Robert Flaherty A Guide To References And Resources:

Robert Flaherty William T. Murphy, 1978 **Robert Flaherty** William Thomas Murphy, 1978 Work on filmmaker Robert Flaherty creator of documentaries and maker of the film *Nanook of the North* **Robert J. Flaherty** Paul Rotha, 2015-09-30 Producer of *Nanook of the North* *Moana* *Man of Aran* and other pioneering documentaries between 1920 and 1940 Robert J Flaherty was America's first independent film artist Popular conceptions of Flaherty have led many either to worship his work and regard him in mythical terms or to debunk him as a fraud and castigate him for lack of a social consciousness Rarely has the attempt been made to understand him in the context of his times This captivating study presents Flaherty through the eyes of someone who knew him personally the brilliant British filmmaker and scholar Paul Rotha A colleague and close friend of Flaherty Rotha gives us a powerfully written biography that is a balanced and intimate look at the life and work of an American genius Editor Jay Ruby has restored the Rotha biography including a wealth of anecdotes letters and memoirs that begin to bring Robert Flaherty the man into focus An especially valuable dimension of this work is the appraisal of Flaherty the filmmaker from the viewpoint of a major figure of the British industry He summarizes in detail the critical response to Flaherty of his contemporaries about which only sketchy information has previously been available Flaherty regarded himself as an explorer as well as a filmmaker The exciting story of this biography takes us from the Arctic where Flaherty spent years filming *Nanook* to the South Pacific England the Aran Islands and finally the United States his courage and overarching vision resulted in an unprecedented recording of the human struggle and in documentary films that reached a wider audience than ever before **Robert and Frances Flaherty** Robert J. Christopher, Frances Hubbard Flaherty, 2005 This biographical study of the filmmaker Robert Flaherty and his wife Frances reveals through unpublished diaries their lives and careers prior to the release of his film *Nanook of the North* in 1922 **A Philosophical History of Documentary, 1895-1959** Dan Geva, 2021-09-15 This book presents a chronology of thirty definitions attributed to the word term phrase and concept of documentary between the years 1895 and 1959 The book dedicates one chapter to each of the thirty definitions scrutinizing their idiosyncratic language games from close range while focusing on their historical roots and concealed philosophical sources of inspiration Dan Geva's principal argument is twofold first that each definition is an original ethical premise of documentary and second that only the structured assemblage of the entire set of definitions successfully depicts the true ethical nature of documentary insofar as we agree to consider its philosophical history as a reflective object of thought in a perpetual state of being self defined an *ethics sui generis* *Encyclopedia of the Documentary Film 3-Volume Set* Ian Aitken, 2013-10-18 The *Encyclopedia of the Documentary Film* is a fully international reference work on the history of the documentary film from the Lumière brothers *Workers Leaving the Lumière Factory* 1885 to Michael Moore's *Fahrenheit 9/11* 2004 This Encyclopedia provides a resource that critically analyzes that history in all its aspects Not only does this Encyclopedia examine individual films and the careers of individual film makers it also provides

overview articles of national and regional documentary film history It explains concepts and themes in the study of documentary film the techniques used in making films and the institutions that support their production appreciation and preservation A Bibliography of Ethnographic Films Rolf Husmann,1992 *Introduction to Documentary* Bill Nichols,2001 Provides a one of a kind overview of the most important topics and issues in documentary history and criticism
