Robert Chapman:

The Chapman Family Frederick William Chapman, 1854 **Robert Chapman** Robert L. Peterson, 2007-04 Although he is not widely known today Robert Chapman was one of the most respected Christians of his generation His caring and humble attitude had a marked impact on the lives of such men as George Muller J Hudson Taylor John Nelson Darby and Charles Spurgeon These notable men agreed that Chapman was a giant among them Robert Chapman s life cannot help but challenge the Lord s people to deepen their devotion to Christ and love others more selflessly **Robert C. Chapman** Frank Holmes, 2008-11 Study of this biography is bound to be profitable and if leaders among the Lord s people take the lesson to heart the results will be incalculable James H Large Immeasurable would be the impact on the world If each person who read this biography of Robert Chapman were to live out Christ even half as well as Chapman did Read how the Lord guided and provided for Robert Chapman during his long life of service Be touched influenced and changed as many were in his day by Robert s willingness to be guided because of his submission and devotion to his Saviour Chapman s sacrifice and service of love to the Lord s people seems unparalleled in today s world but to live as Christ called us to live should mean that every follower of Christ would love people sacrificially as Robert Chapman did to the people of his day Read this book yourself and share it with other Christians willing to be motivated to live a life of witness and service for the Lord Jesus Christ that will bring results for Eternity The fact that Robert Chapman lived to be nearly a hundred years old and purposely destroyed most of his papers makes the writing of his life extremely difficult Obviously this book is not a full biography I do not think the materials for that will ever be available But my sincere hope is that it will lead to a renewed study of the principles for which Chapman stood Frank Holmes **Welcome to the Artwork of Robert Chapman** Robert C. The People's Advocate is the autobiography of American Constitutional Trial Attorney Daniel Sheehan Sheehan traces his personal journey from his working class roots through Harvard Law School and his initial career in private practice His early disenchantment led to his return for further study at Harvard Divinity School and rethinking the nature of his career Eventually his role as President and Chief Trial Counselor for the famous Washington D C based Christic Institute would help define his role as America's preeminent cause lawyer In The People's Advocate Sheehan details the inside story of over a dozen historically significant American legal cases of the 20th Century all of which he litigated The remarkable cases covered in the book include both The Pentagon Papers Case in 1971 and The Watergate Burglary Case in 1973 In addition Sheehan served as the Chief Attorney on The Karen Silkwood Case in 1976 which additionally revealed the C I A's Israeli Desk had been smuggling 98% bomb grade plutonium to the State of Israel and to Iran In 1984 he was the Chief Trial Counsel on The American Sanctuary Movement Case establishing the right of American church workers to provide assistance to Central American political refugees fleeing Guatemalan and Salvadorian death squads His involvement with the sanctuary movement ultimately led to Sheehan's famous Iran Contra Federal Civil Racketeering Case against the Reagan Bush Administration which he investigated initiated filed and then litigated The resulting Iran Contra Scandal nearly brought down that Administration leading Congress to consider the impeachment over a dozen of the top ranking officials of the Reagan Bush Administration The People's Advocate is the real story of these and many other historic American cases told from the unique point of view of a central lawyer The Doctrines of Grace in an Unexpected Place Mark R. Stevenson,2017-03-10 Does God sovereignly elect some individuals for salvation while passing others by Do human beings possess free will to embrace or reject the gospel Did Christ die equally for all people or only for some These questions have long been debated in the history of the Christian church Answers typically fall into one of two main categories popularly known as Calvinism and Arminianism The focus of this book is to establish how one nineteenth century evangelical group the Brethren responded to these and other related questions The Brethren produced a number of colorful leaders whose influence was felt throughout the

evangelical world Although many critics have assumed the movement s theology was Arminian this book argues that the Brethren with few exceptions advocated Calvinistic positions Yet there were some twists along the way The movement s radical biblicism passionate evangelism and strong aversion to systematic theology and creeds meant they refused to label themselves as Calvinists even though they affirmed Calvinism s soteriological principles the so called doctrines of grace
