SEXUAL EQUALITY AND THE CRISIS
OF FRENCH UNIVERSALISM

Parite Sexual Equality And The Crisis Of French Universalism

Jennifer A. Selby

Parite Sexual Equality And The Crisis Of French Universalism:

Parité! Joan Wallach Scott, 2007-11-01 France today is in the throes of a crisis about whether to represent social differences within its political system and if so how It is a crisis defined by the rhetoric of a universalism that takes the abstract individual to be the representative not only of citizens but also of the nation In Parit Joan Wallach Scott shows how the requirement for abstraction has led to the exclusion of women from French politics During the 1990s le mouvement pour la parit successfully campaigned for women s inclusion in elective office with an argument that is unprecedented in the annals of feminism The paritaristes insisted that if the abstract individual were thought of as sexed then sexual difference would no longer be a relevant consideration in politics Scott insists that this argument was neither essentialist nor separatist it was not about women s special qualities or interests Instead parit was rigorously universalist and for that reason was both misunderstood and a source of heated debate

Parité! Joan Wallach Scott, 2005-12-01 France today is in the throes of a crisis about whether to represent social differences within its political system and if so how It is a crisis defined by the rhetoric of a universalism that takes the abstract individual to be the representative not only of citizens but also of the nation In Parit Joan Wallach Scott shows how the requirement for abstraction has led to the exclusion of women from French politics During the 1990s le mouvement pour la parit successfully campaigned for women s inclusion in elective office with an argument that is unprecedented in the annals of feminism The paritaristes insisted that if the abstract individual were thought of as sexed then sexual difference would no longer be a relevant consideration in politics Scott insists that this argument was neither essentialist nor separatist it was not about women s special qualities or interests Instead parit was rigorously universalist and for that reason was both misunderstood and a source of heated debate

The Impact of Gender Quotas Susan Franceschet, Mona Lena Krook, Jennifer M. Piscopo, 2012-03-02 The Impact of Gender Quotas is a theory building and comparative exercise in elaborating concepts commonly used to analyze the broad impacts of gender quotas Using a conceptual framework based upon descriptive substantive and symbolic dimensions of representation the book presents case studies from twelve countries in Western Europe Latin America Sub Saharan Africa and Asia

Sex & Secularism Joan Wallach Scott, 2017-10-16 How secularism has been used to justify the subordination of women Joan Wallach Scott s acclaimed and controversial writings have been foundational for the field of gender history With Sex and Secularism Scott challenges one of the central claims of the clash of civilizations polemic the false notion that secularism is a guarantee of gender equality Drawing on a wealth of scholarship by second wave feminists and historians of religion race and colonialism Scott shows that the gender equality invoked today as a fundamental and enduring principle was not originally associated with the term secularism when it first entered the lexicon in the nineteenth century In fact the inequality of the sexes was fundamental to the articulation of the separation of church and state that inaugurated Western modernity Scott points out that Western nation states imposed a new order of women s subordination assigning them to a feminized familial

sphere meant to complement the rational masculine realms of politics and economics. It was not until the question of Islam arose in the late twentieth century that gender equality became a primary feature of the discourse of secularism. Challenging the assertion that secularism has always been synonymous with equality between the sexes, *Sex and Secularism* reveals how this idea has been used to justify claims of white Western and Christian racial and religious superiority and has served to distract our attention from a persistent set of difficulties related to gender difference ones shared by Western and non-Western cultures alike. *Secular Sensibilities* Jennifer A. Selby, 2025-05-06 How do secular politics work to manage the emotional affective and embodied nature of religion in the public sphere? Drawing on an expansive transnational ethnography in France and Canada and assessing contemporary French and Québecois governmental legislation on secularism and immigration, Jennifer Selby considers expectations for secular bodies and sensibilities among men and women of Algerian origin. In her subjects' evocative narratives of longing and belonging, Selby charts how secular sensibilities emerge in marriage, partner preferences, family relationships, rituals, dress, and more. Selby reveals how these sensibilities develop and respond to legal and other forms of state authority with legacies of colonialism in France and Québec playing a substantial role. In demonstrating how secularism is expressed and experienced around intimate relationships and civil marriage, Selby persuasively argues that romance is a crucial contact zone for the politics of secularism. Her study invites readers to wrestle with their own entanglements in state and cultural expectations of secular bodies and the liberal fictions of separation between the religious and public spheres.

Reinventing the Republic Catherine Raissiguier, 2010-06-03 Early one morning in 1996 the sanctuary of a Parisian church was suddenly disrupted by a police raid. A group of undocumented immigrant families had taken refuge in the church under threat of deportation due to the French state's increasingly restrictive immigration policies. Rather than disperse and hide, these *sans papiers* people literally without papers came together to bring to light the deep contradictions in the French state's immigration policies and practices. *Reinventing the Republic* chronicles the struggle of the *sans papiers* to become rights-bearing citizens and links different social movements to reveal the many ways in which concepts of citizenship and nationality intersect with debates over gender, sexuality, and immigration. Drawing on in-depth interviews and a variety of texts, this disquieting book provides new insights into how exclusion and discrimination operate and influence each other in the world today.

The Risky Business of French Feminism Jennifer L. Sweatman, 2014-08-26 *The Risky Business of French Feminism: Publishing, Politics, and Artistry* examines the institutional history of the publishing house Editions des Femmes as well as its relationship to the French Women's Liberation Movement (MLF) from 1972 to the present. The founding and subsequent success of Editions des Femmes in the publishing milieu intensified the ideological divisions within the MLF and highlighted the extent to which that movement failed to adequately reflect on the power inherent in its recourse to print culture as an agent of change. In particular, Editions des Femmes produced several periodical publications and pioneered a woman-centered subculture that attached militant

political meanings to the practice of buying and publishing books While the MLF succeeded in changing legislation detrimental to women it was not able to create unified cultural politics or construct a long term media strategy that could preserve the movement s original ideals and unity Jennifer L Sweatman explores the long term dissipation of the MLF as a unified force not only as an outcome of ideological disagreement but also due to conflicting views on culture women s creativity as a strategy for empowerment and the utility of media for creating change As the MLF fragmented unable to fully come to terms with its various consumer identities its need for capital to support creative projects and its difficult experience with collective decision making the Editions des Femmes project was seen as incredibly controversial However Editions des Femmes embodied a broader strategy for cultural transformation that privileged women s creative works rather than feminism situating it as a successful forerunner of the revitalization of the publishing industry from below as small independent houses challenged the large media conglomerate control of the industry

Questioning French Secularism Jennifer Selby, 2016-04-06 Based on extensive ethnographic fieldwork this book examines how contemporary secularism in France is positioned as a guarantor of women s rights Selby argues that the complex fetishization of headscarves in public governmental and feminist French discourse positions publicly visible Muslim women in ways that obscure their engagement with la cit French secularism

Only Muslim Naomi Davidson, 2012-08-15 The French state has long had a troubled relationship with its diverse Muslim populations In *Only Muslim* Naomi Davidson traces this turbulence to the 1920s and 1930s when North Africans first immigrated to French cities in significant numbers Drawing on police reports architectural blueprints posters propaganda films and documentation from metropolitan and colonial officials as well as anticolonial nationalists she reveals the ways in which French politicians and social scientists created a distinctly French vision of Islam that would inform public policy and political attitudes toward Muslims for the rest of the century Islam fran ais French Muslims were cast into a permanent otherness that functioned in the same way as racial difference This notion that one was only and forever Muslim was attributed to all immigrants from North Africa though in time Muslim came to function as a synonym for Algerian despite the diversity of the North and West African population Davidson grounds her narrative in the history of the Mosqu e de Paris which was inaugurated in 1926 and epitomized the concept of Islam fran ais Built in official gratitude to the tens of thousands of Muslim subjects of France who fought and were killed in World War I the site also provided the state with a means to regulate Muslim life throughout the metropole beginning during the interwar period Later chapters turn to the consequences of the state s essentialized view of Muslims in the Vichy years and during the Algerian War Davidson concludes with current debates over plans to build a Muslim cultural institute in the middle of a Parisian immigrant neighborhood showing how Islam remains today a marker of an unassimilable difference

Reproducing the French Race Elisa Camiscioli, 2009-09-18 In *Reproducing the French Race* Elisa Camiscioli argues that immigration was a defining feature of early twentieth century France and she examines the political cultural and social issues implicated in

public debates about immigration and national identity at the time Camiscioli demonstrates that mass immigration provided politicians jurists industrialists racial theorists feminists and others with ample opportunity to explore questions of French racial belonging France's relationship to the colonial empire and the rest of Europe and the connections between race and national anxieties regarding depopulation and degeneration She also shows that discussions of the nation and its citizenry consistently returned to the body its color and gender its expenditure of labor power its reproductive capacity and its experience of desire Of paramount importance was the question of which kinds of bodies could assimilate into the French race By focusing on telling aspects of the immigration debate Camiscioli reveals how racial hierarchies were constructed how gender figured in their creation and how only white Europeans were cast as assimilable Delving into pronatalist politics she describes how potential immigrants were ranked according to their imagined capacity to adapt to the workplace and family life in France She traces the links between racialized categories and concerns about industrial skills and output and she examines medico hygienic texts on interracial sex connecting those to the crusade against prostitution and the related campaign to abolish white slavery the alleged entrapment of white women for sale into prostitution abroad Camiscioli also explores the debate surrounding the 1927 law that first made it possible for French women who married foreigners to keep their French nationality She concludes by linking the Third Republic's impulse to create racial hierarchies to the emergence of the Vichy regime

An Analysis of Joan Wallach Scott's Gender and the Politics of History Pilar Zazueta, Etienne Stockland, 2017-07-05 In His book Gender and the Politics of History 1998 Scott draws attention to the fact that despite gender equality's long term recognition there has been no genuinely revolutionary change unlike economic social and class inequalities

Gender and French Identity after the Second World War, 1944-1954 Kelly Ricciardi Colvin, 2017-09-07 The enfranchisement of women in Charles de Gaulle's France in 1944 is considered a potent element in the nation's self crafted triumphant World War Two narrative the French conquered by the Germans valiantly resisted until they rescued themselves and built a new democracy honoring France's longstanding liberal traditions Kelly Ricciardi Colvin's Gender and French Identity after the Second World War 1944 1954 calls that potent element into question By analyzing a range of sources including women's magazines trials memoirs and spy novels this book explores the ways in which culture was used to limit the power of the female vote It exposes a wide network of constructed behavioral norms that supported a conservative vision of French identity Taken together they depicted men as virile Resisters for French democracy and history and women as solely domestic support Indeed Colvin shows that women's access to the vote emerged alongside an explosion of cultural messages that encouraged them to retreat into the home to find mates to have millions of beautiful babies in the words of de Gaulle and not to challenge patriarchy in any way This is a vital study for understanding the nature of postwar France and women's history in 20th century Europe

Debating the Woman Question in the French Third Republic, 1870-1920 Karen Offen, 2018-01-11 Karen Offen offers a magisterial reconstruction and analysis of the debates around relations between

women and men how they are constructed and how they should be organized that raged in France and its French speaking neighbors from 1870 to 1920 The woman question encompassed subjects from maternity and childbirth and the upbringing and education of girls to marriage practices and property law the organization of households the distribution of work inside and outside the household intimate sexual relations religious beliefs and moral concerns government sanctioned prostitution economic and political citizenship and the politics of population growth The book shows how the expansion of economic opportunities for women and the drop in the birth rate further exacerbated the debates over their status roles and possibilities With the onset of the First World War these debates were temporarily placed on hold but they would be revived by 1916 and gain momentum during France's post war recovery **Islam in the West** Max Farrar, Yasmin Valli, 2012-06-29 This book contributes to understanding of the contemporary relationship between Muslims and the Western societies in which they live focusing particularly on the UK Chapters reflect on the nature of multiculturalism as well as a wide range of specific aspects of daily life including religious dialogue gender freedom of speech and politics **Desire** Anna Clark, 2019-03-28 A sweeping survey of sexuality in Europe from the Greeks to the present Desire A History of European Sexuality follows changing attitudes to two major concepts of sexual desire desire as dangerous polluting and disorderly and desire as creative transcendent even revolutionary through the major turning points of European history Chronological in structure and wide ranging in scope Desire addresses such topics as sex in ancient Judaism Christianity and Islam sexual contact and culture clash in Spain and colonial Mesoamerica new attitudes toward sexuality in the seventeenth and eighteenth centuries and sex in Bolshevik Russia and Nazi Germany The book introduces the concept of twilight moments to describe activities seen as shameful or dishonorable but which were tolerated when concealed by shadows and integrates the history of heterosexuality with same sex desire as well as exploring the emotions of love and lust as well as the politics of sex and personal experiences This new edition has been updated to include a new chapter on sex and imperialism and expanded discussions of Islam and trans issues Drawing on a rich array of sources including poetry novels pornography and film as well as court records autobiographies and personal letters and written in a lively engaging style Desire remains an essential resource for scholars and students of the history of European sexuality as well as women's and gender history social and cultural history and LGBTQ history **Nature and Nurture in French Social Sciences, 1859-1914 and Beyond** Martin S. Staum, 2011-10-07 The prevailing assumption has been that French ethnographers highlighted the cultural and social environment while anthropologists emphasized the scientific study of head and body shapes Martin Staum shows that the temptation to gravitate towards one pole of the nature nurture continuum often resulted in reluctant concessions to the other side Psychologists Thodule Ribot and Alfred Binet for example were forced to recognize the importance of social factors Non Durkheimian sociologists were divided on the issue of race and gender as progressive and tolerant attitudes on race did not necessarily correlate with flexible attitudes on gender Recognizing this allows Staum to raise questions about the theory of

the equivalence of all marginalized groups Anthropological institutions re organized before the First World War sometimes showed decreasing confidence in racial theory but failed to abandon it completely Staum s chilling epilogue discusses how the persistent legacy of such theories was used by extremist anthropologists outside the mainstream to deploy racial ideology as a basis of persecution in the Vichy era *The Aesthetics of Hate* Sandrine Sanos,2012-10-24 *The Aesthetics of Hate* examines the writings of a motley collection of interwar far right intellectuals showing that they defined Frenchness in racial gendered and sexual terms A broad ambitious cultural and intellectual history the book offers a provocative reinterpretation of a topic that has long been the subject of controversy In works infused with rhetorics of abjection disgust and dissolution such writers as Maulnier Brasillach C line and Blanchot imagined the nation through figures deemed illegitimate or inferior Jews colonial subjects homosexuals women Sanos argues that these intellectuals offered an aesthetics of hate reinventing a language of far right nationalism by appealing to the realm of beauty and the sublime for political solutions By acknowledging the constitutive relationship of antisemitism and colonial racism at the heart of these canonical writers nationalism this book makes us rethink how aesthetics and politics function how race is imagined and defined how gender structured far right thought and how we conceive of French intellectualism and fascism **Sexing the Citizen** Judith Surkis,2018-07-05 How did marriage come to be seen as the foundation and guarantee of social stability in Third Republic France In *Sexing the Citizen* Judith Surkis shows how masculine sexuality became central to the making of a republican social order Marriage Surkis argues affirmed the citizen s masculinity while also containing and controlling his desires This ideal offered a specific response to the problems individualism democratization and rapid technological and social change associated with France s modernity This rich wide ranging cultural and intellectual history provides important new insights into how concerns about sexuality shaped the Third Republic s pedagogical projects Educators political reformers novelists academics and medical professionals enshrined marriage as the key to eliminating the risks of social and sexual deviance posed by men especially adolescents bachelors bureaucrats soldiers and colonial subjects Debates on education reform and venereal disease reveal how seriously the social policies of the Third Republic took the need to control the unstable aspects of male sexuality Surkis s compelling analyses of republican moral philosophy and Emile Durkheim s sociology illustrate the cultural weight of these concerns and provide an original account of modern French thinking about society More broadly *Sexing the Citizen* illuminates how sexual norms continue to shape the meaning of citizenship *Unveiling the French Republic: National Identity, Secularism, and Islam in Contemporary France* Per-Erik Nilsson,2017-10-23 The Islamic Veil Affairs 2003 4 and 2009 2011 which led to the banning of Muslim girls wearing Islamic headscarves in French public schools and women wearing full face veils in public have raised serious concerns about the relationship between secularism and the freedom of religious expression In *Unveiling the French Republic National Identity Secularism and Islam in Contemporary France* Per Erik Nilsson engages in a careful critical analysis of the Veil Affairs His critique for the most part is not on the

decision of Muslim women to wear the veil but rather on the misuse of secular ideology to justify religious intolerance and mask ethnic prejudice

The Virtues of Violence Kevin Duong, 2020-03-19

If democracy liberates individuals from their inherited bonds what can reunite them into a sovereign people

In *The Virtues of Violence* Kevin Duong argues that one particular answer captivated modern French thinkers popular violence as social regeneration

In this tradition of political theory the people's violence was not a sign of anarchy or disorder

Instead it manifested a redemptive power capable of binding and repairing a society on the cusp of social disintegration

This was not a fringe view of French democracy at the time but central to its momentous development

Duong analyzes the recurring role of the people's redemptive violence across four historical moments the French Revolution the imperial conquest of Algeria the Paris Commune and the years leading up to World War I

Bringing together democratic theory and intellectual history he reveals how political thinkers across the spectrum proclaimed that violence by the people could repair the social fabric even as they experienced democratization as social disintegration

The path from an anarchic multitude to an organized democratic society required the virtuous expression of violence by the people not its prohibition

Duong's book urges us to reject accounts that view redemptive violence as an antidemocratic pathology

It challenges the long held view that popular violence is a sign of anarchy or disorder

As shocking and unsettling as redemptive violence could be it appealed to thinkers across the spectrum because it answered a fundamental dilemma of political modernity how to replace the severed bonds of the old regime with a superior democratic social bond

The Virtues of Violence argues we do not properly understand modern democracy unless we can understand why popular redemptive violence could be invoked on its behalf

Parite Sexual Equality And The Crisis Of French Universalism Introduction

In today's digital age, the availability of Parite Sexual Equality And The Crisis Of French Universalism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Parite Sexual Equality And The Crisis Of French Universalism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Parite Sexual Equality And The Crisis Of French Universalism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Parite Sexual Equality And The Crisis Of French Universalism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Parite Sexual Equality And The Crisis Of French Universalism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Parite Sexual Equality And The Crisis Of French Universalism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Parite Sexual Equality And The Crisis Of French Universalism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions

have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Parite Sexual Equality And The Crisis Of French Universalism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Parite Sexual Equality And The Crisis Of French Universalism books and manuals for download and embark on your journey of knowledge?

FAQs About Parite Sexual Equality And The Crisis Of French Universalism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Parite Sexual Equality And The Crisis Of French Universalism is one of the best book in our library for free trial. We provide copy of Parite Sexual Equality And The Crisis Of French Universalism in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Parite Sexual Equality And The Crisis Of French Universalism. Where to download Parite Sexual Equality And The Crisis Of French Universalism online for free? Are you looking for Parite Sexual Equality And The Crisis Of French Universalism PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check

another Parite Sexual Equality And The Crisis Of French Universalism. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Parite Sexual Equality And The Crisis Of French Universalism are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Parite Sexual Equality And The Crisis Of French Universalism. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Parite Sexual Equality And The Crisis Of French Universalism To get started finding Parite Sexual Equality And The Crisis Of French Universalism, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Parite Sexual Equality And The Crisis Of French Universalism So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Parite Sexual Equality And The Crisis Of French Universalism. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Parite Sexual Equality And The Crisis Of French Universalism, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Parite Sexual Equality And The Crisis Of French Universalism is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Parite Sexual Equality And The Crisis Of French Universalism is universally compatible with any devices to read.
