with demons He has a dragon for a pet He s connected to the criminal underground trading political influence for their assistance in keeping the populace under control And for most citizens all this could be overlooked except that this villain has committed the greatest crime possible he s raised taxes Clearly something has to be done The citizens are beginning to ponder and mutter both individually and in groups about how this tyrant can be brought down And while they vary greatly in skill and intelligence certainly the sheer volume of them virtually ensures the eventual downfall of the scoundrel that s currently growing fat off the kingdom the man called Skeeve the Great Can the MYTH Inc gang protect Skeeve from these attacks and still convince him that everything is business as usual **Myth Series Boxset** Robert Asprin,1987-11
