Pious Citizens Monica M. Ringer, 2011-12-13 In Pious Citizens Ringer tells the story of a major intellectual revolution in nineteenth and early twentieth century India and Iran one that radically transformed the role of religion in society At this time key theological debates revolved around Zoroastrianism s capacity to generate progress and civilization Armed with both the destructive and creative capacities of historicism reformers reevaluated their own religious tradition molding Zoroastrian belief and practice according to contemporary ideas of rational religion and its potential to create pious citizens Ringer demonstrates how rational and enlightened religion characterized by social responsibility and the interiorization of piety was understood as essential for the development of modern individuals citizens new public space national identity and secularism She argues persuasively that reformers believed not only that social reform must be accompanied by religious reform but that it was in fact a product of religious reform Pious Citizens offers new insights into the theological premises behind the promotion of secularism the privatization of religion and the development of new national identities Ringer s work also explores growing connections between the Iranian and Indian Zoroastrian communities and the revival of the ancient Persian past **The Parsi Religion** Dadabhai Naoroji, 1889 *The Harvard Theological Review* , 1922 **The Expository Times** , 1918 **History of the Parsis, Including Their Manners, Customs, Religion, and Present Position** Dosabhai Framji Karaka, 1884 **The Parsee Religion** Dadabhai Naoroji, 1862 The Religious System of the Parsis Sir Jivanji Jamshedji Modi, 1893 *Journal* Iranian Association, 1912 **Women of Christianity, exemplary for acts of piety and charity ... with portraits** Julia KAVANAGH, 1852 The Good Parsi Tanya M. Luhrmann, 1996 During the Raj one group stands out as having prospered because of British rule the Parsis The Zoroastrian people adopted the manners dress and aspirations of their British colonizers and were rewarded with high level financial mercantile and bureaucratic posts Indian independence however ushered in their decline *Journal* , 1924 Includes the Institute s Annual report 1921 1933

Neely's History of the Parliament of Religions and Religious Congresses at the World's Columbian Exposition Walter Raleigh Houghton, 1894 History of the Parsis Including Their Manners, Customs, Religion and Present Position Karaka, 1884 **History of the Parsis** Dosabhai Framji Karaka, 1884 Zoroastrianism in India and Iran Alexandra Buhler, 2024-09-19 In the nineteenth century a number of Zoroastrians emigrated from Iran to India The subsequent

importance of the cultural religious and political ties between the Zoroastrian communities of Iran and the Zoroastrian communities of India has long been recognised But despite this there has been little scholarly attention paid to the changing dynamics of this transnational relationship This book examines the Zoroastrian community in the late Qajar and early Pahlavi period beyond the borders of Iran to trace this Parsi Persian relationship A major theme is the increase in philanthropy directed to the Zoroastrians of Iran by the Parsis and the involvement of the British in encouraging Parsi feelings of patriotism towards Iran The book shows that not only were Parsis affected by events taking place in Iran they also contributed to the broader change in attitudes towards Zoroastrians in that country Using a variety of original sources from Britain India and Iran Alexandra Buhler looks at the political legal and social position of Zoroastrians in Iran and how different events impacted their attitudes as well as the attitudes of Parsis towards their ancestral homeland Of particular significance this book shows are the seminal years of the Iranian Constitutional Revolution 1906 11 and the rise in the glorification of the pre Islamic past which culminated in the state nationalism expounded by Reza Shah These political moments had a profound impact on how Zoroastrians in India felt about their future in the country and reveal a complex web of relations between the Parsis the Zoroastrians of Iran and the British
