Lukasz Kamienski

Russian Drinking Use And Abuse Of Alcohol In Prerevolutionary Russia:

Russian Drinking Boris M. Segal, 1987 Russian Drinking Boris Moisevič Segal, 1987 Material Culture in Russia and the USSR Graham H. Roberts, 2020-05-28 Material Culture in Russia and the USSR comprises some of the most cutting edge scholarship across anthropology history and material and cultural studies relating to Russia and the Soviet Union from Peter the Great to Putin Material culture in Russia and the USSR holds a particularly important role as the distinction between private and public spheres has at times developed in radically different ways than in many places in the more commonly studied West With case studies covering alcohol fashion cinema advertising and photography among other topics this wide ranging collection offers an unparalleled survey of material culture in Russia and the USSR and addresses core questions such as what makes Russian and Soviet material culture distinctive who produces it what values it portrays and how it relates to high culture and consumer culture *'Living Water' : Vodka and Russian Society on the Eve of Emancipation* David Christian, 1990-07-26 This is a study of the social economic and political role of Vodka in nineteenth century Russia Since the Green Serpent first appeared in sixteenth century Muscovy it has played a vital part in Russian life Vodka became an essential part of Russian working class celebrations personal religious and commercial Trade in Vodka redistributed wealth upwards through Russian society over several centuries Indeed Russia's status as a great power was underpinned by it by the nineteenth century it generated one third of government revenue enough to cover most of the costs of the vast army The dependence on Vodka of both people and state has endured into the Gorbachev era But despite Vodka's key role in Russian history and the complex network of corruption associated with it the subject has been ignored by most historians until now This study concentrates on an important transitional era in the history of Vodka the early nineteenth century During this period Vodka taxes played the role that salt taxes had played in the ancien régime in France The abolition of the tax farm in 1863 should be seen as one of the most important of the Great Reforms of the 1860s an era which in many ways parallels the glasnost of the 1980s **The Alcoholic Empire** Patricia Herlihy, 2002 Herlihy examines the prevalence of alcohol in Russian social economic religious political life She looks at how the state church military doctors the czar tried to battle the problem of over consumption of alcohol in the imperial period **Postcommunism and the Body Politic** Ellen E. Berry, 1995-07 The epidemic of mass rape in the former Yugoslavia has illustrated once again and in particularly brutal fashion the inextricable relationship between national politics sexual politics and body politics The nexus of these three forces is highly charged in any culture at any time in history but especially so among cultures in which rapid even cataclysmic changes in material realities and national self conceptions are eroding or overwhelming previously secure boundaries The postcommunist moment in the so called Second World Central and Eastern Europe and the former Soviet Union has dramatically exposed the opportunities and dangers that arise when the political cultural and economic foundations of a society are de and then re structured Gender roles and relations expressions of sexuality or attempts to

recontain them representations of the body especially the female body and the larger cultural meanings it assumes are particularly marked sites to witness the performance of complex national dramas of crisis and change This groundbreaking volume turns its attention to the Second World specifically to such subjects as the birth of the sex media and porn industry in Russia Russian women and alcoholism cinema in post communist Hungary patriotism and gender in Poland sexual dissidence in Eastern Europe and women in the former Yugoslavia go to the Genders website **Shooting Up** Łukasz Kamiński, 2017 From hallucinogenic mushrooms and LSD to coca and cocaine from Homeric warriors and the Assassins to the first Gulf War and today's global insurgents drugs have sustained warriors in the field and have been used as weapons of warfare either as non lethal psychochemical weapons or as a means of subversion Lukasz Kamiński explores why and how drugs have been issued to soldiers to increase their battlefield performance boost their courage and alleviate stress and fear as well as for medical purposes He also delves into the history of psychoactive substances that combatants self prescribe a practice which dates as far back as the Vikings Shooting Up is a comprehensive and original history of the relationship between fighting men and intoxicants from Antiquity till the present day and looks at how drugs will determine the wars of the future in unforeseen and remarkable ways **Holy Intoxication to Drunken Dissipation** Barbara Y. Butler, 2006-05 On the eve of the Spanish conquest of the Inca Empire peoples throughout the Andes brewed beer from corn and other grains believing that this alcoholic beverage called asua was a gift from the gods a drink possessing the power to mediate between the human and divine Consuming asua to intoxication was a sacred tradition that humans and spirits shared creating reciprocal joy and ties of mutual obligation When Butler began research in Huaycopungo Ecuador in 1977 ceremonial drinking was causing hardship for these Quichua speaking people Then in 1987 a devastating earthquake was interpreted as a message from God to end the ritual obligation to get drunk Holy Intoxication to Drunken Dissipation examines how the defense of drinking and getting drunk ended abruptly as the people of Otavalo re evaluated their traditional religious life and their relationship with the wider Ecuadorian society and defended a renewed traditional indigenous culture with increasing pride This account presents both the local people's views of their struggles and a more general analysis of the factors involved and concludes with thoughts about how their culture will adapt in the future *Russian History through the Senses* Matthew P. Romaniello, Tricia Starks, 2016-09-22 Bringing together an impressive cast of well respected scholars in the field of modern Russian studies Russian History through the Senses investigates life in Russia from 1700 to the present day via the senses It examines past experiences of taste touch smell sight and sound to capture a vivid impression of what it was to have lived in the Russian world so uniquely placed as it is between East and West during the last three hundred years The book discusses the significance of sensory history in relation to modern Russia and covers a range of exciting case studies rich with primary source material that provide a stimulating way of understanding modern Russia at a visceral level Russian History through the Senses is a novel text that is of great value to scholars and students interested in modern Russian studies **Drugs and**

Narcotics in History Roy Porter, Mikulas Teich, 1995 A collection of essays exploring the complex history of drugs and narcotics throughout history from ancient Greece to the present day shows that such substances were sought originally as healing agents both within and without the medical profession However the mood and mind altering characteristics of some have led to the widespread abuse and legal controls we see today

Soviet Social Problems Walter Connor, David E Powell, Anthony Jones, 2019-09-05 This book analyzes the Soviet Union's social problems focusing on those it shares with Western industrial societies It assesses the social concerns confronting Gorbachev including poverty prostitution health education and family issues and the difficulty of adapting to technological change

Shooting Up Lukasz Kamienski, 2016-02-10 Shooting Up A Short History of Drugs and War examines how intoxicants have been put to the service of states empires and their armies throughout history Since the beginning of organized combat armed forces have prescribed drugs to their members for two general purposes to enhance performance during combat and to counter the trauma of killing and witnessing violence after it is over Stimulants e g alcohol cocaine and amphetamines have been used to temporarily create better soldiers by that improving stamina overcoming sleeplessness eliminating fatigue and increasing fighting spirit Downers e g alcohol opiates morphine heroin marijuana barbiturates have also been useful in dealing with the soldier's greatest enemy shattered nerves Kamienski's focuses on drugs prescribed by military authorities but also documents the widespread unauthorised consumption by soldiers themselves Combatants have always treated with various drugs and alcohol mainly for recreational use and as a reward to themselves for enduring the constant tension of preparing for Although not officially approved such self medication is often been quietly tolerated by commanders in so far as it did not affect combat effectiveness This volume spans the history of combat from the use of opium coca and mushrooms in pre modern warfare to the efforts of modern militaries during the Cold War in particular to design psychochemical offensive weapons that can be used to incapacitate rather than to kill the enemy Along the way Kamienski provides fascinating coverage of on the European adoption of hashish during Napoleon's invasion of Egypt opium use during the American Civil War amphetamines in the Third Reich and the use of narcotics to control child soldiers in the rebel militias of contemporary Africa

The SAGE Handbook of Drug & Alcohol Studies Torsten Kolind, Betsy Thom, Geoffrey Hunt, 2016-10-20 With contributions from leading international academics across the social sciences this accessible handbook takes a critical look at the key theories disciplinary approaches contemporary issues and debates in the field Part I Central Social Science Theories Drug and Alcohol Studies Part II Pillars in Social Science Drug and Alcohol Studies Part III Controversies and New Approaches in Social Science Drug and Alcohol Studies This Handbook is an excellent reference text for the growing number of academics students scientists and practitioners in the drug and alcohol studies community

Vodka Politics Mark Lawrence Schrad, 2014-02-05 Russia is famous for its vodka and its culture of extreme intoxication But just as vodka is central to the lives of many Russians it is also central to understanding Russian history and politics In Vodka Politics Mark

Lawrence Schrad argues that debilitating societal alcoholism is not hard wired into Russians genetic code but rather their autocratic political system which has long wielded vodka as a tool of statecraft Through a series of historical investigations stretching from Ivan the Terrible through Vladimir Putin *Vodka Politics* presents the secret history of the Russian state itself a history that is drenched in liquor Scrutinizing rather than dismissing the role of alcohol in Russian politics yields a more nuanced understanding of Russian history itself from palace intrigues under the tsars to the drunken antics of Soviet and post Soviet leadership vodka is there in abundance Beyond vivid anecdotes Schrad scours original documents and archival evidence to answer provocative historical questions How have Russia s rulers used alcohol to solidify their autocratic rule What role did alcohol play in tsarist coups Was Nicholas II s ill fated prohibition a catalyst for the Bolshevik Revolution Could the Soviet Union have become a world power without liquor How did vodka politics contribute to the collapse of both communism and public health in the 1990s How can the Kremlin overcome vodka s hurdles to produce greater social well being prosperity and democracy into the future Viewing Russian history through the bottom of the vodka bottle helps us to understand why the liquor question remains important to Russian high politics even today almost a century after the issue had been put to bed in most every other modern state Indeed recognizing and confronting vodka s devastating political legacies may be the greatest political challenge for this generation of Russia s leadership as well as the next

Alcohol and Temperance in Modern History Jack S. Blocker Jr., David M. Fahey, Ian R. Tyrrell, 2003-12-17 A comprehensive encyclopedia on all aspects of the production consumption and social impact of alcohol Alcohol and Temperance in Modern History An International Encyclopedia spans the history of alcohol production and consumption from the development of distilled spirits and modern manufacturing and distribution methods to the present Authoritative and unbiased it brings together the work of hundreds of experts from a variety of disciplines with an emphasis on the extraordinary wealth of scholarship developed in the past several decades Its nearly 500 alphabetically organized entries range beyond the principal alcoholic beverages and major producers and retailers to explore attitudes toward alcohol in various countries and religions traditional drinking occasions and rituals and images of drinking and temperance in art painting literature and drama Other entries describe international treaties and organizations related to alcohol production and distribution global consumption patterns and research and treatment institutions as well as temperance prohibition and antiprohibitionist efforts worldwide

The High Title of a Communist Edward Cohn, 2015-06-19 Between 1945 and 1964 six to seven million members of the Communist Party of the Soviet Union were investigated for misconduct by local party organizations and then reprimanded demoted from full party membership or expelled Party leaders viewed these investigations as a form of moral education and used humiliating public hearings to discipline wrongdoers and send all Soviet citizens a message about how Communists should behave The High Title of a Communist is the first study of the Communist Party s internal disciplinary system in the decades following World War II Edward Cohn uses the practices of expulsion and censure as a window into how the postwar regime defined the

ideal Communist and the ideal Soviet citizen As the regime grappled with a postwar economic crisis and evolved from a revolutionary prewar government into a more bureaucratic postwar state the Communist Party revised its informal behavioral code shifting from a more limited and literal set of rules about a party member's role in the economy to a more activist vision that encompassed all spheres of life The postwar Soviet regime became less concerned with the ideological orthodoxy and political loyalty of party members and more interested in how Communists treated their wives raised their children and handled their liquor Soviet power in other words became less repressive and more intrusive Cohn uses previously untapped archival sources and avoids a narrow focus on life in Moscow and Leningrad combining rich local materials from several Russian provinces with materials from throughout the USSR The High Title of a Communist paints a vivid portrait of the USSR's postwar era that will help scholars and students understand both the history of the Soviet Union's postwar elite and the changing values of the Soviet regime In the end it shows the regime failed in its efforts to enforce a clear set of behavioral standards for its Communists a failure that would threaten the party's legitimacy in the USSR's final days

Popular Theater and Society in Tsarist Russia E. Anthony Swift, 2002-12-30 This is the most comprehensive study available of the popular theater that developed during the last decades of tsarist Russia Swift examines the origins and significance of the new people's theaters that were created for the lower classes in St Petersburg and Moscow between 1861 and 1917 His extensively researched study full of anecdotes from the theater world of the day shows how these people's theaters became a major arena in which the cultural contests of late imperial Russia were played out and how they contributed to the emergence of an urban consumer culture during this period of rapid social and political change Swift illuminates many aspects of the story of these popular theaters the cultural politics and aesthetic ambitions of theater directors and actors state censorship politics and their role in shaping the theatrical repertoire and the theater as a vehicle for social and political reform He looks at roots of the theaters discusses specific theaters and performances and explores in particular how popular audiences responded to the plays

National Library of Medicine Current Catalog National Library of Medicine (U.S.), 1988

Russian Drinking Boris Moiseevich Segal, 1987

Under the Influence Kate Transchel, 2010-06-15 *Under the Influence* presents the first investigation of the social cultural and political factors that affected drinking and temperance among Russian and Soviet industrial workers from 1895 to 1932 Kate Transchel examines the many meanings of working class drinking and temperance in a variety of settings from Moscow to remote provinces and illuminates the cultural conflicts and class dynamics that were deeply rooted in drinking rituals and the failure of attempted reforms by the Tsarist and Soviet authorities As the title suggests workers were often under the influence of alcohol but they were also under political influences that defined what it meant to be a Soviet worker Perhaps more importantly they were under deeper prerevolutionary cultural influences that continued to shape lower class identities after 1917 The more the Soviet state tried to control working class drinking the more workers resisted Radical legislation massive propaganda and

even coercion were not sufficient to motivate workers to abandon traditional forms of fraternization Under the Influence highlights working class culture and underscores the limitations the Bolsheviks faced in attempting to create a cultural revolution to complete their social and political revolution

Russian Drinking Use And Abuse Of Alcohol In Prerevolutionary Russia Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russian Drinking Use And Abuse Of Alcohol In Prerevolutionary Russia free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russian Drinking Use And Abuse Of Alcohol In Prerevolutionary Russia free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Russian Drinking Use And Abuse Of Alcohol In Prerevolutionary Russia free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Russian Drinking Use And Abuse Of Alcohol In Prerevolutionary

Russia. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russian Drinking Use And Abuse Of Alcohol In Prerevolutionary Russia any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Russian Drinking Use And Abuse Of Alcohol In Prerevolutionary Russia Books

What is a Russian Drinking Use And Abuse Of Alcohol In Prerevolutionary Russia PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russian Drinking Use And Abuse Of Alcohol In Prerevolutionary Russia PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russian Drinking Use And Abuse Of Alcohol In Prerevolutionary Russia PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russian Drinking Use And Abuse Of Alcohol In Prerevolutionary Russia PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russian Drinking Use And Abuse Of Alcohol In Prerevolutionary Russia PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat,

Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
