In the Cold of the Malecon and Other Stories Antonio José Ponte, 2000-10 Departing from both the utopian political and the romantic baroque styles of past Cuban literature Ponte deftly sketches a picture of a contemporary Cuba that is very different from the stereotype of Caribbean life full of music and dance and colorful celebration An old man and a six year old prodigy have a rendezvous to play chess at a forlorn railroad station Randomly riding trains a woman keeps company with a strange assembly of men An unemployed historian falls in love with an enigmatic astrologer and the two live out their tragedy in the streets of Havana as homeless vagrants A father and son take an aimless stroll after lunch to see the whores along the Malecon Havana's seaside promenade A young man one of the last Cuban students to go to the Soviet Union on a foreign study program returns to Havana where he explores his identity looking at childhood photos with his grandfather spending time with old friends and obsessively seeking news of a woman he had known and loved in Russia In a style both lucid and translucent Ponte shapes intricate stories of self discovery and metaphysical revelation in spare and allusive prose About the Authors Antonio Jose Ponte was born in 1964 in Matanzas Cuba and studied at the University of Havana He worked for some years as an engineer and then as a screenwriter In addition to writing short stories and fiction Ponte has published prize winning collections of poetry and essays His work has been published in France Germany and Spain This is his first book to be published in the United States Cola Franzen is the translator of over twenty books including *Poems of Arab Andalusia* *Dreams of the Abandoned Seducer* by Alicia Borinsky and *Horses in the Air* by Jorge Guillen recipient of the

Academy of American Poets Harold Morton Landon Translation Award 2000 Review In his first book to be published in the U S Ponte gives readers a short collection of six elliptical stories from inside the Cuban revolutionary experience closer in spirit to the fiction of Eastern European dissidents than to that of Caribbean fabulists unlike exiled writers who see the island as either a mythical homeland or a political cause **Librarians in Fiction** Grant Burns,1998-03-01 The depictions of librarians in over 374 novels short stories and plays in English are the focus of this fully annotated reference work Librarians no less than other professionals want to know how they are depicted in fiction The stereotypical or fictional librarian the one with the bun comfortable shoes and dour demeanor may be fading but fiction teaches a lesson about public perception Actually story librarians are often described as adaptable knowledgeable shrewd tactful tender and intelligent traits that the authors and by extension the readers look for in their librarians All entries include complete bibliographic data followed by a lengthy annotation that discusses how the librarian fits into the story and gives insight to how he or she is depicted Title and author indexes are provided for further utility **Escape to Mexico** Sara Nickles,2002-03 A collection of fiction set in Mexico by non Mexican writers *Juicy Tomatoes* Susan Swartz,2000 A raucous romp through the second half century this collection offers advice on hot flashes children sex denial and those funny things on your neck from dozens of women from the author s generation and older whose humor savvy and determination have brought that old meaning back to life *My Paranoid Theory* Nassim Nakad,2017-09-22 My Paranoid Theory is a story that mixes fiction with real incidents to create a new sci fi reality Its a story that merges illusions dreams nightmares facts and other relative realities All the stories are based on real events Paranoia and schizophrenia might have contributed in shaping these stories Who am I to judge Since time is relative this book can open your eyes to some old myths religions or faiths future sci fi technologies and present theories **One Soul, Many Lifetimes** L. M. Henderson,2019-09-16 It is about my spiritual experiences dealing with reincarnation For those who don t believe in reincarnation this book will give them food for thought For those who do believe it will enhance their knowledge **Russomania** Rebecca Beasley,2020-03-31 Russomania Russian Culture and the Creation of British Modernism provides a new account of modernist literature s emergence in Britain British writers played a central role in the dissemination of Russian literature and culture during the early twentieth century and their writing was transformed by the encounter This study restores the thick history of that moment by analyzing networks of dissemination and reception to recover the role of neglected as well as canonical figures and institutions as well as individuals The dominant account of British modernism privileges a Francophile genealogy but the turn of the century debate about the future of British writing was a triangular debate a debate not only between French and English models but between French English and Russian models Francophile modernists associated Russian literature especially the Tolstoyan novel with an uncritical immersion in life at the expense of a mastery of style and while individual works might be admired Russian literature as a whole was represented as a dangerous model for British writing This supposed danger was closely bound up with the politics of the

period and this book investigates how Russian culture was deployed in the close relationships between writers editors and politicians who made up the early twentieth century intellectual class the British intelligentsia Russomania argues that the most significant impact of Russian culture is not to be found in stylistic borrowings between canonical authors but in the shaping of the major intellectual questions of the period the relation between language and action writer and audience and the work of art and lived experience The resulting account brings an occluded genealogy of early modernism to the fore with a different arrangement of protagonists different critical values and stronger lines of connection to the realist experiments of the Victorian past and the anti formalism and revived romanticism of the 1930s and 1940s future

Drowned Sprat and Other Stories Stephanie Johnson, 2012-10-01 A collection of short stories to dip into and devour by a prize winning writer These 23 stories show the breadth of Stephanie Johnson s fine writing It features poignant insights as well as her sharp wit with characters as diverse as a woman arranging a second wife for her husband a criminal returning to the care of his mother and a widow who hears an octopus call her name

A Mother's World Marybeth Bond, Pamela Michael, 1998 In stories close to home and far away from Peru to Kenya and New York City to Ukraine mothers recount adventures and experiences traveling with their small children their grown children and their own parents They travel to find their adopted children they become pregnant and they recount the joys and pains of motherhood in a language that will move women and men alike

Midwinter Light Marilyn McEntyre, 2024-10-08 Slow down sit and savor the beauty and wisdom of winter around us and within Award winning writer Marilyn McEntyre invites us into winter when stars assume heightened significance and the ambient quiet of snowscapes or fogscapes or rainscapes stills us Winter is quieter than other seasons sometimes lonelier and it opens us to pay attention We may at first feel the ache of diminishment as days grow more silent but even as melancholy befits winter this season also bears its own fruit In the precarious waiting and unknowing we surrender to natural forces and rhythms our lives may be changed utterly as we grow deeper more patient more attentive to what s outside our doors in the night sky or hibernating deep within ourselves Perhaps now is the time to grab that cup of tea that warm mug of whatever brings you comfort and cheer and with each sip engage the wisdom of winter the poems the reflections to make the long season richer warmer As the author writes We live with less when the world grows cold and quiet but lessening is a lesson we can live with less We need the silences that allow us to hear small glass chimes And simple warmth can offer an occasion to be grateful for small things In poems and life affirming reflections on freedom growth quietude and keenly felt hope we learn to live in simple contentment Without being saccharine Midwinter Light guides us to seek and find what we need right where we are a read for all walks of life that we can turn to again and again when we need to recenter

River Mist and Other Stories Doppo Kunikida, 2024-10-26 *River Mist and Other Stories* is a collection of short fiction by Kunikida Doppo a prominent writer of Japan s Meiji era The anthology reflects Doppo s blend of romanticism and realism exploring themes like personal failure nostalgia nature and inner struggle The title story *River Mist* Kawagiri follows

Ueda Toyokichi a man who leaves his hometown with high hopes but returns after 20 years defeated by life's hardships Doppo's vivid descriptions of the mist covered riverbanks capture both the beauty of nature and the melancholy of unfulfilled dreams Through this and other stories Doppo expresses his fascination with human vulnerability often influenced by English romantic poets like Wordsworth The collection showcases Doppo's talent for introspective storytelling with moments of subtle humor tragic endings and philosophical reflection revealing the author's own personal trials and emotional evolution 1 River Mist 2 Old Gen 3 The Bonfire 4 The Deer Hunt 5 Those Unforgettable People 6 The Stars 7 Third Party 8 Woman Trouble 9 Poetic Images The white cloud over the hill The two travelers Barren ground The wayside plum 10 Phantoms 11 Musashino 12 The Self Made Man 13 Letter From Yugahara 14 Bird Of Spring 15 Meat And Potatoes The Truth and Other Stories Stanislaw Lem, 2022-09-13 Twelve stories by science fiction master Stanislaw Lem nine of them never before published in English Of these twelve short stories by science fiction master Stanislaw Lem only three have previously appeared in English making this the first new book of fiction by Lem since the late 1980s The stories display the full range of Lem's intense curiosity about scientific ideas as well as his sardonic approach to human nature presenting as multifarious a collection of mad scientists as any reader could wish for Many of these stories feature artificial intelligences or artificial life forms long a Lem preoccupation some feature quite insane theories of cosmology or evolution All are thought provoking and scathingly funny Written from 1956 to 1993 the stories are arranged in chronological order In the title story The Truth a scientist in an insane asylum theorizes that the sun is alive The Journal appears to be an account by an omnipotent being describing the creation of infinite universes until in a classic Lem twist it turns out to be no such thing in An Enigma beings debate whether offspring can be created without advanced degrees and design templates Other stories feature a computer that can predict the future by 137 seconds matter destroying spores a hunt in which the prey is a robot and an electronic brain eager to go on the lam These stories are peak Lem exploring ideas and themes that resonate throughout his writing

The Word Marita Golden, 2011-01-11 Critically acclaimed Black writers reveal how books have shaped their personal lives in often unexpected ways In these thirteen strikingly candid interviews bestselling authors winners of the Pulitzer Prize and writers picked by Oprah's Book Club discuss how the acts of reading and writing have deeply affected their lives by expanding the conceptual borders of their communities and broadening their sense of self Edwidge Danticat movingly recounts the first time she encountered a Black character in a book and how this changed her worldview forever Edward P Jones speaks openly about being raised by an illiterate mother J California Cooper discusses the spiritual sources of her literary inspiration Nathan McCall explains how reading saved his life while in prison Pearl Cleage muses eloquently about how other people's stories help one make one's own way in the world and world renowned historian John Hope Franklin in one of the last interviews he gave before his death touchingly recalls his childhood in the segregated South and how reading opened his mind to life's greater possibilities The stories that emerge from these in depth interviews not only provide an

important record of the creative life of leading Black writers but also explore the vast cultural and spiritual benefits of reading and writing and they support the growing initiative to encourage people to read as both a passion and a pastime
