PARTISANS

Partisans is an exciting and worthy successor to Peter Matthiessen's *Race Rock* (1954), which was hailed in superlatives rarely granted a first novel. The new novel is concerned with the efforts of a young man to search out, to recognize, and ultimately to affirm, his own identity. Barney Sand, adrift in Paris, is not, however, just any man, nor is he everyman. There are others who make sure of this: Sand's father, a distinguished United States career diplomat; Jacobi, long-time Party leader, whom Sand had known for one day in his youth and whom he now wants to find; Marat, one of the Party strongmen, who attempts to indoctrinate Sand; Lise and Olivier, Sara and Rudi — each joined to the web of Sand's experience.

Partisans is a many-faceted book. It is a novel of suspense, imbued with drama and tension. It is a novel of the chase, of the hunted and the hunter, thrusting the mere of a Paris that is a murky half-world unto itself. Finally, *Partisans* is a novel concerned with the ideas and human values with which the questioning modern man must come to terms. Written with rare insight, and in taut, perceptive prose, it is an important work from a young American writer of extraordinary talent. *Partisans* is a novel worthy of that talent.

Twenty-eight-year-old Peter Matthiessen, a Yale graduate and a World War II Navy veteran, spent three years in Europe after the war, where he was one of the founders of the Paris Review. In 1954-55 he taught creative writing at Yale. His own stories have appeared in such periodicals as *The Atlantic*, *New World Writing*, *Bonnie's Choice*, and the *Olivier Prize Anthology* (in England). He now lives on Long Island, where he operates a charter boat and continues his writing career.
