Bibliography**

Robert Frost A Tribute To The Source:

Robert Frost, a Tribute to the Source Robert Frost, David Bradley, 1979 Fifty three of Frost's poems are interspersed with forty four color photographs of the New England area that was his home with a biographical profile that explains the influence of this environment on the poet's work

Robert Frost's Visionary Gift William F. Zak, 2022-01-26 In *Robert Frost's Visionary Gift* Mining and Minding the Wonder of Unexpected Supply William F Zak provides groundbreaking analysis of well over one hundred of Frost's lyrics considering each poem as an interrelated portion of the poet's overarching constellation of intention Beyond biography this book offers extended close readings of Frost's oeuvre building its case incrementally from deftly examined particulars Zak discusses how the pastoral mode Frost adopts is no depleted homespun idiom retreating from modernism's complexities but a self conscious determination to assume the prophetic mantle from his predecessors Shakespeare Milton Wordsworth Emerson and Thoreau Frost's version of pastoral represents no escape from life's stresses but the most constructive and life sustaining means to address life's struggles head on in both sense of that last phrase This book makes a case for Frost as America's preeminent philosophical poet The unfortunate effect of Frost's early detractors claim that he was merely an ironic and equivocal anecdotalist has for too long relegated his work to the second tier of the modernist poetic pantheon This study by contrast supports Robert Graves claim for Frost as the first American poet who could be honestly reckoned a master poet by world standards

Robert Frost and the New England Renaissance George Monteiro, 2021-05-11 A poem is best read in the light of all the other poems ever written So said Robert Frost in instructing readers on how to achieve poetic literacy George Monteiro's newest book follows that dictum to enhance our understanding of Frost's most valuable poems by demonstrating the ways in which they circulate among the constellations of great poems and essays of the New England Renaissance Monteiro reads Frost's own poetry not against all the other poems ever written but in the light of poems and essays by his precursors particularly Emerson Thoreau and Dickinson Familiar poems such as *Mending Wall* *After Apple Picking* *Birches* *Stopping by Woods on a Snowy Evening* *The Road Not Taken* and *Mowing* as well as lesser known poems such as *The Draft Horse* *The Ax Helve* *The Bonfire* *Dust of Snow* *A Cabin in the Clearing* *The Cocoon* and *Pod of the Milkweed* are renewed by fresh and original readings that show why and how these poems pay tribute to their distinguished sources Frost's insistence that Emerson and Thoreau were the giants of nineteenth century American letters is confirmed by the many poems variously influenced that derive from them His attitude toward Emily Dickinson however was more complex and sometimes less generous In his twenties he molded his poetry after hers But later after he joined the faculty of Amherst College he found her to be less a benefactor than a competitor Monteiro tells a two stranded tale of attraction imitation and homage countered by competition denigration and grudging acceptance of Dickinson's greatness as a woman poet In a daring move he composes out of Frost's own words and phrases the talk on Emily Dickinson that Frost was never invited to give In showing how Frost's work converses with that of his predecessors Monteiro

gives us a new Frost whose poetry is seen as the culmination of an intensely felt New England literary experience *Robert Frost and the Challenge of Darwin* Robert Faggen,1997 A revealing look at Darwin s influence on the American poet Robert Frost Enduring Roots Gayle Brandow Samuels,2005-01-03 Trees are the grandest and most beautiful plant creations on earth From their shade giving arching branches and strikingly diverse bark to their complex root systems trees represent shelter stability place and community as few other living objects can *Enduring Roots* tells the stories of historic American trees including the oak the apple the cherry and the oldest of the world s trees the bristlecone pine These stories speak of our attachment to the land of our universal and eternal need to leave a legacy and demonstrate that the landscape is a gift to be both received and sometimes tragically to be destroyed Each chapter of this book focuses on a specific tree or group of trees and its relationship to both natural and human history while exploring themes of community memory time and place Readers learn that colonial farmers planted marker trees near their homes to commemorate auspicious events like the birth of a child a marriage or the building of a house They discover that Benjamin Franklin s Newtown Pippin apples were made into a pie aboard Captain Cook s Endeavour while the ship was sailing between Tahiti and New Zealand They are told the little known story of how the Japanese flowering cherry became the official tree of our nation s capital a tale spanning many decades and involving an international cast of characters Taken together these and many other stories provide us with a new ways to interpret the American landscape It is my hope the author writes that this collection will be seen for what it is a few trees selected from a great forest and that readers will explore both the trees and the forest and find pieces of their own stories in each **Robert Frost** Jay Parini,2000-03-15 Parini spent more than 20 years interviewing friends of Frost and working in the poet s archives to produce this definitive and insightful portrait of both the public and private man 16 page photo insert *Search for Belief in the Poetry of Robert Frost* Rajendra Nath Mishra,1992 This Book Plans To Discuss Robert Frost S Constructive Attitude Towards Life As Portrayed In Most Of His Poems The Author Has Given A New Perspective To Frost S Criticism The Sense Of Death Decay Degeneration Devaluation Disintegration And Alienation Has Been The Prominent Wing Of Modern Poetry Frost Is Conscious Of All These Aspects Of Modern Life It Is Not That He Is Unaware Of The Modern Predicament Rather He Is Useless To Call Our Time Bad In His Poetry One Finds A Different Approach To The Problems Of Life In Spite Of The Fact That Life Is Full Of Distressing Aspects Frost Describes Life Worth Living In Birches He Declares Earth S The Right Place For Love I Don T Know Where It S Likely To Go Better This Reveals The Fact That He Is Not One Among The Palayana Panthis Neither Is He A Nirashavadi He Is An Ashavadi Who Believes In This Creation **The Publishers Weekly** ,1979 The Collected Prose of Robert Frost Robert Frost,2007 Presents a collection of both published and unpublished prose pieces including correspondence articles talks readings and stories

Robert Frost's Poetry of Rural Life George Monteiro,2015-02-13 Wise old Vergil says in one of his Georgics Praise large farms stick to small ones Robert Frost said Twenty acres are just about enough Frost started out as a school teacher

living the rural life of a would be farmer and later turned to farming full time when he bought a place of his own After a sojourn in England where his first two books were published to critical acclaim he returned to New England acquired a new farm and became a rustic for much of the rest of his life Frost claimed that all of his poetry was farm poetry His deep admiration for Virgil s Georgics or poems of rural life inspired the creation of his own New England georgics his answer to the haughty 20th century modernism that seemed certain to define the future of Western poetry Like the West Running Brook in his poem of the same name Frost s poetry can be seen as an embodiment of contrariness Aesthetic Ecology of Communication Ethics Özümler Üçok-Sayrak,2019-09-19 Around the time this book is being written the world is faced with threats of terrorism random shootings in various public places on a global scale increased school violence especially in the United States increased racial ethnic and religious tension worldwide as well as global forced displacement of people due to violence and human rights violations Given this context this project turns attention to the problematic of the uprootedness of the modern man in our age of technological advancement globalization and distraction It introduces an innovative perspective to the study of communication ethics and the larger field of communication studies through an aesthetic ecology framework The concept of aesthetic ecology refers to an environment that involves material conceptual and contemplative elements that are part of the ongoing dialogue between our sensuous and interpretive engagements in with the world Each chapter of this book explores an aspect of this aesthetic ecology in facilitating existential rootedness in connection to communication ethics **The Life of Robert Frost** Henry Hart,2017-03-08 The Life of Robert Frost presents a unique and rich approach to the poet that includes original genealogical research concerning Frost s ancestors and a demonstration of how mental illness plagued the Frost family and heavily influenced Frost s poetry A widely revealing biography of Frost that discusses his often perplexing journey from humble roots to poetic fame revealing new details of Frost s life Takes a unique approach by giving attention to Frost s genealogy and the family history of mental illness presenting a complete picture of Frost s complexity Discusses the traumatic effect on Frost of his father s early death and the impact on his poetry and outlook Presents original information on the influence of his mother s Swedenborgian mysticism **Critical Companion to Robert Frost** Deirdre J. Fagan,2007 Known for his favorite themes of New England and nature Robert Frost may well be the most famous American poet of the 20th century This is an encyclopedic guide to the life and works of this great American poet It combines critical analysis with information on Frost s life providing a one stop resource for students *Romanticism and Millenarianism* T. Fulford,2002-01-11 Expectation of the millennium was widespread in English society at the end of the eighteenth century The essays in this volume explore how exactly this expectation shaped and was shaped by the literature art and politics of the period we now call romantic An expanded and rehistoricized canon of writers and artists is assembled a group united by a common tendency to use figurations of the millennium to interrogate and transform the worlds in which they lived and moved Coleridge Cowper Blake and Byron are placed in new contexts created by original research into the

artistic and political subcultures of radical London into the religious sects surrounding the Richard Brothers and Joanna Southcott and into the cultural and political contexts of orientalism and empire

A Study Guide for Robert Frost's "The Road Not Taken" Robert Frost, *All's Well, That Ends Well* Gary Waller, 2006-12-01 Described as one of Shakespeare's most intriguing plays *All's Well, That Ends Well* has only recently begun to receive the critical attention it deserves. Noted as a crucial point of development in Shakespeare's career, this collection of new essays reflects the growing interest in the play and presents a broad range of approaches to it, including historical, feminist, performative, and psychoanalytical criticisms. In addition to fourteen essays written by leading scholars, the editor's introduction provides a substantial overview of the play's critical history with a strong focus on performance analysis and the impact that this has had on its reception and reputation. Demonstrating a variety of approaches to the play and furthering recent debates, this book makes a valuable contribution to Shakespeare criticism.

Robert Frost Elaine Barry, 1973 An account of Frost's life, work, and place within literary tradition, including chronology, bibliography, and index

Biographical Books, 1950-1980 R.R. Bowker Company. Department of Bibliography, 1980

A Study Guide for Robert Frost's "Mowing" Gale, Cengage Learning, *A Study Guide for Robert Frost's Mowing* excerpted from Gale's acclaimed *Poetry for Students*. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. For any literature project, trust *Poetry for Students* for all of your research needs.

Sixteen Modern American Authors Jackson R. Bryer, 1990 Praise for the earlier edition: Students of modern American literature have for some years turned to *Fifteen Modern American Authors* (1969) as an indispensable guide to significant scholarship and criticism about twentieth-century American writers. In its new form, *Sixteenth Modern American Authors*, it will continue to be indispensable. If it is not a desk book for all Americanists, it is a book to be kept in the forefront of the bibliographical compartment of their brains.
