Swinging Single Hilary Radner, Moya Luckett, 1999 Critics and defenders alike connect today's widespread anxieties about sexuality and culture to the political activism of the 1960s and the counterculture's preoccupation with the individual pursuit of pleasure In contrast the essays in *Swinging Single* attribute the new sexual mores of that era not to its political upheavals but to a confluence of social cultural and economic factors that encouraged personal gratification and altered traditionally defined gender roles Contributors analyze a broad range of topics the commercialization of avant garde and exploitation films new visions of female sexuality in *That Girl* and *The Avengers* the social context of such cultural icons as Hugh Hefner and Charles Manson the intersection of race and sexuality in *Eldridge Cleaver's Soul on Ice* and depictions of sexual pleasure in pornography and scientific films

Barnett, 1998-04-02 In this provocative and engaging new book Randy Barnett outlines a powerful and original theory of liberty structured by the liberal conception of justice and the rule of law Drawing on insights from philosophy political theory economics and law he shows how this new conception of liberty can confront and solve the central societal problems of knowledge interest and power What is liberty as opposed to license and why is it so important When people pursue happiness peace and prosperity whilst living in society they confront pervasive problems of knowledge interest and power These problems are dealt with by ensuring the liberty of the people to pursue

their own ends but addressing these problems also requires that liberty be structured by certain rights and procedures associated with the classical liberal conception of justice and the rule of law In this controversial new work Barnett examines the serious social problems that are addressed by liberty and the background or natural rights and rule of law procedures that distinguish liberty from license He goes on to outline the constitutional framework that is needed to protect this structure of liberty This is the only discussion of the liberal conception of justice and the rule of law to draw upon insights from philosophy economics political theory and law to describe comprehensively the vital social functions performed by adherence to these concepts And although the book is intended to challenge specialists its clear and accessible prose ensure that it will be of immense value to both scholars and students working in a range of academic disciplines American International Pictures Rob Craig,2019-02-15 American International Pictures was in many ways the missing link between big budget Hollywood studios poverty row B movie factories and low rent exploitation movie distributors AIP first targeted teen audiences with science fiction horror and fantasy but soon grew to encompass many genres and demographics at times it was indistinguishable from many of the major studios From Abby to Zontar this filmography lists more than 800 feature films television series and TV specials by AIP and its partners and subsidiaries Special attention is given to American International Television the TV arm of AIP and an appendix lists the complete AITV catalog The author also discusses films produced by founders James H Nicholson and Samuel Z Arkoff after they left the company **The Wizard of Oswald** Gary Hill,2024-11-07 The Wizard of Oswald What We Know Now That We Didn t Know Then takes readers deep into the web of conspiracy espionage and deception surrounding the assassination of President John F Kennedy Drawing from newly released documents and firsthand accounts the book explores the shadowy figures that manipulated Lee Harvey Oswald casting him as a pawn in a broader Cold War plot JFK s adversaries ranged from US military leaders to the CIA Cuban exile groups and organized crime each driven by their fanatical anti communist agenda But behind it all was a paranoid mastermind pulling the strings James Jesus Angleton the CIA s counterintelligence chief who controlled Oswald long before November 22 1963 Author Gary Hill meticulously pieces together a complex narrative involving secret CIA operations mafia involvement and personal vendettas With revelations from witnesses including Paul Landis and the Parkland doctors The Wizard of Oswald uncovers connections to figures like George Joannides and the LICooky Project revealing a chilling orchestration of events that led to the death of a president and the framing of Oswald Hill leads readers down the yellow brick road of conspiracy where as David Ferry noted the craziest things might make perfect sense Who is the Wizard of Oswald Gary Hill s ingenious new book pulls back the curtain to show the great and powerful forces behind Lee Harvey Oswald It s a yellow brick road laden with Cold War intrigue and espionage wildly ambitious James Day author of Mad Bishops
