This lively history adds a new dimension to our understanding of 18th century France by exploring the Parisian fashion of importing exotic animals American Historical Review In 1775 a visitor to Laurent Spinacuta s Grande M nagerie at the annual winter fair in Paris would have seen two tigers several kinds of monkeys an armadillo an ocelot and a condor in all forty two live animals In the streets of the city one could observe performing elephants and a fighting polar bear Those looking for unusual pets could purchase parrots flying squirrels and capuchin monkeys The royal menagerie at Versailles displayed lions cranes an elephant a rhinoceros and a zebra which in 1760 became a major court attraction For Enlightenment era Parisians exotic animals piqued scientific curiosity and conveyed social status Their variety and accessibility were a boon for naturalists like Buffon author of Histoire naturelle Louis XVI use his menagerie to demonstrate

his power while critics saw his caged animals as metaphors of slavery and oppression In her engaging account Robbins considers nearly every aspect of France s obsession with exotic fauna from the animals transportation and care to the inner workings of the oiseleurs birdsellers guild Based on wide ranging research *Elephant Slaves and Pampered Parrots* offers a major contribution to the history of human animal relations eighteenth century culture and French colonialism **Parrots and Monkeys** Author of *The knights of the frozen sea*, Parrots, Seeley Jackson & Halliday, 1879 [Pick Up Your Parrots and Monkeys](#) William Pennington, 2004 Pick up your parrots and monkeys and fall in facing the boat was the traditional last order given to a detachment of British soldiers heading home from India William Pennington heard it from the old salts he met on the docks as he arrived in India at the age of 15 Enlisted as a boy soldier a bugler in the horse artillery he served in the 1930s when the British Army in India was little changed from that described by Kipling Pennington s compelling description of army life in the last days of the Raj is followed by an equally moving account of his experiences in the Burma campaign Promoted from the ranks he fought the Japanese as an artillery officer specialising in forward observation the most dangerous job in the jungle **The Sisters of Lady Jane Grey and Their Wicked Grandfather** Richard Davey, 1911
