Generation RX United States. Congress. Senate.

Committee on the Judiciary. Subcommittee on the Constitution (2007-), 2009 **Generation Rx** Erin Marie Daly, 2015-06-09

What had happened to my baby brother How did a tiny little pill shatter our family When did we first begin losing Pat These are the harrowing questions that plagued Erin Marie Daly after her youngest brother Pat an OxyContin addict was found dead of a heroin overdose at the age of twenty In just a few short years the powerful prescription painkiller had transformed him from a fun loving ball of energy to a heroin addict hell bent on getting his next fix Yet even as Pat s addiction destroyed his external life his internal struggle with opiates was far more heart wrenching Erin set out on a painful personal journey turning a journalistic eye on her brother s addiction in the process she was startled to discover a new twist to the ongoing prescription drug epidemic That kids are hooked on prescription drugs is nothing new what is new is the rising number of young heroin addicts whose addiction began with pills in suburban bedrooms and how a generation of young people playing around with today s increasingly powerful opioids are finding themselves in the frightening grip of heroin While many books have tackled the topic of Big Pharma drug addiction and our increasingly over medicated society Generation Rx offers an entirely new look at what the prescription pill epidemic means for today s youth and the world around them [A New Prescription for Addiction](#) Richard I.
