

A woman wearing a brown robe and a headscarf stands on a dirt path, with her arms outstretched in a gesture of welcome or joy. The path is surrounded by tall grass and wildflowers. The scene is captured in a warm, golden light, suggesting late afternoon or early morning. The image has a slightly grainy, vintage quality.

## Parenting The Prodigal:

**Parenting the Prodigal** S. Rutherford McDill, 1996 S Rutherford McDill Jr aims to help parents of prodigals survive and even flourish amidst their hurt and stress Through practical no nonsense and inspirational tips indebted to Jesus parable of the prodigal son Parenting the Prodigal shows some parents how to maintain their sanity in insane situations and others how to prevent the nightmare that could be approaching The Hurting Parent Margie M. Lewis, Gregg Lewis, 1988 This book helps Christian parents cope with children who reject the faith they have been taught and deal with times of pain and stress in relationships It is written by a mother and her son duo *Prayers for Parents of Prodigals* Linda Clare, 2020-01-21 Perfect for anyone navigating the often tumultuous journey of prodigals This will bring solace and much needed hope Mary DeMuth author of *Healing Every Day Where to Turn When You Love a Wayward Child* You know what your child needs most is love And you've given it to him over and over again You've done all you can to train up your child and yet you're left brokenhearted as you watch her choose a different path Parents who love their prodigal no matter what know that watching their child walk away can cause overwhelming guilt frustration and sadness Whether you're still waiting for your child's return or are navigating your relationship after he or she has come home this collection of topical prayers offers God's comfort wisdom and compassion Find encouragement in your journey with heartfelt prayers for faith hope forgiveness trust courage peace miracles grace As much as you love your prodigal you can rest in the blessed assurance that your heavenly Father loves your child even more **Parenting Prodigals** Phil Waldrep, 2001-09-25 Learn to apply six principles that will help bring your prodigal child back to God **Prodigal Parent Process** Douglas Weiss, 2021-07-15 *Loving a Prodigal* H. Norman Wright, 1999 Written for parents of a prodigal child this book provides understanding comfort and guidance Basing his advice on life experience Norm Wright helps parents get past the hurt and family stress The Prodigal Parent Ej Richards, 2021-04-24 I was sitting in church one Sunday reflecting on statements that were spoken by the pastor about his life and his walk with God In telling of his relationship with the Lord it was clear that he had been blessed with knowing Jesus most of his life He raised two sons in the church they've started lives of their own and have blessed the pastor with grandchildren I was struck by the contrast between his life and the lives of those of us who did not have that experience In fact some of us have traveled roads that greatly deviate from the path of this pastor I write this book for all the Prodigal Parents and their children Many parents have squandered opportunities and it is only later in life that we realize the most important things we could have taught our children The world is filled with men and women who would love to have the opportunity to do it over again regarding how they communicated Christ if they even communicated Christ to their children The book goes straight to what is important It emphasizes the urgency of knowing Jesus Christ as Lord and makes no apologies for imploring the reader to know Jesus Why wouldn't the book take that path As one who once was blind but now can see it only makes sense that a parent who has now been enlightened would tirelessly and ceaselessly communicate the

goodness of God the need of the Savior and the way of salvation It is never too late The Prodigal Parent will help many adult Christians tell their sons and daughters and grandchildren nieces and nephews what they wish they would have said when the children were still under their roofs In some cases parents may still have that opportunity [Prodigal Children](#) Robert D. teen through these years and reach the other side with relationships intact      Prayers for Parents of Prodigals Linda Clare, 2020-01-21 Perfect for anyone navigating the often tumultuous journey of prodigals This will bring solace and much needed hope Mary DeMuth author of *Healing Every Day Where to Turn When You Love a Wayward Child* You know what your child needs most is love And you've given it to him over and over again You've done all you can to train up your child and yet you're left brokenhearted as you watch her choose a different path Parents who love their prodigal no matter what know that watching their child walk away can cause overwhelming guilt frustration and sadness Whether you're still waiting for your child's return or are navigating your relationship after he or she has come home this collection of topical prayers offers God's comfort wisdom and compassion Find encouragement in your journey with heartfelt prayers for faith hope forgiveness trust courage peace miracles grace As much as you love your prodigal you can rest in the blessed assurance that your heavenly Father loves your child even more      Parenting: a Journey of Faith While Navigating the Detours Lucy Watani-Simiyu, 2021-07-30 Lucy Watani Simiyu walks you through the raw and ugly moments in parenting that come when tragedy first strikes She wrote this book after a season when nothing made sense and it felt like she'd been abandoned by God It was a time filled with anxiety and heartbreak and with many questions unanswered As she shares her story she gives you permission to not be a hero or be an unobtainable version of someone's faithful Christian highlight reel You can be right where you are moving toward freedom As you read In her parental journey and counselling sessions the experiential learning from thousands of parents raised many questions and gives answers to questions such as How can parents connect themselves to the very heart of God What message does God have for you as a parent Can children question their faith in God in a nerve wracking way to parents and yet continue to function sanely How can parents equip themselves with the truth of God's Word to keep sane and fulfill their ambassadorial calling What does it mean for a parent to have a well planned journey for a child You ask what do I do when my child makes the wrong choices How do I deal with contrary or counterculture What about parenting guilt Where is God in all this Filled with verses from Scripture examples from the Bible and practical insights from the author's own life experiences this book will help you combine grace truth and God's Word to find strength and help children overcome obstacles This book points you to the source of joy in your journey by pointing you to God's Word the truth that sets you free when the journey gets weary The blueprint still works not to make you guilty but to liberate you Maybe you are a parent who is paralyzed by fear of your child's choices You may be anxious hopeless and helpless about your child's future Perhaps you are weighed down by guilt and shame caught in a slump overwhelmed with regret trapped in a dead end parenting and numb from a child's choice You may be drowning in disappointment anger shame and unfilled spiritually so that God and his promises do not make sense Instead of tying our hope to specific outcomes let us connect ourselves to the very heart of God With compelling storytelling and sound scriptural backup this book gives you the biblical pathway to help you as a parent move beyond the pain of the present to a hope filled future      **When Parenting**

**Isn't Perfect** Jim Daly, 2017-06-27 Perfection is the enemy of parenting Jim Daly sees and hears from mothers and fathers trying hard to pursue perfection They listen to the best experts and read all the right books When someone gives them a World's Best Mom or No. 1 Dad coffee mug they want it to be true And they want their children to pursue perfection too It's admirable for parents to be the very best moms and dads they can be for their children But sometimes in so doing they leave grace behind both for themselves and their children Jim believes that our quest for perfection a quest that he believes is particularly strong among Christians runs counter to God's own boundless gift of grace We can become Pharisaical parents quoting endless rules and holding everyone to impossible standards But God doesn't want us and our kids don't need us to be perfect As parents we're called to simply do our best And when we fail which we will we're called to try again tomorrow Though he's the President of Focus on the Family Jim does not promise that his book will be a catalyst for a perfect family But it can help point the way toward a good family one that feels safe and warm one filled with love and laughter This book will encourage mothers and fathers to embrace the messiness of parenthood and show grace to their own less than ideal children Jim through his own experiences expertise and array of stories will lead both moms and dads to a better understanding of what being a good family is all about Parenting by Design Chris Groff, Michelle Groff, 2014-04-04

Raising children is no easy task No matter the child no matter the situation every parent longs for obedience from their offspring God isn't overbearing when He deals with us and His example is perfect There's no question that kids want truth and love as well as bonding and boundaries Because God understands the human condition He knows we learn best from hands on experience Jesus example and the Holy Spirit's empathetic examination of our hearts We're asking you to consider using the same parenting style with your children Parenting by Design offers a more relational approach to raising children relying less on rote obedience and more on walking with your children through their decision making development Forcing children to obey rarely works to build a healthy relationship that allows you to enter into their worlds and understand their decisions This book will help you parent with grace and love two key elements in motivating a child to obey **Parenting First Aid**

*Expendable* Barry Blackstone, 2021-12-27 Have you ever wondered why the best die young Who of us hasn't thought the same thing when we learn of the death of a young Christian with such potential when a fellow believer lives on to wreck his testimony the reputation of the local church and the cause of Christ Having been a pastor now for nearly fifty years I have had nearly a lifetime to ponder the word expendable in relationship to not only individuals but dreams and desires hopes and wishes events and expectations This concept of expendability came home to me years ago when I learned that my grandfather on my mother's side had a brother who died of an illness in his early twenties after only spending a year on the

mission field in Peru Over the portal to a special room that celebrates those that died young in the Hall of the Faithful in Heaven is found I believe this superscription EXPENDABLE I would like to share with you some of the biblical portraits that are hanging from those celestial walls for if you are looking for the answer to the question I asked I have come to believe it can only be found in the Bible

theocracy is ascendant in America and only through exploring its motivations and impacts can we understand the crisis we face In Wild Faith Lavin fearlessly confronts whether our democracy can survive an organized fervent theocratic movement one that seeks to impose its religious beliefs on American citizens
