Parenting Principles And Politics Of Parenthood:

Parenting Sidney Cornelia Callahan,1974 **Parenting: Principles and Politics of Parenthood** Sidney Cornelia Callahan,1973 **Working Parent Dilemma** Earl A. Grollman,1988-09-30 Based on interviews with one thousand school aged children whose parents were both employed outside the home The Working Parent Dilemma provides valuable ideas and strategies for parents facing the challenge of combining career and family life **National Library of Medicine Current Catalog** National Library of Medicine (U.S.),1971 **Parenting in a Multicultural Society** Mario D. Fantini,René Cárdenas,1980 The Law of Parenthood Claire Fenton-Glynn,2025-06-09 Adopting a comparative approach this incisive book brings together leading experts to analyse the regulation of parenthood across the globe It explores the ongoing re examination of the law of parenthood in light of societal and medical advances providing a detailed guide on how the law is responding to new and emerging challenges and how it has developed to adapt to modern family forms

Parenting Beliefs, Behaviors, and Parent-Child Relations Kenneth H. Rubin,Ock Boon Chung,2013-09-05 The purpose of this book is to present a rather simple argument Parents thoughts about childrearing and the ways in which they interact with children to achieve particular parenting or developmental goals are culturally determined Within any culture children are shaped by the physical and social settings within which they live culturally regulated customs and childrearing practices and culturally based belief systems The psychological meaning attributed to any given social behavior is in large part a function of the ecological niche within which it is produced Clearly it is the case that there are some cultural universals All parents want their children to be healthy and to feel secure However healthy and unhealthy at least in the psychological sense of the term can have different meanings from culture to culture *Parenthood in Modern Society* John Eekelaar,Petar Šarcevic,2023-12-04 The rights and obligations of parenthood are central to most people s lives Yet their form and substance are caught up in the great demographic social and economic changes of the late twentieth century In this book specialists from 22 countries examine fundamental issues confronting parenthood these include social and biological conceptions of parenthood the legal and moral obligations of parenthood the legal and scientific establishment of parentage rights to parenthood including inter country adoption the effects on parent child relationships of family change the role of the state in family life the position of minorities and children s rights They are viewed within a global context and integrated in a commentary which looks forward to the future evolution of the law *Parental Rights and Responsibilities* Stephen Gilmore,2017-07-05 This volume represents key scholarship on the issue of parental rights and responsibilities selected from a dense forest of literature The collection offers an overview of the subject and covers topics such as underlying rationales of who or what is a parent legal concepts of parent and their linkage the legal parent accommodating complexity the nature and scope of parental rights shared parental responsibility and parental rights and the state **Handbook of Parenting: Being and becoming a parent** Marc H. Bornstein,2002 Despite the fact that most people become parents and everyone who has

ever lived has had parents parenting remains a mystifying subject about which almost everyone has opinions but about which few people agree Striking permutations on the theme of parenting are emerging single parenthood blended families lesbian and gay parents and teen versus fifties first time moms and dads Divided into four volumes the Handbook of Parenting is concerned with different types of parents basic characteristics of parenting forces that shape parenting problems faced by parents and the practical sides of parenting Contributors have worked in different ways toward understanding all of these diverse aspects of parenting and look to the most recent research and thinking in the field to shed light on many topics every parent has wondered about Because development is too subtle dynamic and intricate to admit that parental caregiving alone determines the course and outcome of ontogeny

Resources in Education ,1997-07 *Same-Sex Parenting and the Best Interests Principle* Lydia Bracken,2020-03-26 Uses the concept of the best interests of the child to advocate for legal recognition of LGBT parenting

The Oxford Handbook of Family Policy Over the Life Course Mary Daly,Birgit Pfau-Effinger,Neil Gilbert,Douglas J. Besharov,2023 Drawing on a multidisciplinary group of experts from many countries this Handbook is intended to be a reference work that provides students and scholars in policy related disciplines a wide ranging perspective on the diverse ways that family policies respond to modern issues and trends over the life course The Handbook is divided into two main parts The first part offers a panoramic introduction to the setting and issues which contemporary family policies have been designed to address The second part and main body of the volume is organized around four benchmark periods that encompass the main stages of the family life cycle and social policies that are called into play during these stages

Conceptions of Parenthood Michael W. Austin,2007-01-01 Our parents often have a significant impact on the content of our beliefs the values we hold and the goals we pursue and becoming a parent can also have a similar impact on our lives In *Conceptions of Parenthood* Michael Austin provides a rigorous and accessible philosophical analysis of the numerous and distinct conceptions of parenthood and their implications for social political and personal life
