Stigma, Storytelling, and Adolescent Parents' Children Eryn N. Bostwick, Amy Janan Johnson, 2023-01-09

In this book *Stigma Storytelling and Adolescent Parents Children* Nothing to Prove Eryn N Bostwick and Amy Janan Johnson utilize previous research to take an in depth look at how experiences with stigmatization and family storytelling influence how those born to teenage parents view themselves Bostwick and Johnson contend that historical stigmatization of adolescent parenthood manifests in a sense of self blame and guilt for their parents stigmatized status Additionally the authors assert that family experiences like stigmatization and economic struggle become filters that negatively influence how their children interpret stories their family members tell them Through exploring these stigmas the authors explore how they can rid themselves of this guilt and break free of their self imposed burden Scholars of communication sociology and psychology will find this book of particular interest

Connected Parenting Jennifer Kolari, 2009-05-14 Read Jennifer Kolari's posts on the Penguin Blog A groundbreaking counterintuitive parenting approach to create deep empathic bonds with challenging children A child and family therapist for more than twenty years Jennifer Kolari began her career working with children who suffer from severe behavioral problems That experience taught her an invaluable lesson It wasn't tough discipline that helped these kids change their behavior and build self esteem It was unending compassion and empathy Now Kolari applies these lessons in her work with all families teaching them how to take a non defensive stance through even the most heated moments Filled with heartfelt advice Connected Parenting helps parents set limits and change problem behaviors for good lower the child's anxiety level stop the endless battles over homework routines food and more learn how to keep cool in any situation Powerful and inspiring Connected Parenting includes incredible stories from families who have experienced miraculous transformations often in just a few weeks using Kolari's parenting approach It is a dynamic blueprint for bringing peace and loving connections into any family for life

Two Homes, One Childhood Robert E. Emery Ph.D., 2016-08-09 A paradigm shifting model of parenting children in two homes from an internationally recognized expert A researcher therapist and mediator Robert Emery Ph D details a new approach to sharing custody with children in two homes Huge numbers of children are affected by separation divorce cohabitation breakups and childbearing outside of marriage These children have two homes But their parents have only one chance to protect their childhood Building on his 2004 book *The Truth About Children and Divorce* and a strong evidence base including his own research Emery explains that a parenting plan that lasts a lifetime is one that grows and changes along with children's and families' developing needs Parents can and should work together to renegotiate schedules to best meet the changing needs of children from infancy through young adult life Divided into chapters that address the specific needs of children as they grow up Emery Introduces his Hierarchy of Children's Needs in Divorce Provides specific advice for successful parenting starting with infancy and reaching into emerging adulthood Advocates for joint custody but notes that children do not count minutes and neither should parents Highlights that there is only one side for parents to take in divorce the children's side Himself the father of five children one from his first marriage Emery brings a rare combination of personal and professional insight and guidance for every parent raising a child in two homes

We Are Family Susan Golombok, 2020-07-02 Our understanding of what makes a family has undergone a revolution in the last few decades from same sex parenthood to surrogacy and IVF But what has the impact been on children In *We Are Family* Professor Susan Golombok visits lesbian mothers gay fathers single parents co parents trans parents surrogates and donors and more importantly their children to find out if they are as well adjusted happy and emotionally stable as children from traditional nuclear families And she discovers that the answer is yes and sometimes even more so

Susan's work at the Centre for Family Research at Cambridge proves that any family set up can provide a loving secure home for a child although inevitably the children from these families will often face prejudiced attitudes from others Since the 1970s when she was first drawn to this area of research after reading about lesbian mothers whose children were being removed from their care Susan has worked tirelessly to challenge outdated attitudes and prevent families being split up for no good reason This book tells the stories of those families their struggles and their triumphs while celebrating love and family in all its wonderful variations

Embracing the Tune of Expression: An Emotional Symphony within **Parents And Children**

In a world used by monitors and the ceaseless chatter of instantaneous connection, the melodic elegance and mental symphony produced by the written word usually diminish into the back ground, eclipsed by the relentless noise and distractions that permeate our lives. However, nestled within the pages of **Parents And Children** a marvelous fictional treasure brimming with fresh feelings, lies an immersive symphony waiting to be embraced. Crafted by a masterful musician of language, this fascinating masterpiece conducts readers on an emotional journey, skillfully unraveling the hidden songs and profound influence resonating within each cautiously constructed phrase. Within the depths with this poignant assessment, we shall explore the book is central harmonies, analyze their enthralling writing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
