beneath the surface Ruby's wholesome online persona masked a more tyrannical parenting style than anyone could have imagined. As the family's YouTube notoriety grew, so too did Ruby's delusions of righteousness. Fueled by the sadistic influence of relationship coach Jodi Hildebrandt, together they implemented an inhumane and merciless disciplinary regime. Ruby and Jodi were arrested in Utah in 2023 on multiple charges of aggravated child abuse. On that fateful day, Shari shared a photo online of a police car outside their home. Her caption had one word: Finally. For the first time, Shari will reveal the disturbing truth behind 8 Passengers and her family's devastating involvement with Jodi Hildebrandt's cultish life coaching program, ConneXions. No stone is left unturned as Shari exposes the perils of influencer culture and shares for the first time her battle for truth and survival in the face of her mother's cruelty. **Surviving Prism Prep** Keshawn Hunt, 2022-05-23

Congratulations to Khadir, Olivia, Amere, Valencia, and all the other students of Spade Valley High School. You have received your diploma, and what the world has deemed the minimum education required to live in human society. You have earned the right to pat yourself on the back because you memorized how to count, read, write, and problem solve. I'm probably not the first to tell you congratulations. I believe it would be safe to assume I'm not the first to bring up the favorite question everyone likes to ask after the ceremony: either "What's Next? More school or straight into the work force?" either/or. I can be sure that you will enter your next steps unprepared. I'm sure that this is the case because there has never been a school that has taught why. Why humans do what they do, and how did they get that way? The minimum 12 years to receive the ability of memorization, but never to memorize all actions, have a cause deeper than genetics. It is the norm. Never to memorize self-growth requires self-awareness or how to really value one's self without monetary value or diamond-like gems, but with the intellectual gems that build one's character and give them substance. There has never been a degree that guaranteed that you can will learn the knowledge that comes with mastering self-awareness, influences, upbringing, traumas, relationships, fears, and values. There has never been a ceremony that congratulates the graduates on learning the mental and physical tools of life and how to use them.
