Partial To Home A Memoir Of The Heart:

A Gift of Angels Jerry Bledsoe, 2017-09-04 Critics proclaimed Jerry Bledsoe's bestseller *The Angel Doll* an instant classic and a family treasure. It sold more than 110 000 copies in hardcover, was excerpted in *Good Housekeeping*, selected by The Literary Guild, Doubleday Book Club and Crossings Book Club, and was made into a Lifetime movie. In *The Angel Doll* we met Whitey Black who despite his poverty sets out to get an angel doll for his four year old sister because she loves *The Littlest Angel* story so much. Although his sister doesn't live to see her doll, we learn of another angel who many years later gives angel dolls to children in terminal hospital wards each Christmas. In this deeply moving sequel to *The Angel Doll* Bledsoe tells the rest of the story and brings the characters full circle to the present day. A story of friendship, love and giving, it is certain to bring tears to the eyes of all who read it, even if they never heard of *The Angel Doll*. *Do-Good Boy* Jerry

Bledsoe, 2017-07-05 In 1960 at age 18, future bestselling author Jerry Bledsoe, *Bitter Blood*, *The Angel Doll*, told an Army recruiter that he wanted to be an artist. This was his lucky day; the recruiter informed him The Army had the best art school in the world. But after being sworn in, Bledsoe was pulled aside by a major and informed that no Army art school existed. He was being assigned instead to Information School. Although Bledsoe, who had flunked high school English for failure to write book reports and term papers, had no idea what this unexpected decision entailed, it would set the direction for the rest of his life. Bledsoe limits this warm, deeply personal and often humorous memoir to the turbulent 60s which he began as a psychological warfare writer in the early stages of the Vietnam War. His Army experiences led him to become a newspaper reporter and columnist, thrusting him into the major stories of the decade and leading him to meet and write about hosts of remarkable and engaging people, including a relatively unknown musician named Jimi Hendrix who was opening for the Monkees, comedy legend Brother Dave Gardner, and civil rights leader Ben Elton Cox. From moments of true Catch 22 absurdities in the Army to historic events of the civil rights movement, *Do Good Boy* gives its readers an insider's view as a young author discovers his calling. *Contemporary Authors New Revision* Pamela Dear, 2000-07 In response to the escalating need for up to date information on writers, *Contemporary Authors New Revision Series* brings researchers the most recent data on the world's most popular authors. These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original *Contemporary Authors* entries. Domingo Martinez, 2014-11-18 With his trademark tragic-comical voice and arresting storytelling, Domingo Martinez once again delivers a deeply personal memoir full of wry asides and poignant, thoughtful reflections in his new book *My Heart Is a Drunken Compass*. His first book shockingly ended with his fiancé Stephanie plummeting off the side of an overpass in Seattle after having a seizure while driving. He now chronicles this painful episode in his life with flashbacks to their tenuous

romantic relationship and how her accident and subsequent coma ultimately causes him to unravel emotionally This pivotal moment which began with an alarming call in the middle of the night parallels another gut wrenching experience from the past when his youngest brother's life hangs in the balance Martinez once again brilliantly examines the complicated connections between family friends and loved ones Feeling estranged from his family in Texas over the years isolated and alone in Seattle he turns to writing as a therapeutic tool The underlying themes of addiction and recovery and their powerful impact on family dynamics also emerge within the narrative as he struggles with his inner demons These two traumatic life events actually bring Martinez closer to the family that he has in many ways spend years trying to deny strengthening their bonds and healing old wounds When Martinez falls apart completely he finds his family his redemption and a new beginning with the love of his life who encourages him to write his way out of the pain in order to save his own life Memoirs of Lucretia Crocker and Abby W.
