Stories and Poems Rudyard Kipling, 2015-10-08 Hear and attend and listen Rudyard Kipling is a supreme master of the short story in English and a poet of brilliant gifts His energy and inventiveness poured themselves into every kind of tale from the bleakest of fables to the richest of comedies and he illuminated every aspect of human behaviour of which he was a fascinated and sometimes appalled observer This generous selection of stories and poems first published in the acclaimed Oxford Authors series covers the full range of Kipling s career from the youthful volumes that brought him fame as the chronicler of British India to the bittersweet fruits of age and bereavement in the aftermath of the First World War It includes stories such as The Man who would be King Mrs Bathurst and Mary Postgate and poems from Barrack Room Ballads and other collections In his introduction and notes Daniel Karlin addresses the controversial political engagement of Kipling s art and the sources of its imaginative power

[Sherlock Holmes. Selected Stories](#) Arthur Conan Doyle, 2014-04 This new selection of 12 of the best Sherlock Holmes stories is designed to give a full sense of their world taking Holmes s career from its early days to its close It includes the book length The Sign of the Four and an introduction and notes by Barry McCrea that give a sense of the different currents running beneath the stories surface

The Ambassadors Henry James, 1998-05-21 Lambert Strether a mild middle aged American of no particular achievements is dispatched to Paris from the manufacturing empire of Woollett Massachusetts The mission conferred on him by his august patron Mrs Newsome is to discover what or who is keeping her son Chad in the notorious city of pleasure and to bring him home But Strether finds Chad transformed by the influence of a remarkable woman and as the Parisian spring advances he himself succumbs to the allure of the vast bright Babylon and to the mysterious charm of Madame de Vionnet The text of this Oxford World s Classics paperback is that of the New York

Selected Stories Katherine Mansfield, 2002 I was jealous of her writing The only writing I have ever been jealous of Virginia Woolf Virginia Woolf was not the only writer to admire Mansfield's work Thomas Hardy D H Lawrence and Elizabeth Bowen all praised her stories and her early death at the age of thirty four cut short one of the finest short story writers in the English language This selection covers the full range of Mansfield's fiction from her early satirical stories to the subtly nuanced comedy of *The Daughters of the Late Colonel* and the macabre and ominous *A Married Man's Story* The stories that pay what Mansfield calls a debt of love to New Zealand are as sharply etched as the European stories and she recreates her childhood world with mordant insight Disruption is a constant theme whether the tone is comic tragic nostalgic or domestic echoing Mansfield's disrupted life and the fractured expressions of Modernism This new edition increases the selection from 27 to 33 stories and prints them in the order in which they first appeared in the definitive texts established by Anthony Alpers

A Connecticut Yankee in King Arthur's Court Mark Twain, 1998-10-01 When *A Connecticut Yankee at King Arthur's Court* was published in 1889 Mark Twain was undergoing a series of personal and professional crises Thus what began as a literary burlesque of British chivalry and culture grew into a disturbing satire of modern technology and social thought The story of Hank Morgan a nineteenth century American who is accidentally returned to sixth century England is a powerful analysis of such issues as monarchy versus democracy and free will versus determinism but it is also one of Twain's finest comic novels still fresh and funny after more than 100 years In his introduction M Thomas Inge shows how *A Connecticut Yankee* develops from comedy to tragedy and so into a novel that remains a major literary and cultural text for new generations of readers This edition reproduces a number of the original drawings by Dan Beard of whom Twain said he not only illustrates the text but he illustrates my thoughts
