Popkin, 2009-10 The challenge of successfully ushering children through their teen years has always been among parents' hardest won achievements But in today's society where children seem to become adults overnight and where they often make decisions about drugs sexuality and violence before they understand the consequences a parent's job is more

important than ever So how can you ensure that your teens develop the skills and character they need to not only survive but to thrive as they gain independence Active Parenting of Teens provides the guidance and support you need to turn the challenges of raising a teenager into opportunities for growth You ll learn Methods of respectful discipline Skills for clear honest communication Concrete strategies to prevent risky behavior How to be an encouraging parent and much more plus insight into important issues such as teens online bullying and depression The active approach has helped millions of families become happier and more productive as their children become more responsible respectful and capable of making good decisions Book jacket      **Keep Cool When Parenting Teens** David Skiddy,2023-02-09      *The Safe and Responsible Teenager 2-in-1 Combo Pack* Bukky Ekine-Ogunlana,2020-10-09 Are you still unsuccessfully trying to control your rowdy teenager Here s what to do instead Any parent of a teenager can relate to being the recipient of eye rolls locked doors and plenty of angst And loud shouting matches or stony silences are probably a regular occurrence in the household Understanding teens can feel like an impossible task for most parents When your child is on their phone all day locked in their room and only answering you in one syllable mumbles how are you supposed to have any idea what is going on in their lives Adolescence is a trying time in any child s life and this transition from child to adult can be hard for both parent and child to handle If you think back to when you were a teenager you can probably remember the issues you faced such as dealing with the changes in your body and looking at members of the opposite sex differently all while managing schoolwork and a burgeoning social life Teenagers today still have to deal with all of that and with the additional pressures of social media which increases the tendency to compare yourself with others and make them feel even worse about themselves Helping your child navigate through these changes in their life can be a difficult challenge But with positive parenting and effective communication you can make this a less combative experience between you and your teen Figuring out how to do this alone can be a daunting task but it s a good thing you re not alone In *The Safe and Responsible Teenager 2 in 1 Combo Pack* you will discover A two pronged approach that addresses how to manage your teenager while preparing them to become responsible adults How to have the talk with your teen without the awkwardness and embarrassment The warning signs of depression you need to watch out for in your child and what to do if you think your teenager is depressed Why you may not be the best person for your child to discuss some topics with and who you can reach out to for help instead The 10 helpful tips to oversee your child s technology and internet use without stepping over their privacy Relatable scenarios in each chapter that will guide you in your interactions with your child to reduce arguments and promote harmony The creative technique that will get your teen to do what you ask them to without raising your voice Why it s never too early to teach kids about budgeting and investing and how to give them the proper mindset as a foundation for a healthy relationship with money And much more As frustrating as it may be parenting teens doesn t need to be a constant struggle for power Your role as a parent is to make sure they have a loving family to come home to no matter what they ve done or what they re feeling In

just a few years your beloved baby will become an adult leaving your nest to build their own How ready they are to face the world will be affected by how you handle this critical stage in their lives Reach out to your teen and be the parent they need They need you now more than ever If you want to avoid years of conflict with your teen and set them up for future success and happiness then scroll up and click the Buy Now button right away
