Bernard Sabella A spring abroad exploring the case of Tunisian diasporas in Europe Claire Demesmay Sabine Russ Sattar Katrin Sold Routledge Handbook on Middle Eastern Diasporas Dalia Abdelhady, Ramy Aly, 2022-08-08 Bringing together different strands of research on Middle Eastern diasporas the Routledge Handbook on Middle Eastern Diasporas sheds light on diverse approaches to investigating diaspora groups in different national contexts Asking how diasporans forge connections and means of belonging the analyses provided turn the reader's gaze to the multiple forms of belonging to both peoples and places Rather than seeing diasporans as marginalised groups of people longing to return to a homeland analyses in this volume demonstrate that Middle East diasporans like other diasporas and citizens alike are people who respond to major social change and transformations Those we count as Middle Eastern diasporans both in the region and beyond contribute to transnational social spaces and new forms of cultural expressions Chapters included cover how diasporas have been formed the ways that diasporans make and remake homes the expressive terrains where diasporas are contested how class livelihoods and mobility inflect diasporic practices the emergence of diasporic sensibilities and finally scholarship that draws our attention to the plurilocality of Middle Eastern diasporas Offering a rich compilation of case studies this book will appeal to students of Middle Eastern Studies International Relations and Sociology as well as being of interest to policymakers government departments and NGOs *Middle Eastern Christians and Europe* Andreas Schmoller, 2018 Middle Eastern Christians have a long tradition of interacting with Europe As other minorities they have also emerged through relations of European powers with the region The historical circulation of people and ideas is also relevant for identities of Middle Eastern Christians who have settled in Europe in the past decades This volume stemming from an interdisciplinary workshop in Salzburg 2016 brings together both perspectives of entanglement Multiculturalism and Minority Rights in the Arab World Will Kymlicka, Eva Pförtl, 2014-03-20 Since the Arab Spring Arab states have become the new front line in the struggle for democratization and for open societies As the experience of other regions has shown one of the most significant challenges facing democratization relates to minority rights This book explores how minority claims are framed and debated in the region and in particular how political actors draw upon re interpret or resist both the new global discourses of minority rights and more local traditions and practices of co existence The contributors examine a range of pre colonial colonial and post colonial factors that shape contemporary minority politics in the Arab world and that encumber the reception of international norms of multiculturalism These factors include the contested legacies of Islamic doctrines of the dhimmi and the Ottoman millet system colonial era divide and rule strategies and post colonial Arab nation building While these legacies complicate struggles for minority rights they do not entail an Arab exceptionalism to global trends to multiculturalism This volume explores a number of openings for new more pluralistic conceptions of nationhood and citizenship and suggests that minority politics at its best can serve as a vehicle for a more general transformative politics supporting a broader culture of democracy and human rights and challenging older authoritarian clientelistic or patriarchal political tendencies The chapters

include both broad theoretical and historical perspectives as well as more focused case studies including Western Sahara Morocco Algeria Israel Palestine Sudan United Arab Emirates and Iraq The Rowman & Littlefield Handbook of Christianity in the Middle East Mitri Raheb, Mark A. Lamport, 2020-12-15 This work represents the current and most relevant content on the studies of how Christianity has fared in the ancient home of its founder and birth Much has been written about Christianity and how it has survived since its migration out of its homeland but this comprehensive reference work reassesses the geographic and demographic impact of the dramatic changes in this perennially combustible world region The Rowman Littlefield Handbook of Christianity in the Middle East also spans the historical socio political and contemporary settings of the region and importantly describes the interactions that Christianity has had with other major minor religions in the region *A Companion to the History of the Middle East* Youssef M. Choueiri, 2008-09-02 A Companion to the History of the Middle East offers a fresh account of the multifaceted and multi layered history of this region A fresh account of the multifaceted and multi layered history of the Middle East Comprises 26 newly commissioned essays by leading international scholars Primarily focused on the modern and contemporary periods Covers religious social cultural economic political and military history Treats the region as four differentiated political units Iran Turkey Israel and the Arab world Includes a section on current issues such as oil urban growth the role of women and democratic human rights **Cultural Sociology of the Middle East, Asia, and Africa** Andrea L. Stanton, Edward Ramsamy, Peter J. Seybolt, Carolyn M. Elliott, 2012-01-05 In our age of globalization and multiculturalism it has never been more important for Americans to understand and appreciate foreign cultures and how people live love and learn in areas of the world unfamiliar to most U S students and the general public The four volumes in our cultural sociology reference encyclopedia take a step forward in this endeavor by presenting concise information on those regions likely to be most foreign to U S students the Middle East Asia and Africa The intent is to convey what daily life is like for people in these selected regions It is hoped entries within these volumes will aid readers in efforts to understand the importance of cultural sociology to appreciate the effects of cultural forces around the world and to learn the history of countries and cultures within these important regions **Nationalism, Minorities and Diasporas** Kirsten E. Schulze, Martin Stokes, 1996 *Nationalism, Minorities and Diasporas* Kirsten E. Schulze, Martin Stokes, Colm Campbell, 1996-12-31 Israel Raphael Cohen Almagor Routledge Handbook of Turkey's Diasporas Ayca Arkilic, Banu Senay, 2024-08-21 This handbook the first of its kind provides a rich overview of the socio political issues and dynamics impacting Turkey s diasporic groups and diaspora policymaking Turkey constitutes an important case study in the field of diaspora studies with a diaspora population of around 6.5 million This handbook therefore brings together emerging and established scholars to explore the central issues actors and processes relating to Turkey s diasporic groups and diaspora outreach Taken together the historical and contemporary analyses presented in this volume provide readers a multi lens perspective on the trajectories of Turkey s diasporic communities and diaspora policymaking in a wide range of regional

contexts including Europe North America and Oceania The handbook comprises six analytical parts Contextualising Turkey's diasporas past and present Localisation transnational belongings and identity Governing diasporas Micro spaces and everyday practices Cultural production aesthetics and creativity Country specific perspectives The volume offers insights into the debates and processes that structure each of these thematic clusters but also provides a comprehensive overview of the dynamics shaping Turkey's diverse diaspora populations today The contributions encompass a range of disciplines including anthropology history human geography political science international relations and sociology and the volume will be vital reading for anyone interested in Turkey the Middle East and diasporas *A Multicultural Entrapment* Michael

Karayanni,2020-12-17 The religion and state debate in Israel has overlooked the Palestinian Arab religious communities and their members focusing almost exclusively on Jewish religious institutions and norms and Jewish majority members Because religion and state debates in many other countries are defined largely by minority religions issues the debate in Israel is anomalous Michael Karayanni advances a legal matrix that explains this anomaly by referencing specific constitutional values At the same time he also takes a critical look at these values and presents the argument that what might be seen as liberal and multicultural is at its core just as illiberal and coercive In making this argument *A Multicultural Entrapment* suggests a set of multicultural qualifications by which one should judge whether a group based accommodation is of a multicultural nature Diaspora Lobbies and the US Government Josh DeWind,Renata Segura,2014-10-03 A joint publication of the Social

Jewish Diaspora Hasia R. Diner,2021-11-05 The Oxford Handbook of the Jewish Diaspora is a comprehensive collection of scholarship that reflects the multifaceted nature of diaspora studies Persecuted and exiled throughout their history Jews have also continuously migrated to places offering better opportunities yet the Jewish people have been defined by their permanent lack of belonging This Oxford Handbook explores the complicated nature of diasporic Jewish life as something both destructive and creative The contributors explore subjects as diverse as biblical and medieval representations of diaspora the various diaspora communities that emerged across the globe the contradictory relationship the diaspora bears to Israel and how the diaspora is celebrated and debated within modern Jewish thought **Handbook of International**

Migration Steven J. Gold,Stephanie J. Nawyn,2013-05-02 This revised and expanded second edition of Routledge International Handbook of Migration Studies provides a comprehensive basis for understanding the complexity and patterns of international migration Despite increased efforts to limit its size and consequences migration has wide ranging impacts upon social environmental economic political and cultural life in countries of origin and settlement Such transformations impact not only those who are migrating but those who are left behind as well as those who live in the areas where migrants

settle Featuring forty six essays written by leading international and multidisciplinary scholars this new edition showcases evolving research and theorizing around refugees and forced migrants new migration paths through Central Asia and the Middle East the condition of statelessness and South to South migration New chapters also address immigrant labor and entrepreneurship skilled migration ethnic succession contract labor and informal economies Uniquely among texts in the subject area the Handbook provides a six chapter compendium of methodologies for studying international migration and its impacts Written in a clear and direct style this Handbook offers a contemporary integrated resource for students and scholars from the perspectives of social science humanities journalism and other disciplines

The Armenian Diaspora and Stateless Power Talar Chahinian, Sossie Kasbarian, Tsolin Nalbantian, 2023-11-02 From genocide forced displacement and emigration to the gradual establishment of sedentary and rooted global communities how has the Armenian diaspora formed and maintained a sense of collective identity This book explores the richness and magnitude of the Armenian experience through the 20th century to examine how Armenian diaspora elites and their institutions emerged in the post genocide period and used stateless power to compose forms of social discipline Historians cultural theorists literary critics sociologists political scientists and anthropologists explore how national and transnational institutions were built in far flung sites from Istanbul Aleppo Beirut and Jerusalem to Paris Los Angeles and the American mid west Exploring literary and cultural production as well as the role of religious institutions the book probes the history and experience of the Armenian diaspora through the long 20th century from the role of the fin de siècle migr Armenian press to the experience of Syrian Armenian asylum seekers in the 21st century It shows that a diaspora's statelessness can not only be evidence of its power but also how this stateless power acts as an alternative and complement to the nation state

Diaspora Entrepreneurs and Contested States Maria Koinova, 2021-03-25 Why do conflict generated diasporas mobilize in contentious and non contentious ways or use mixed strategies This book develops a theory of socio spatial positionality and its implications for the individual agency of diaspora entrepreneurs A novel typology features four types of diaspora entrepreneurs Broker Local Distant and Reserved depending on the relative strength of their socio spatial linkages to host land original homeland and other global locations A two level typological theory captures nine causal pathways unravelling how diaspora entrepreneurs operate in transnational social fields and interact with host land foreign policies homeland governments parties non state actors critical events and limited global influences Non contention often occurs when diaspora entrepreneurs act autonomously and when host state foreign policies converge with their goals Dual pronged contention is common under the influence of homeland governments non state actors and political parties The most contention occurs in response to violent events in the original homeland or adjacent to it fragile states The book is informed by 300 interviews among the Albanian Armenian and Palestinian diasporas connected to de facto states Kosovo Nagorno Karabakh and Palestine respectively Interviews were conducted in the UK Germany France Netherlands Sweden Switzerland Brussels in Belgium as well as Kosovo and Armenia in the European
