Reiter, 1993     Parties and Elections in America Louis Sandy Maisel, Kara Z. Buckley, 2005 Thoroughly revised and updated the fourth edition of this classic text is still the most comprehensive and readable text available Covering all aspects of the electoral process from historical roots to election year 2004 the authors bring life to parties long declared dead and first hand experience running for office to the sometimes grueling campaign trail Visit our website for sample chapters     **Labor and Farmer Parties in the United States, 1828-1928** Nathan Fine, 1928     **Political Parties in the United States** Jacob Harris Patton, 1896     Political Parties and Party Problems in the United States James Albert Woodburn, 1906     **Readings on Parties and Elections in the United States** Chester Lloyd Jones, 1912     **American Government and Citizenship** Charles Emanuel Martin, William Henry George, 1927     Empowering Progressive Third Parties in the United States Jonathan H. Martin, 2015-11-19 This ground breaking collection of writings explores how progressive third parties in the U S can become more electorally successful and politically influential It is the only recently published book that focuses exclusively on how such parties may advance Their rise may be essential to countering the powerful growing sway of wealth within the two major American parties and to creating a more just democratic United States Contributors include key participants in and observers of the U S left third party movement Nearly all have previously authored books or articles on progressive politics Many have led effective left third party efforts and some have held elected office on behalf of a progressive third party Together the writers reflect on a wide range of relevant parties including the Green Party the Vermont Progressive Party the Labor Party the Working Families Party Socialist Alternative and potential new parties on the American left The authors highlight a variety of strategies and conditions that may facilitate electoral breakthroughs by such parties and their candidates Overall the collection suggests that U S progressive third parties may make more headway if they thoughtfully combine their idealism and sense of urgency with a flexible pragmatic approach to gaining power     **American Parties and Politics** Harold Rozelle Bruce, 1927     **Report ... to Inquire ...
