Philosophy and Geography III Andrew Light,Jonathan M. Smith,1998 Places are today subject to contrary tendencies They lose some functions which may scale up to fewer more centralized places or down to numerous more dispersed places and they gain other functions which are scaling up and down from other places This prompts premature prophecies of the abolition of space and the obsolescence of place At the same time a growing literature testifies to the persistence of place as an incorrigible aspect of human experience identity and morality Place is a common ground for thought and action a community of experienced particulars that avoids solipsism and universalism It draws us into the philosophy of the ordinary into familiarity as a form of knowledge into the wisdom of proximity Each of these essays offers a philosophy of place and reminds us that such philosophies ultimately decide how we make use and understand places whether as accidents instruments or fields of care

Ideology and Jewish Identity in Israeli and American Literature Emily Miller Budick,2012-02-01 By creating a dialogue between Israeli and American Jewish authors scholars and intellectuals this book examines how these two literatures which traditionally do not address one another directly nevertheless share some commonalities and affinities The disinclination of Israeli and American Jewish fictional narratives to gravitate toward one another tells us much about the processes of Jewish self definition as expressed in literary texts over the last fifty years Through essays by prominent Israeli Americanists American Hebraists Israeli critics of Hebrew writing and American specialists in the field of Jewish writing the book shows how modern Jewish culture rewrites the Jewish tradition across quite different ideological imperatives such as Zionist metanarrative the urge of Jewish immigrants to find Israel in America and socialism The contributors also explore how that narrative turn away from religious tradition to secular identity has both enriched and impoverished Jewish modernity
