Paris Deluxe Place Vendome:

Paris Deluxe Alexis Gregory, 1997 In text and photographs Paris Deluxe traces the history of the Place Vendome from the square's beginnings as a high risk property speculation to its life in the twentieth century as Paris's center of fashion jewelry high finance and art a playground for international society that converges at the Paris Ritz undoubtedly still the most elegant expensive and comfortable hotel in the world The cast of extraordinary personalities who have left their marks on the square covers the spectrum from fashion and jewelry names like Coco Chanel Elsa Schiaparelli Frederic Worth Cartier Boucheron to financiers J P Morgan and John Law and every prominent name in art and high society Edward Prince of Wales the Vanderbilts Baroness Guy de Rothschild Lillie Langtry Rene Lalique and the Crozats whose art collection was bought by Diderot for Catherine the Great

Paris and Versailles Robert Colonna d'Istria, 2002

The Cartiers Francesca Cartier Brickell, 2021-06-08 A dynamic group biography studded with design history and high society dash This elegantly wrought narrative bears the Cartier hallmark The Economist The astounding Andr Leon Talley story of the family behind the Cartier empire and the three brothers who turned their grandfather's humble Parisian jewelry store into a global luxury icon as told by a great granddaughter with exclusive access to long lost family archives Ms Cartier Brickell has done her grandfather proud The Wall Street Journal The Cartiers is the revealing tale of a jewelry dynasty four generations from revolutionary France to the 1970s At its heart are the three Cartier brothers whose motto was Never copy only create and who made their family firm internationally famous in the early days of the twentieth century thanks to their unique and complementary talents Louis the visionary designer who created the first men's wristwatch to help an aviator friend tell the time without taking his hands off the controls of his flying machine Pierre the master dealmaker who bought the New York headquarters on Fifth Avenue for a double stranded natural pearl necklace and Jacques the globe trotting gemstone expert whose travels to India gave Cartier access to the world's best rubies emeralds and sapphires inspiring the celebrated Tutti Frutti jewelry Francesca Cartier Brickell whose great grandfather was the youngest of the brothers has traveled the world researching her family's history tracking down those connected with her ancestors and discovering long lost pieces of the puzzle along the way Now she reveals never before told dramas romances intrigues betrayals and more The Cartiers also offers a behind the scenes look at the firm's most iconic jewelry the notoriously cursed Hope Diamond the Romanov emeralds the classic panther pieces and the long line of stars from the worlds of fashion film and royalty who wore them from Indian maharajas and Russian grand duchesses to Wallis Simpson Coco Chanel and Elizabeth Taylor Published in the two hundredth anniversary year of the birth of the dynasty's founder Louis Francois Cartier this book is a magnificent definitive epic social history shown through the deeply personal lens of one legendary family

Architectural Space in Eighteenth-Century Europe Meredith Martin, 2017-07-05 Architectural Space in Eighteenth Century Europe Constructing Identities and Interiors explores how a diverse pan European group of eighteenth century patrons among them bankers bishops bluestockings and courtesans used

architectural space and decor to shape and express identity Eighteenth century European architects understood the client's instrumental role in giving form and meaning to architectural space In a treatise published in 1745 the French architect Germain Boffrand determined that a visitor could judge the character of the master for whom the house was built by the way in which it is planned decorated and distributed This interdisciplinary volume addresses two key interests of contemporary historians working in a range of disciplines one the broad question of identity formation most notably as it relates to ideas of gender class and ethnicity and two the role played by different spatial environments in the production not merely the reflection of identity at defining historical and cultural moments By combining contemporary critical analysis with a historically specific approach the book's contributors situate ideas of space and the self within the visual and material remains of interiors in eighteenth century Europe In doing so they offer compelling new insight not only into this historical period but also into our own

Paris de Luxe Alexis Gregory, 1997 A focus for fashion since its conception by Jules Hardouin Mansart First Architect to the Sun King Louis XIV the Place Vendôme in Paris has over the years been home to prestigious jewellers and couturiers perfumiers and financiers including Van Cleef Cartier and Schiaparelli as well as more infamous characters Those who have left their mark range from Coco Chanel and Frédéric Worth to Edward Prince of Wales the Vanderbilts and the Rothschilds

The Story of French New Orleans Dianne Guenin-Lelle, 2016-02-04 What is it about the city of New Orleans History location and culture continue to link it to France while distancing it culturally and symbolically from the United States This book explores the traces of French language history and artistic expression that have been present there over the last three hundred years This volume focuses on the French Spanish and American colonial periods to understand the imprint that French socio cultural dynamic left on the Crescent City The migration of Acadians to New Orleans at the time the city became a Spanish dominion and the arrival of Haitian refugees when the city became an American territory oddly reinforced its Francophone identity However in the process of establishing itself as an urban space in the Antebellum South the culture of New Orleans became a liability for New Orleans elite after the Louisiana Purchase New Orleans and the Caribbean share numerous historical cultural and linguistic connections The book analyzes these connections and the shared process of creolization occurring in New Orleans and throughout the Caribbean Basin It suggests French New Orleans might be understood as a trope for unscripted original Creole social and cultural elements Since being Creole came to connote African descent the study suggests that an association with France in the minds of whites allowed for a less racially bound and contested social order within the United States

Paris to New York Véronique Pouillard, 2021-05-04 Paris to New York shows how competition and cooperation between transatlantic designers and entrepreneurs built the groundwork of today's international fashion industry Véronique Pouillard tells the story of the fashion business as a negotiation between art and commerce and explores the complex relationship between these iconic fashion centers
