

POOR Richard

BY Philip Guston

Philip Gustons Poor Richard

Robert Slifkin

Philip Guston's Poor Richard:

Philip Guston's Poor Richard Debra Bricker Balken, 2003-05-01 In 1971 as the race for the presidency heated up the artist Philip Guston 1913 1980 created a series of caricatures of Richard Nixon titled Philip Guston's Poor Richard Produced two years before Watergate and three years before Nixon's resignation these provocative searing condemnations of a corrupt head of state are remarkable prescient political satire The drawings mock Nixon's physical attributes his nose is rendered as an enlarged phallus throughout as well as his notoriously dubious shifty character Debra Bricker Balken's book is the first book length publication of these drawings A visual narrative of Nixon's life the drawings trace Nixon from his childhood through his ascent to power to his years in the White House They incorporate Henry Kissinger a pair of glasses Spiro Agnew a cone head and John Mitchell a dolt smoking a pipe They depict Nixon and his cohorts in China plotting strategy in Key Biscayne and shamelessly pandering to African Americans hippies and elderly tourists As Balken discusses in her accompanying essay these drawings also reflect a dramatic transformation in Guston's work In response to social unrest and the Vietnam War he began to question the viability of a private art given to self expression His betrayal of aesthetic abstraction in favor of imagery imbued with personal and political meaning largely engendered the renewal of figuration in painting in America in the 1970s These drawings not only represent one of the few instances of an artist in the late twentieth century engaging caricature in his work they are also a witty acerbic take on a corrupt figure and a scandalous political regime

Philip Guston Philip Guston, Clark Coolidge, 2011 This volume introduces the diverse voices that comprise Guston's linguistic tapestry Guston never stopped talking for too long There may have been periods of silence precipitated by existential moments of doubt but such lapses seem anomalous when measured against the voluminous transcriptions gleaned and edited by Clark Coolidge Coolidge has done an admirable job arranging and presenting the book's contents entirely relevant to anyone curious about Guston and by extension American Art of the post World War II period Douglas Dreishpoon chief curator at Knox Albright Gallery

Philip Guston Retrospective Philip Guston, Michael Auping, 2003

The Undiscovered Country Russell Ferguson, Hammer Museum, 2004 In Maggie Stiefvater's SHIVER Grace and Sam found each other In LINGER they fought to be together Now in FOREVER the stakes are even higher than before Wolves are being hunted Lives are being threatened And love is harder and harder to hold on to as death closes in

Out of Time Robert Slifkin, 2013-08-31 Focusing on the thirty three paintings that Philip Guston exhibited at the Marlborough Gallery in 1970 this in depth account reconsiders the history of postwar American art and the conception of figuration in modern art history Through a myriad of cultural touchstones including evidence from literary and musical vogues of the period Robert Slifkin examines the role of history as both artistic medium and creative catalyst to Guston's practice as a painter Slifkin employs a wealth of visual examples archival materials and original scholarship to situate Guston's paintings within broader artistic debates of the time using the cultural movement of the sixties as its orienting foreground This historical framework provides

an interface between the notions of time in art and time in the material world Lively and edifying Slifkin's comprehensive text productively complicates the prescribed traditions of postwar art history and in turn shifts our perception of Guston and his place in the domain of modern art

Telling Stories David Kaufmann, 2010-05-06 I have never seen a book that deals so extensively and usefully with the aesthetic and critical climate surrounding Guston the allegorical interpretation of his work or the role of his Jewishness in his art and thinking Telling Stories is an original and stimulating contribution Clark Coolidge

Harold Rosenberg Debra Bricker Balken, 2021-10-06 The biography recounts Rosenberg's full story for the first time Art critic for The New Yorker from 1962 until 1978 Rosenberg together with Clement Greenberg radically reshaped the interpretation of art in the post World War II period by promoting and examining abstract expression But Rosenberg was also a social and literary critic writing about art was just one aspect of his work Harold Rosenberg A Critic's Life weaves together Rosenberg's life and literary production cast against the dynamic intellectual and social ferment of his time Rosenberg's mid century linking of the New York School with the art establishment together with his observations on the commodification of the artwork and the evisceration of the self in favor of celebrity especially in his often cited essay The Herd of Independent Minds make this book especially topical

Poor Richard by Philip Guston Philip Guston, 2020 Inspired by the life and career of Richard Nixon especially his rapprochement with China this volume reproduces 72 satirical imaginative drawings also featuring Henry Kissinger Spiro Agnew and John Mitchell and an original title page all created by Guston in 1971 Conceived as a book the drawings were unpublished during the artist's lifetime 1913 1980 and not exhibited until September 2001 in New York Here for the first time they are brought together not in the context of an exhibition catalogue but as the graphic novel they were meant to be Four decades after Guston's death these drawings are as provocative and timely as ever

The Age of Nixon Carl Freedman, 2012-01-16 The fundamental argument this book is first that Richard Nixon though not generally regarded as a charismatic or emotionally outgoing politician like Franklin Roosevelt or Ronald Reagan did establish profound psychic connections with the American people connections that can be detected both in the brilliant electoral success that he enjoyed for most of his career and in his ultimate defeat during the Watergate scandal and second and even more important that these connections are symptomatic of many of the most important currents in American life The book is not just a work of political history or political biography but a study of cultural power that is a study in the ways that culture shapes our politics and frames our sense of possibilities and values In its application of Marxist psychoanalytic and other theoretical tools to the study of American electoral politics and in a way designed for the general as well as for the academic reader it is a new kind of book

Philip Roth's Rude Truth Ross Posnock, 2008-07-28 Has anyone ever worked harder and longer at being immature than Philip Roth The novelist himself pointed out the paradox saying that after establishing a reputation for maturity with two earnest novels he worked hard and long and diligently to be frivolous an effort that resulted in the notoriously immature Portnoy's Complaint 1969 Three and a half decades and more than twenty books

later Roth is still at his serious pursuit of the unserious But his art of immaturity has itself matured developing surprising links with two traditions of immaturity an American one that includes Emerson Melville and Henry James and a late twentieth century Eastern European one that developed in reaction to totalitarianism In Philip Roth's *Rude Truth* one of the first major studies of Roth's career as a whole Ross Posnock examines Roth's mature immaturity in all its depth and richness Philip Roth's *Rude Truth* will force readers to reconsider the narrow categories into which Roth has often been slotted laureate of Newark New Jersey junior partner in the firm Salinger Bellow Mailer and Malamud Jewish American regionalist In dramatic contrast to these caricatures the Roth who emerges from Posnock's readable and intellectually vibrant study is a great cosmopolitan in the tradition of Henry James and Milan Kundera

Whispering the Techniques of Language: An Mental Journey through **Philip Gustons Poor Richard**

In a digitally-driven world where displays reign supreme and immediate transmission drowns out the subtleties of language, the profound techniques and emotional nuances concealed within phrases usually go unheard. Yet, nestled within the pages of **Philip Gustons Poor Richard** a fascinating fictional treasure sporting with natural thoughts, lies an exceptional quest waiting to be undertaken. Composed by an experienced wordsmith, that enchanting opus encourages viewers on an introspective trip, softly unraveling the veiled truths and profound influence resonating within the fabric of each word. Within the mental depths of the touching evaluation, we will embark upon a honest exploration of the book is core styles, dissect their charming publishing model, and succumb to the effective resonance it evokes serious within the recesses of readers hearts.
