Partisan Imperative The Dynamics Of American Politics Before The Civil War

Thomas Blake Earle

Partisan Imperative The Dynamics Of American Politics Before The Civil War:

The Partisan Imperative Joel H. Silbey, 1987-03-01 In this provocative reinterpretation of American politics before the Civil War Joel Silbey argues that local issues ethnic and religious considerations and the power of the national political parties were even more important than slavery in animating the political life of the era He traces the tensions that divided the nation in this critical period and offers intriguing explanations for how and why they developed These essays significantly contribute to the existing perspectives on the Civil War and also pave the way for new approaches to understanding a vital time in American history

A Companion to the U.S. Civil War, 2 Volume Set Aaron Sheehan-Dean, 2020-05-05 A Companion to the U S Civil War presents a comprehensive historiographical collection of essays covering all major military political social and economic aspects of the American Civil War 1861 1865 Represents the most comprehensive coverage available relating to all aspects of the U S Civil War Features contributions from dozens of experts in Civil War scholarship Covers major campaigns and battles and military and political figures as well as non military aspects of the conflict such as gender emancipation literature ethnicity slavery and memory

Party Over Section Joel H. Silbey, 2009 A leading political historian of antebellum America examines the hard fought three way presidential race of 1848 Reveals how Martin Van Buren and his Free Soil party challenged Whigs and Democrats by making slavery a key issue representing a harbinger of the change that was to come even though they only garnered 10 percent of the vote

Southern Democrats Nicol C. Rae Associate Professor of Political Science Florida International University, 1994-03-29 From the election of Jimmy Carter to the wide defection of Democrats in the South to the Republican ticket in the Reagan Bush years Southern Democrats have played a crucial role in recent American national politics With the 1992 election of President Clinton they once again occupy a place at the center of the American political stage A timely examination of this important phenomenon in American politics Southern Democrats traces the history of this influential regional faction and gauges the extent and nature of Southern Democratic influence in congressional and presidential politics today Nicol Rae argues that the Southern Democrats remain a distinctive faction despite the passage of the 1965 Voting Rights Act which initiated the end of the social and economic system that had previously bound them together The only surviving political faction based on regional rather than ideological concerns they have nevertheless evolved from being a deviant element within the party to coming closer to the national Democratic norm which is most apparent in civil rights issues Drawing on interviews with many southern politicians and memoirs and accounts of past campaigns Rae deals with the success of Southern Democrat and Democratic Leadership Council leader Bill Clinton in winning the 1992 Democratic presidential nomination and reveals the changing role of Southern Democrats in internal party politics and national elections He concludes with an overall assessment of the present and future state of this important southern wing of the Democratic party

No Party Now Adam I. P. Smith, 2006-07-27 During the Civil War Northerners fought each other in elections with almost as much zeal as they fought Southern rebels on

the battlefield Yet politicians and voters alike claimed that partisanship was dangerous in a time of national crisis In *No Party Now* Adam I P Smith challenges the prevailing view that political processes in the North somehow helped the Union be more stable and effective in the war Instead Smith argues early efforts to suspend party politics collapsed in the face of divisions over slavery and the purpose of the war At the same time new contexts for political mobilization such as the army and the avowedly non partisan Union Leagues undermined conventional partisan practices The administration s supporters soon used the power of anti party discourse to their advantage by connecting their own antislavery arguments to a powerful nationalist ideology By the time of the 1864 election they sought to de legitimize partisan opposition with slogans like *No Party Now But All For Our Country* *No Party Now* offers a reinterpretation of Northern wartime politics that challenges the party period paradigm in American political history and reveals the many ways in which the unique circumstances of war altered the political calculations and behavior of politicians and voters alike As Smith shows beneath the superficial unity lay profound differences about the implications of the war for the kind of nation that the United States was to become

The Center Could Not Hold: Congressman William H. English and His Antebellum Political Times Elliott Schimmel,2020-08-14 William Hayden English of Indiana congressman from 1853 1861 ended his official political career one and a half months before the attack on Fort Sumter Though his name may not be as well known as other antebellum historical figures he actively and influentially participated in all the major political events of the great drama that culminated in the most devastating war in American history While this book is specifically a close analysis of one antebellum politician it also acts as a comprehensive study by which one may examine not only the perspective and struggles of a single congressman but also the contextual political environment that surrounded America s descent into the great tragedy of the Civil War

Apostle of Union Matthew Mason,2016-09-02 Known today as the other speaker at Gettysburg Edward Everett had a distinguished and illustrative career at every level of American politics from the 1820s through the Civil War In this new biography Matthew Mason argues that Everett s extraordinarily well documented career reveals a complex man whose shifting political opinions especially on the topic of slavery illuminate the nuances of Northern Unionism In the case of Everett who once pledged to march south to aid slaveholders in putting down slave insurrections Mason explores just how complex the question of slavery was for most Northerners who considered slavery within a larger context of competing priorities that alternately furthered or hindered antislavery actions By charting Everett s changing stance toward slavery over time Mason sheds new light on antebellum conservative politics the complexities of slavery and its related issues for reform minded Americans and the ways in which secession turned into civil war As Mason demonstrates Everett s political and cultural efforts to preserve the Union and the response to his work from citizens and politicians help us see the coming of the Civil War as a three sided not just two sided contest

[The Oxford Handbook of American Political Parties and Interest Groups](#) L. Sandy Maisel,Jeffrey M. Berry,2012-01-12 The Oxford Handbooks of American Politics are the essential guide to the study of

American political life in the 21st Century With engaging new contributions from the major figures in the field of political parties and interest groups this Handbook is a key point of reference for anyone working in American Politics today

Founding the Far West David Alan Johnson, 2023-12-22 Founding the Far West is an ambitious and vividly written narrative of the early years of statehood and statesmanship in three pivotal western territories Johnson offers a model example of a new approach to history that is transforming our ideas of how America moved west one that breaks the mold of regional and frontier histories to show why Western history is also American history Johnson explores the conquest immigration and settlement of the first three states of the western region He also investigates the building of local political customs habits and institutions as well as the socioeconomic development of the region While momentous changes marked the Far West in the later nineteenth century distinctive local political cultures persisted These were a legacy of the pre Civil War conquest and settlement of the regions but no less a reflection of the struggles for political definition that took place during constitutional conventions in each of the three states At the center of the book are the men who wrote the original constitutions of these states and shaped distinctive political cultures out of the common materials of antebellum American culture Founding the Far West maintains a focus on the individual experience of the constitution writers on their motives and ambitions as pioneers their ideological intentions as authors of constitutions and the successes and failures after statehood of their attempts to give meaning to the constitutions they had produced Founding the Far West is an ambitious and vividly written narrative of the early years of statehood and statesmanship in three pivotal western territories Johnson offers a model example of a new approach to history that is transforming our ideas of

Journal of the Civil War Era William A. Blair, 2011-12-01 The University of North Carolina Press and the George and Ann Richards Civil War Era Center at the Pennsylvania State University are pleased to Publish The Journal of the Civil War Era William Blair of the Pennsylvania State University serves as founding editor Table of Contents for this issue volume 1 number 4 december 2011 Articles rachel ashenden Messmates Union Friendship Politics and Living Arrangements in the Capital City 1845 1861 bruce levine The Vital Element of the Republican Party Antislavery Nativism and Abraham Lincoln james l houston The Illinois Political Realignment of 1844 1860 Revisiting the Analysis Review Essay lyde cullen sizer Mapping the Spaces of Women s Civil War History Book Reviews Books Received Professional Notes brian kelly john w white The After Slavery Website A New Online Resource for Teaching U S Slave Emancipation Notes on Contributors The Journal of the Civil War Era takes advantage of the flowering of research on the many issues raised by the sectional crisis war Reconstruction and memory of the conflict while bringing fresh understanding to the struggles that defined the period and by extension the course of American history in the nineteenth century

Contesting Democracy Byron E. Shafer, Anthony J. Badger, 2001 Leading scholars provide a comprehensive history of two centuries of U S politics Contributions from a who s who of political historians

Nativism and Slavery Tyler Anbinder, 1992 An examination of the Know Nothing Party founded in the USA in 1854 as a political protest against the

granting of American citizenship to Catholic immigrants It studies how such a party managed to elect eight governors and 100 Congressmen as well as thousands of local officials by 1855

Religion and American Politics : From the Colonial Period to the 1980s Mark A. Noll Professor of History Wheaton College, 1989-11-09 How do religion and politics interact in America Why is it that at certain periods in American history religious and political thought have followed a parallel course while at other times they have moved in entirely different directions To what extent have minority perspectives challenged the majority position on the religious and political issues that impinge on each other These are among the many important and fascinating questions examined in this book the first thorough historical survey of the multi layered connections between religion and politics in the United States This unique collection presents previously unpublished essays by seventeen of America's leading historians and social scientists including John Murrin Harry Stout John F Wilson Daniel Walker Howe Bertram Wyatt Brown Robert Swierenga Martin Marty Robert Wuthnow and George Marsden Together these distinguished contributors provide comprehensive coverage of the historical interaction between religion and politics in America from the colonial and Revolutionary periods with intense commitments to and disagreements over religion through the evangelical Protestant ascendancy that marked the nineteenth century to the growing pluralism and heightened antagonism between liberal and conservative factions that typify our own era

The Big Vote Liette Gidlow, 2007-03-15 This cultural history of voter turnout campaigns in early 20th century America sheds light on the problems that persist in democratic participation today In the 1920s America experienced low voter turnout at a level not seen in nearly a century Reformers responded by launching massive campaigns to Get Out the Vote Yet while these campaigns advocated civic participation they also promoted an exclusionary message that transformed America's political culture By the late 1920s civic would be practically synonymous with middle class and white At the time weakened political parties ascendant consumer culture labor unrest Jim Crow widespread anti immigration sentiment and the new woman suffrage all raised serious questions about the meaning of good citizenship Through techniques ranging from civic education to modern advertising middle class and elite whites worked in the realm of culture to undo the equality that constitutional amendments had seemed to achieve Richly documented with primary sources from political parties and civic groups popular and ethnic periodicals and electoral returns *The Big Vote* examines the national Get Out the Vote campaigns as well as the internal dynamics of specific campaigns in New York City Grand Rapids Michigan and Birmingham Alabama

The Liberty to Take Fish Thomas Blake Earle, 2023-08-15 In *The Liberty to Take Fish* Thomas Blake Earle offers an incisive and nuanced history of the long American Revolution describing how aspirations to political freedom coupled with the economic imperatives of commercial fishing roiled relations between the young United States and powerful Great Britain The American Revolution left the United States with the liberty to take fish from the waters of the North Atlantic Indispensable to the economic health of the new nation the cod fisheries of the Grand Banks the Bay of Fundy and the Gulf of St Lawrence quickly became symbols of American

independence in an Atlantic world dominated by Great Britain The fisheries issue was a near constant concern in American statecraft that impinged upon everything from Anglo American relations to the operation of American federalism and even to the nature of the marine environment Earle explores the relationship between the fisheries and the state through the Civil War era when closer ties between the United States and Great Britain finally surpassed the contentious interests of the fishing industry on the nation s agenda The Liberty to Take Fish is a rich story that moves from the staterooms of Washington and London to the decks of fishing schooners and into the Atlantic itself to understand how ordinary fishermen and the fish they pursued shaped and were in turn shaped by those far off political and economic forces Earle returns fishing to its once central place in American history and shows that the nation of the nineteenth century was indeed a maritime one

Between Freedom and Progress David Prior, 2019-11-04 Between Freedom and Progress recovers and analyzes the global imaginings of Reconstruction s partisans those who struggled over and with Reconstruction as they vied with one another to define the nature of their country after the Civil War The remarkable technological and commercial transformations of the mid nineteenth century in particular steam engines telegraphs and an expanded commercial printing capacity created a constant stream of news description and storytelling from across and beyond the nation Reconstruction s partisans contended with each other to make sense of this information motivated by intense political antagonism combined with a shared but contested set of ideas about freedom and progress As writers lecturers editors travelers moral reformers racists abolitionists politicians suffragists soldiers and diplomats Reconstruction s partisans made competing claims about their place in the world Understanding how why and when they did so helps ground our understanding of Reconstruction itself a mysterious transatlantic term in its own intellectual context Three factors proved pivotal to the making of Reconstruction s world First from 1865 to the early 1870s the interconnected issues of how to remake the Union and how to remake the South exerted a powerful hold on federal politics defining the partisan landscape and inspiring rival arguments about what was possible and what was good The daunting nature of these issues created a sense of crisis across the political spectrum with political discourse ranging in tone from combative to euphoric to apocalyptic Second though domestic in nature these issues were refracted through two broadly held beliefs that the causes of freedom and progress defined history and that distinctive peoples with their own characters composed the world s population These beliefs produced a disposition to think of developments from across and beyond the United States as essentially relatable to each other encouraging an intellectual style that favored wide ranging comparisons Third far from being confined to the elite this mode of thinking and arguing about the world lived and breathed in public texts that were produced and consumed on a weekly and daily basis This commercialized and politicized world of mass publishing was highly unequal in structure and content but it was also impressively vibrant and popular Together these three factors made the world of Reconstruction a global landscape of information argumentation and imagination that derived much of its vigor from domestic political battles The American

Political Nation, 1838-1893 Joel Silbey, 1994-07-01 This is a detailed analysis and description of a unique era in American political history one in which political parties were the dominant dynamic force at work structuring and directing the political world

Thomas Lanier Clingman Thomas E. Jeffrey, 1998 Thomas Lanier Clingman Fire Eater from the Carolina Mountains is the first book length biography of one of the most important colorful and controversial figures in nineteenth century American life A man of enormous intellect and intense ambition whose ultimate goal was nothing less than the presidency Clingman was a lawyer entrepreneur Civil War general inventor amateur scientist explorer and as a U S congressman and senator one of the foremost champions of southern rights Thomas E Jeffrey s explanation of how a leading advocate of this cause could thrive within an environment where slavery was only a marginal institution provides fresh insights into the political culture of southern Appalachia the character of the southern rights movement and the coming of the Civil War

A Companion to the Antebellum Presidents, 1837 - 1861 Joel H. Silbey, 2014-01-06 A Companion to the Antebellum Presidents presents a series of original essays exploring our historical understanding of the role and legacy of the eight U S presidents who served in the significant period between 1837 and the start of the Civil War in 1861 Explores and evaluates the evolving scholarly reception of Presidents Van Buren Harrison Tyler Polk Taylor Fillmore Pierce and Buchanan including their roles behaviors triumphs and failures Represents the first single volume reference to gather together the historiographic literature on the Antebellum Presidents Brings together original contributions from a team of eminent historians and experts on the American presidency Reveals insights into presidential leadership in the quarter century leading up to the American Civil War Offers fresh perspectives into the largely forgotten men who served during one of the most decisive quarter centuries of United States history

The Market Revolution in America Melvin Stokes, Melvyn Stokes, Stephen Conway, 1996 The last decade has seen a major shift in the way nineteenth century American history is interpreted and increasing attention is being paid to the market revolution occurring between 1815 and the Civil War This collection of twelve essays by preeminent scholars in nineteenth century history aims to respond to Charles Sellers s The Market Revolution reflecting upon the historiographic accomplishments initiated by his work while at the same time advancing the argument across a range of fields

Thank you utterly much for downloading **Partisan Imperative The Dynamics Of American Politics Before The Civil War**. Maybe you have knowledge that, people have look numerous time for their favorite books taking into consideration this Partisan Imperative The Dynamics Of American Politics Before The Civil War, but stop going on in harmful downloads.

Partisan Imperative The Dynamics Of American Politics Before The Civil War Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Partisan Imperative The Dynamics Of American Politics Before The Civil War PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making

research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Partisan Imperative The Dynamics Of American Politics Before The Civil War PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Partisan Imperative The Dynamics Of American Politics Before The Civil War free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Partisan Imperative The Dynamics Of American Politics Before The Civil War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Partisan Imperative The Dynamics Of American Politics Before The Civil War is one of the best book in our library for free trial. We provide copy of Partisan Imperative The Dynamics Of American Politics Before The Civil War in digital format, so the resources that you find are

reliable. There are also many Ebooks of related with Partisan Imperative The Dynamics Of American Politics Before The Civil War. Where to download Partisan Imperative The Dynamics Of American Politics Before The Civil War online for free? Are you looking for Partisan Imperative The Dynamics Of American Politics Before The Civil War PDF? This is definitely going to save you time and cash in something you should think about.
