs and religious ceremonies The final volume concludes with coverage on customs associated with aging and death such as retirement celebrations elaborate funeral processions and the creation of fantasy coffins The set features beautiful color inserts that illustrate examples of celebrations and ceremonies and includes an appendix of excerpts from primary documents that include legislation on government accepted names wedding vows and maternity paternity leave regulations

Maternity Leave Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Maternity Leave PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and

professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Maternity Leave PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Maternity Leave free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
