Parents Passing On The Faith:

Parents Passing on the Faith Carl K. Spackman, 1989 *Passing on the Faith* Merton P. Strommen, Dick Hardel, 2008

From the Introduction This book is about passing on the faith from generation to generation throughout the milestones of a person's life Faith is created and nurtured by the Holy Spirit through the Gospels The vision underlying the RADICAL model was developed in light of the theological principle that faith is formed by the Holy Spirit through personal trusted relationships often but not always in our own homes A youth and family ministry for the 21st century connects all the generations in the total ministry of the congregation and through the cross of Christ recognizes the work of the Holy Spirit shaping faith in all the circles of relationships This revised edition expands on the authors original model in an all new chapter on the circle of creation This edition has also been updated throughout in light of new ideas and research that have emerged during the past decade

Handing Down the Faith Christian Smith, Amy Adamczyk, 2020-07-02 A new examination of how and why American religious parents seek to pass on religion to their children The most important influence shaping the religious and spiritual lives of children youth and teenagers is their parents A myriad of studies show that the parents of American youth play the leading role in shaping the character of their religious and spiritual lives even well after they leave home and often for the rest of their lives We know a lot about the importance of parents in faith transmission However we know much less about the actual beliefs feelings and activities of the parents themselves what Christian Smith and Amy Adamczyk call the intergenerational transmission of religious faith and practice To address that gap this book reports the findings of a new national study of religious parents in the United States The findings and conclusions in *Handing Down the Faith* are based on 215 in depth personal interviews with religious parents from many traditions and different parts of the country and sophisticated analyses of two nationally representative surveys of American parents about their religious parenting *Handing Down the Faith* explores the background beliefs informing how and why religious parents seek to pass on religion to their children examines how parenting styles interact with parent religiousness to shape effective religious transmission shows how parents have been influenced by their experiences as children influenced by their own parents reveals how religious parents view their congregations and what they most seek out in a local church synagogue temple or mosque explores the experiences and outlooks of immigrant parents including Latino Catholics East Asian Buddhists South Asian Muslims and Indian Hindus Smith and Adamczyk step back to consider how American religion has transformed over the last 100 years and to explain why parents today shoulder such a huge responsibility in transmitting religious faith and practice to their children The book is rich in empirical evidence and unique in many of the topics it explores and explains providing a variety of sometimes counterintuitive findings that will interest scholars of religion social scientists interested in the family parenting and socialization clergy and religious educators and leaders and religious parents themselves

Handing Down the Faith Christian Smith, Amy Adamczyk, 2021 This book is about how American

religious parents approach the handing on of their religious practices and beliefs to their children We know a lot about the importance of parents in faith transmission and factors that influence its effectiveness But we know much less about the actual beliefs feelings and activities of the parents themselves when it comes to the intergenerational transmission of religious faith and practice *Networks for Faith Formation* Steve Emery-Wright, Ed Mackenzie, 2017-05-19 The spiritual formation of young people can often focus on encouraging their personal spiritual practices and perhaps linking them to a local youth group While both are important *Networks for Faith Formation* argues that a far wider set of relationships are needed to help faith grow The aim of *Networks for Faith Formation* is to describe and commend eight key networks relational bonds that nurture and nourish faith The eight networks are bedroom practices personal faith church family friends mentors small groups events and gatherings and mission and service The description of each network draws on biblical studies practical theology and the social sciences and practical ideas for helping young people engage with such networks are included throughout the book In a context where some overlook the complexity of spiritual formation *Networks for Faith Formation* is an important resource for church leaders youth ministers and parents seeking to help young people grow in faith Since relational bonds are key for people of any age it can also help all within the church understand the need for relationships in spiritual growth *Sacraments of the Christian Faith* Hugh of St. Victor, 1951 **Owning Faith** Ron Bruner, Dudley Chancey, 2017-01-10 More than ever young disciples want relationships with their parents and other adults *Owning Faith* helps older disciples understand how to honor and nurture relationships that last a lifetime Today s adolescents face an uphill climb as they seek to own their faith And while it s easy to think that what they really need is an expert *Owning Faith* lets you in on God s big secret what they need more than anything else is you *Owning Faith* is an accessible guide into the adventure filled spiritual journey of adolescents If you would like to learn how to be a wise and compassionate companion who can make an eternal difference in the lives of youth *Owning Faith* will show you how **The Navy Chaplain** , 1990 *NIV, Faith in Action Study Bible* Zondervan, 2011-06-28 The *Faith in Action Study Bible* provides you with a deeply rooted understanding of how Scripture applies to contemporary issues and personal growth You will discover the relationship between history culture and the biblical narrative and gain insight into the fact that God s heart for our world that transcends times and customs Designed in a highly readable passage by passage commentary style the footnotes of this Bible are its centerpiece There and Then notes shed light on the original context and significance of a passage and Here and Now notes help you see the relevance of the passage for your life and the world Also included are articles by respected Christian authors and Snapshots of individuals with a high impact faith who have embraced Christianity not only as a view of life but also a way of life Over 175 charts graphs and tables highlight thought provoking worldwide realities helping you evaluate your spiritual life and suggesting action impact steps to help you grow share and live your faith With a 16 page full color map section this eBook has been optimized for reading on color screens but will still function

Religious Parenting Christian Smith,Bridget Ritz,Michael Rotolo,2021-11-02 How do religiously observant American parents pass on their religion to their children Sociologist Christian Smith and his team sought to answer this question by interviewing over two hundred parents from across the U S affiliated with religious congregations of various types The book presents the voices of parents from diverse socioeconomic and religious backgrounds interested in passing on their religious convictions and practices to their children with the focus on why they think this matters and how they do it What Smith and his team found was surprising Almost all the parents interviewed whether Catholic Evangelical Jewish Muslim Mormon or Hindu and whether politically or theologically conservative or liberal view the transmission of religion in much the same way Most religious parents do not expect professional clergy and youth ministries to play a large role in imparting to young people a taste for continued religious affiliation and participation Rather they expect to do this work themselves viewing their children as ongoing projects Moreover very few of these religious parents regard what we might call the truth of religious claims beliefs in salvation or the trinity for example the afterlife heaven etc as important reasons for the centrality of religion in their lives and the lives of their children For nearly all including the most conservative religion is almost always about community morality and a sense of purpose all of which lead to a better quality of life for themselves and their children in the here and now Smith and his co authors ground their discussion of religious parenting in a broader set of theoretical claims about the way in which religious transmission occurs Drawing on cognitive anthropology and inspired by work in cognitive science the authors present and describe the background cultural models that American religious parents hold and use to inform their parenting

When Faith Is Shattered Gloria J. Lewis,2012-03 Prayers are worthless unless they are accompanied by faith Faith ignores all of our senses when it comes to believing what God says It is necessary to believe before we see hear taste or smell When we believe first it brings the miraculous into our reach Faith comes by hearing and hearing by the Word of God But what happens when all of the things you have heard and embraced through the Word of God to increase your faith seems to come crumbling down around you What happens when your prayers are not answered in the manner you desired How do you deal with the pain caused by the death of a loved one after you have trusted God wholeheartedly to heal them Has God forsaken you during the time you need him most How do you deal with your anger towards God How do you believe again when you feel that God has failed you In When Faith is Shattered you will find how to deal with even the most difficult times of your life when you feel that the Lord has forsaken you and there is no place else to turn

Hugh of Saint Victor on the Sacraments of the Christian Faith * Hugh of Saint Victor,2007-05-31 Counting Religion in Britain, 1970-2020 Clive D. Field,2021-12-09 Counting Religion in Britain 1970 2020 the fourth volume in the author s chronological history of British secularization sheds significant new light on the nature scale and timing of religious

change in Britain during the past half century with particular reference to quantitative sources Adopting a key performance indicators approach twenty one facets of personal religious belonging behaving and believing are examined offering a much wider range of lenses through which the health of religion can be viewed and appraised than most contemporary scholarship Summative analysis of these indicators by means of a secularization dashboard leads to a reaffirmation of the validity of secularization in its descriptive sense as the dominant narrative and direction of travel since 1970 while acknowledging that it is an incomplete process and without endorsing all aspects of the paradigmatic expression of secularization as a by product of modernization
