[Parenting for Everyone](#) Simon Soloveychik, 2010-03-19 On New Year's Eve 1985 a 17 year old girl killed her classmate Her motive was simple she needed money to buy a dress The girl was adjudicated But there was one simple human question left How could she You can follow along as the author of *Parenting For Everyone* makes his own investigation into the murder He finds unique moral answers on why someone can kill another person His approach is focused on understanding of the nature of healthy human development He discovers secrets of raising good and morally intelligent children for which parents can feel confident that everything will be alright with their children *Parenting For Everyone* is three comprehensive books in one You will find 17 open chapters out of 245 at www.ParentingForEveryone.com In a world such as ours where so many of our freedoms are quietly pulled out from under us and where we have certainly long lost our inner freedom of thought along comes a very encouraging book *Parenting for Everyone* The effort Aigul Aubanova and Victor Dull have put

forth in translating the work of legendary Russian educator Simon Soloveychik feels like a breath of fresh air ready to invigorate every serious teacher and parent Regina B Jensen Ph D Editor Space of Love Magazine The Everything Parent's Guide to Raising a Gifted Child Robbins Med Herbert,2011-12-15 Raising a gifted child is both a joy and a challenge Gifted and exceptional children can seem self sufficient but it takes more than intelligence to lead a happy and fulfilling life Your child need your support and advocacy in school in social situations and even at home This guide shows you how to encourage and foster your gifted child from birth to adolescence including information on How to determine if your child is gifted Options for school programs and activities Dealing with perfectionism and stress Setting realistic and healthy goals for your child Ensuring proper socialization and friendship Coping with jealousy and bullying from other children Packed with useful and professional advice this is a reassuring guide to help your gifted child grow thrive and develop his talents *How to Raise Boys* Eva Delano,2015-07-01 Parents always want what is best for their children However raising boys can be a daunting and exhausting task This is because unlike girls boys are more likely to drop out of school indulge in drug abuse commit suicide become part of crime gangs and commit numerous other vices These probabilities are worrying and serve to remind parents that the boy child is highly vulnerable Perhaps this is why most parents will agree that raising boys in the right way to help them mature and become strong clever and happy men is more demanding *Religious Parenting* Christian Smith,Bridget Ritz,Michael Rotolo,2021-11-02 How do religiously observant American parents pass on their religion to their children Sociologist Christian Smith and his team sought to answer this question by interviewing over two hundred parents from across the U S affiliated with religious congregations of various types The book presents the voices of parents from diverse socioeconomic and religious backgrounds interested in passing on their religious convictions and practices to their children with the focus on why they think this matters and how they do it What Smith and his team found was surprising Almost all the parents interviewed whether Catholic Evangelical Jewish Muslim Mormon or Hindu and whether politically or theologically conservative or liberal view the transmission of religion in much the same way Most religious parents do not expect professional clergy and youth ministries to play a large role in imparting to young people a taste for continued religious affiliation and participation Rather they expect to do this work themselves viewing their children as ongoing projects Moreover very few of these religious parents regard what we might call the truth of religious claims beliefs in salvation or the trinity for example the afterlife heaven etc as important reasons for the centrality of religion in their lives and the lives of their children For nearly all including the most conservative religion is almost always about community morality and a sense of purpose all of which lead to a better quality of life for themselves and their children in the here and now Smith and his co authors ground their discussion of religious parenting in a broader set of theoretical claims about the way in which religious transmission occurs Drawing on cognitive anthropology and inspired by work in cognitive science the authors present and describe the background cultural models that American religious parents hold and use to

inform their parenting **Raising Parents** Louisa Ch'ng, 2020-11-09 We all have our own parenting journeys full of laughter and tears late night snuggling and early morning trainings exam prep and fun musicals Along this journey we as parents face so many questions How do we raise our girls to be strong guilt free women How to raise visionary ambitious respectful boys How to be a mum and still have a life This collection of stories tries to capture perspectives from Stay at Home Mums vs Career Mums perspectives from the West vs the East perspectives from Tiger Mums vs the more chilled Mums Women who have scaled the heights in the academia and the corporate worlds only to face the challenge of putting a baby to sleep and teaching an 8 year old Singapore maths Ranging in age from early thirties to mid fifties and scattered across the globe from Singapore to London to Silicon Valley and to Queenstown these mums reflect a spectrum of different upbringing from Malaysian Peranakan roots to British boarding schools with voices from Chinese French American and Russian families The result is an honest and heartfelt glimpse of parenthood today Special section included on the parenting journeys of dads
