Old Maid:

The Old Maid Arthur Murphy, 1762 *Old Maid's Puzzle* Terri Thayer, 2010-09-08 Thirty year old techie Dewey Pellicano is trying to make a go of Quilter Paradiso the quilt shop she inherited from her mother But she s facing a patchwork of problems fierce competition an uncooperative employee who also happens to be Dewey s sister in law and oh yes a dead body in the alley Dewey pins her hopes on the store s huge 20th anniversary sale and appearance on national television With the help of her smolderingly hot detective boyfriend Buster Healy can Dewey save her shop and find the killer Praise for Terri Thayer s Wild Goose Chase Cutting edge drama deftly sliced to reveal the sass beneath the surface of the quilting business Margaret Miller author of *AnglePlay Blocks* Put down your piecework brew yourself a cup o Joe fill up a snack bowl and laze around the yard this spring with this amusing quilt themed mystery Mark Lipinski s *Quilter s Home Magazine* **Old maid's paradise** Elizabeth Stuart Phelps, 1885 Early American Proverbs and Proverbial Phrases Bartlett Jere Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s *Dictionary of American Proverbs and Proverbial Phrases 1820 1880* It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting s authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and what is spurious **The ups and downs of an old maid's life** Jemima Compton, 1868 **The old maid's secret, by E. Marlitt, tr. by H.J.G.** Eugenie John, 1871 *Old maids; their varieties, characters, and conditions* Old maids, 1835 **Old Maids, and Burglars in Paradise** Elizabeth Stuart Phelps Ward, 1891

Katharine Hepburn Andrew Britton, 2003 In what can be considered one of the very few analyses of American cinema to focus on a film star rather than a director or a genre Britton proposes a feminist reading of Hepburn s films arguing that her persona raises problems about class female sexuality and women s oppression that strain to the limits the conventions of a cinema ultimately committed to the reassertion of bourgeois gender roles **Love, Sex, and Marriage** Julie Coleman, 2022-06-13 If the language we use influences and reflects the way that we see the world then the fields of LOVE SEX and MARRIAGE will show how speakers of English view their closest social and emotional relationships Love Sex and

Marriage provides a classification of English terms for these three fields from the earliest written records of the language until the present day This volume makes it possible to trace changing attitudes towards social and sexual ties and to understand those ties as earlier speakers of English did through the language they used The terms are arranged by meaning and are listed chronologically within semantic fields with their dates of usage Notes on individual terms provide further information about their connotations and development Language does not exist in isolation from the people who speak it so background information about changes in social conditions religious beliefs and medical advancements is also included A brief introduction to basic semantic terminology explains the principles behind the classification and an alphabetical index facilitates the location of individual terms
