The Robert B. Parker Companion Darryl Dean James, 2005 **Robert B. Parker's Blind Spot** Reed Farrel Coleman, 2014-09-09 Coleman keeps the characters and the somber atmosphere but makes the book his own stylistically Booklist Police Chief Jesse Stone is back in the remarkable new installment of the New York Times bestselling series It's been a long time since Jesse Stone left L A and still longer since the tragic injury that ruined his chances for a major league baseball career When Jesse is invited to a reunion of his old Triple A team at a hip New York city hotel he is forced to grapple with his memories and regrets over what might have been Jesse left more behind him than unresolved feelings about the play that ended his baseball career The darkly sensuous Kayla his former girlfriend and current wife of an old teammate is there in New York too As is Kayla's friend Dee an otherworldly beauty with secret regrets of her own But Jesse's time at the reunion is cut short when in Paradise a young woman is found murdered and her boyfriend a son of one of the town's most prominent families is missing and presumed kidnapped Though seemingly coincidental there is a connection between the reunion and the crimes back in Paradise As Jesse Molly and Suit hunt for the killer and for the missing son it becomes clear that one of Jesse's old teammates is intimately involved in the crimes That there are deadly forces working below the surface and just beyond the edge of their vision Sometimes that's where the danger comes from and where real evil lurks Not out in the light but in your blind spot

who can it be Was it Lurleen Landry best selling author of Southern women s fiction Did Pulitzer Prize winning novelist Russell Bertram kill her Or was it his nasty vindictive wife Alice Maybe it was literary enfant terrible Brett Doran who seems to have more than one secret to hide Could Sukey Lytton s missing manuscript be the motive When the killer strikes again it s up to Ernie to save her friends and find the killer or she may be next A haunting mystery steeped in the richness of Southern culture Carolyn Hart author of the Death on Demand and Henrie O mysteries Fans of the traditional stately home murder case can rejoice the genre is alive and well Publishers Weekly The traditional mystery is not dead Thanks to Dean James it takes on new life in the New South where just like the Old South ladies of a certain age are noticeably quirky everyone is hiding a guilty secret cooks know their way to your heart and murderers are almost impossible to detect James s Closer Than the Bones is a fine variation on a fine tradition and enjoyable from start to finish Charlaïne Harris **100**
