reproduce almost explosively and as winter approaches they retreat south along with their offspring to return to the Arctic the following spring This remarkable pattern of movement and activity has been the object of intensive study by an international team of ornithologists who have spent a decade counting surveying and observing these shorebirds In this important synthetic work they address multiple questions about these migratory bird populations How many birds occupy Arctic ecosystems each summer How long do visiting shorebirds linger before heading south How fecund are these birds Where exactly do they migrate and where exactly do they return Are their populations growing or shrinking The results of this study are crucial for better understanding how environmental policies will influence Arctic habitats as well as the far ranging winter habitats used by migratory shorebirds Alaska Natural Gas Transportation System ,1976 *Overview* United States. Mattson,2019-08-01 Online bullying has become a catchphrase for our day No longer the traditional bullying in the schoolyard it casts a much wider net In *The Sharpies* the stereotypes of bully and victim are far more nuanced When a violent act occurs suspicion is cast on all the characters for nothing is as simple as it appears A documentary crew descends on a suburban city in Ohio centering on four young women who d been dubbed the Sharpies ten years before The interviews disclose the story of three close friends Andi Shaye and Phoebe who come across a new girl Mabel Andi is sharp witted Shaye dramatic and beautiful and Phoebe kind and welcoming Mabel is poor from a dysfunctional family and craves their friendship They attend the same church and Phoebe invites Mabel to their youth activities Andi and Shaye soon resent the time Mabel spends with Phoebe and becomes suspicious of the attention she demands of her Throughout the summer tensions rise Mabel relishes the comforts of the Doon family while Andi considers her manipulative and strange When school begins things only erode further Phoebe becomes wary of Mabel as she continues to dominate but for the most part they view her as harmless Yet when the girls are sent to the principal s office with evidence of photos posted from Phoebe s computer and then later a violent crime it begins the onslaught of public opinion and criminal charges Andi is as passionate about Phoebe s innocence as Mabel is about her own Also dispersed are recollections from the youth pastor a police investigator and school officials which cast enough doubt about who the real culprit is There are those who know more to story and those who are willfully blinded to the truth
