Murder in the Heartland M. William Phelps, 2006 Details the case of Lisa Montgomery who murdered eight months pregnant Bobbie Jo Stinnett and kidnapped her unborn baby revealing a woman with a history of sexual abuse abandonment and desperation that molded her into a sociopath

Every Move You Make M. William Phelps, 2005-06-01 A New York State investigator matches wits with a devious serial killer in the New York Times bestselling author's true crime thriller Gary C Evans was master of disguise and career criminal who had once befriended David Son of Sam Berkowitz In 1989 he started weaving a web of deadly lies in Upstate New York telling a female friend that the father of her child had deserted her In fact Evans had killed the man just before striking up a ten year romance with the woman Evans first met Investigator James Horton in 1985 when Evans snitched on a childhood friend and crime partner

failing to mention that he'd murdered him. Then two local jewelry dealers were killed. In 1997 another old friend of Evans went missing. Was Evans responsible? Horton launched a nationwide manhunt to uncover the truth. For more than a decade Evans and Horton maintained an odd relationship, part friendship, part manipulation, with Evans serving as a snitch while the tenacious investigator searched for the answers that would put him away. After Horton used Evans to obtain a confession from a local killer, Evans led Horton in a final game of cat and mouse that would culminate in the most shocking death of all. Sixteen pages of revealing photos. Sleep In Heavenly Peace M. William Phelps, 2010-05-21 The New York Times

bestselling journalist and serial killer expert recounts a tragic case of infanticide including an exclusive interview with the killer. It started with a horrifying discovery in an Arizona self-storage facility: the abandoned bodies of three infants wrapped in plastic. Dianne O'Dell, a mother of eight children, admitted the babies were hers. She claimed they'd died of natural causes, that she'd been impregnated by her father when young, that her own mother had forced her into teen prostitution. O'Dell's life story ran a horrifying thread from tranquil Kauneonga Lake, New York, to the mountains of the Southwest. But would it lead a jury to grant her mercy? Or would she pay the price for committing the worst crime a mother can commit. Copycat Crime Jacqueline B. Helfgott, 2023-07-27

Details the new phenomena of copycat crime inspired by technology and the hyperreality fueled in some people by digital culture and video games. Across her 30-year career in criminology, author Jacqueline Helfgott has watched with fascination and fear as the world has shifted from a place where one-dimensional televised news each evening and newspapers bought each morning provided the only information on crimes and killings. Now nonstop instant global news coverage on 24-hour television and the internet enables people to see and replay not only crime, violence, terrorism, and murder coverage provided by journalists in real time, but also Facebook and YouTube feeds filmed by the criminals themselves while perpetrating the crimes. In this riveting text about the consequences of our technical, digital, and cultural changes, Helfgott focuses on how these advances are perpetuating this era's new and more massively deadly acts. The book intertwines vignettes from current events, perpetrator statements, police reports, and current research to show how copycat crimes are linked to media technology and our digital culture. Concluding with recommendations to reduce the criminogenic effects of media technology and digital culture, this book also includes an appendix listing technology and media-influenced copycat crimes. Murder in the Heartland Harry Spiller, 2016-04-13

Collection of case studies on murder in southern Illinois. American Book Publishing Record, 2006. Her America Susan Glaspell, 2010-07

One of the preeminent authors of the early twentieth century, Susan Glaspell (1876-1948) produced fourteen ground-breaking plays, nine novels, and more than fifty short stories. Her work was popular and critically acclaimed during her lifetime, with her novels appearing on best-seller lists and her stories published in major magazines and in *The Best American Short Stories*. Many of her short works display her remarkable abilities as a humorist, satirizing cultural conventions and the narrowness of small-town life. And yet they also evoke serious questions relevant as much today as during Glaspell's lifetime about society's values and

priorities and about the individual search for self fulfillment While the classic *A Jury of Her Peers* has been widely anthologized in the last several decades the other stories Glaspell wrote between 1915 and 1925 have not been available since their original appearance This new collection reprints *A Jury of Her Peers* restoring its original ending and brings to light eleven other outstanding stories offering modern readers the chance to appreciate the full range of Glaspell's literary skills Glaspell was part of a generation of midwestern writers and artists including Sherwood Anderson Sinclair Lewis Willa Cather and F Scott Fitzgerald who migrated first to Chicago and then east to New York Like these other writers she retained a deep love for and a deep ambivalence about her native region She parodied its provincialism and narrow mindedness but she also celebrated its pioneering and agricultural traditions and its unpretentious values Witty gently humorous satiric provocative and moving the stories in this timely collection run the gamut from acerbic to laugh out loud funny to thought provoking In addition at least five of them provide background to and thematic comparisons with Glaspell's innovative plays that will be useful to dramatic teachers students and producers With its thoughtful introduction by two widely published Glaspell scholars *Her America* marks an important contribution to the ongoing critical and scholarly efforts to return Glaspell to her former preeminence as a major writer The universality and relevance of her work to political and social issues that continue to preoccupy American discourse free speech ethics civic justice immigration adoption and gender establish her as a direct descendant of the American tradition of short fiction derived from Hawthorne Poe and Twain

William Dudley Pelley Scott Beekman, 2005-10-17 William Dudley Pelley was one of the most important figures of the anti Semitic radical right in the twentieth century Best remembered as the leader of the paramilitary Silver Shirts Pelley was also an award winning short story writer Hollywood screenwriter and religious leader During the Depression Pelley was a notorious presence in American politics he ran for president on a platform calling for the ghettoization of American Jews and was a defendant in a headlinegrabbing sedition trial thanks to his unwavering support for Nazi Germany Scott Beekman offers not only a political but also an intellectual and literary biography of Pelley greatly advancing our understanding of a figure often dismissed as a madman or charlatan His belief system composed of anti Semitism economic nostrums racialism neo Theosophical channeling and millenarian Christianity anticipates the eclecticism of later cult personalities such as Shoko Asahara leader of Aum Shinrikyo and the British conspiracy theorist David Icke By charting the course of Pelley's career Beekman does an admirable job of placing Pelley within the history of both the anti Semitic right and American occult movements This exhaustively researched book is a welcome addition to the growing body of scholarship on American extremism and esoteric religions

Bryan, Thomas Wolf, 2005-04-01 In 1900 Margaret Hossack the wife of a prominent Iowa farmer was arrested for bludgeoning her husband to death with an ax while their children slept upstairs The community was outraged How could a woman commit such an act of violence

Firsthand accounts describe the victim John Hossack as a cruel and unstable man Perhaps Margaret Hossack was acting out of fear Or perhaps the story she told was true that an intruder broke into the house killed her husband while she slept soundly beside him and was still on the loose Newspapers across the country carried the story and community sentiment was divided over her guilt At trial Margaret was convicted of murder but later was released on appeal Ultimately neither her innocence nor her guilt was ever proved Patricia Bryan and Thomas Wolf examine the harsh realities of farm life at the turn of the century and look at the plight of women legally socially and politically during that period What also emerges is the story of early feminist Susan Glaspell who covered the Hossack case as a young reporter and later used it as the basis for her acclaimed work *A Jury of Her Peers* *Midnight Assassin* expertly renders the American character and experience our obsession with crime how justice is achieved and the powerful influence of the media
