Old Perth:

My Australia Maria Luisa Zaccheo Wahlberg, 2014-05-18 This book of drawings and watercolours is devoted to my impressions of the majestic beauties or icons of the continent but also aims to present my observations about the small Australia of ordinary buildings and landscape the general stores the post offices the railway stations the old hotels the tea rooms the corrugated iron sheds the empty shops the disused mines and the classical colonial town halls reminiscent of the old and far away Europe I wanted to show places like Dimbullah and Norseman that are unknown to outsiders but are just as interesting in their own ways as Sydney Harbour and Uluru [Australia](#) Peter Hinze, 2001 Archive of the All Things Australian website Includes information on Australian and Tasmanian emblems [The History of Crieff from the Earliest Times to the Dawn of the Twentieth Century](#) Alexander Porteous, 1912 [Lanark Legacy](#) Howard Morton Brown, 2007-02

The Foundation of Australia's Capital Cities Anthony Webster, 2022-03-02 The Foundation of Australia's Capital Cities is the story of how the places chosen for Australia's seven colonial capitals came to shape their unique urban character and built environments Tony Webster traces the effects of each city's geologically diverse coastal or riverine landform and the local natural materials that were available for construction highlighting how the geology and original landforms resulted in development patterns that have persisted today **The Topographical, Statistical, and Historical Gazetteer of Scotland: I-Z**, 1842 [Data Book, Operating Banks and Branches](#), 1983 [Transactions of the Highland and Agricultural Society of Scotland](#) Highland and Agricultural Society of Scotland, 1897 **Transactions of the Highland and Agricultural Society of Scotland** Royal Highland and Agricultural Society of Scotland, 1885 **Waverley Novels** Walter Scott, 1847 **The Waverley Novels** Walter Scott, 1847 **Annual Report of the Bureau of Statistics of Labor and Industries of New Jersey** New Jersey. Vance, 2012-08-18 The impact of the British Empire on the history of the Upper Ottawa Valley is explored through the experiences of early emigration assisted 19th century Scottish immigrants Between 1815 and 1832 Great Britain settled more than 3 500 individuals mostly from the Scottish Lowlands in the Ottawa Valley These government assisted emigrations which began immediately after the Napoleonic Wars are explored to reveal their impact on Upper Canada Seeking to transform their lives and their society early Scots settlers crossed the Atlantic for their own purposes Although they did not blindly serve the interests of empire builders their settlement led to the dispossession of the original First Nation inhabitants thus supporting the British imperial government's strategic military goals After transferring homeland religious and political conflict to the colony Scottish settlers led the demand for political reform that emerged in the 1830s As a consequence their migration and settlement reveals as much about the depth of social conflict in the homeland and in the colonies as it does about the preoccupations of the British imperial state [Report of the Committee of Council on Education in Scotland...\[without Appendix\]](#), 1897

Myths and Memories Cindy Lane, 2015-02-27 This book examines the perceptions of European travelling writers about southern Western Australia between 1850 and 1914. There was a narrow vision of space and people in the region shaped by their individual personalities, their position in society and the prevailing discourses and ideologies of the age. Christian Enlightenment and Romantic philosophies had a major influence on their responses to the land, its cultivation and conservation and its aesthetic qualities and on their views of both indigenous and settler colonial society, their class and assumptions of race and ethnicity. The travelling men and women perpetuated an idealised view of a colonised landscape and a pioneer community that eliminated class struggle and inequality even though an analysis of their observations suggests otherwise. Nevertheless, although limited, their narratives are invaluable as a reflection of opinions, attitudes and knowledge prevalent during an age of imperialism. Their perspectives reveal unique viewpoints that differ from those of immigrants who wrote about their hopes and fears in making a new life for themselves. These travellers were economically secure, literate and educated foundations which provide an insight into the way power and privilege implicit in their writings governed the way they imagined Western Australia in the colonial and immediate post federation period. The tinted lenses through which European travelling writers narrowly observed space and people presented a mythical imagined sense of southern Western Australia.

Byways and Bylines Harvey Currell, 2009-08-10 Besides holding down a full time editor's job on a big city daily newspaper, Harvey Currell used his spare time for 49 years at the work he loved best: combing the byways and backwoods of Ontario and infrequently even England and the eastern U.S. in search of fascinating destinations never discovered by travelers who stick to the superhighways. Every week he distilled his adventures into a Trips column from 1958 to 1971 for The Toronto Telegram and from 1971 to 2007 for The Toronto Sun. On many of his early expeditions he had two eager passengers: his young daughter and son. They would listen carefully as Harvey interviewed foresters, naturalists, archaeologists, farmers, conservation officers, potters, woodcarvers, trappers, glass blowers, gliders, cabinet makers and dozens of other specialists in many fields. At the conclusion of Harvey's interview, the kids would take over and ask their own questions. Often they would make notes to share their information at school the following week, sometimes before Dad's story had appeared in the paper. Newspaper readers clipped and saved the columns, sometimes for years before going on the trips. In *Byways and Bylines*, Harvey recreates 32 memorable trips while sharing his own life story.
