**Rashtriya Sahara** , 2001      Sachin Tendulkar 10,000 Sharad Pawar,      Sachin Tendulkar: A Definitive Biography Vaibhav Purandare, 2012-08-22 Vaibhav Purandare grew up playing cricket at Shivaji Park Mumbai at the same time as the school going Sachin Tendulkar was amassing loads of runs on the field He watched helplessly as Tendulkar and Vinod Kambli

walked away with a world record partnership against his school Purandare was taught in college by Tendulkar's father Professor Ramesh Tendulkar and was coached as a right hand batsman and off spin bowler by Tendulkar's coach Ramakant Acharekar. He began his journalistic career in 1993 with the political newsmagazine Blitz and has since worked with India's leading newspapers like The Indian Express, The Asian Age, Mid Day, Mumbai Mirror and DNA apart from writing for a host of other publications. His first book The Sena Story a history of the Hindu militant political party Shiv Sena was published in 1999 when he was only twenty three. He is currently Senior Associate Editor with the Hindustan Times, Mumbai. Sachin Tendulkar: The World's Greatest Batsman, 2012 **Master Laster** Sumit Chakrabarty, 2014-04-14 Master Laster takes you beyond Sachin Tendulkar's career aggregates and passionate assertions. There are almost as many books about Sachin Tendulkar as there are centuries by him. But just as there is only one Tendulkar century that came in a winning run chase in the last innings of a Test match, rare are the books that look at his personal records through the prism of how much they mattered to the team. In fact there are none because the easiest thing to do is to produce adulatory tomes for his dotting fans. But there are an equal number of cricket fans out there who want to know something more than gushing accolades and who don't shy away from asking difficult questions. The book covers 1 a quarter of a century of Indian cricket bringing back to life many a game played during Tendulkar's time 2 it indulges fans in one of the enduring joys of cricket discussing a point threadbare from multiple angles 3 how many of his centuries made a difference to the team 4 what is his track record under pressure. None of the books on Tendulkar has engaged fans in these debates. There is the odd question raised here or a critical comment made there in memoirs by former cricketers but not a single book that sifts through the mountain of Tendulkar records to see what value can be attached to them from a team's point of view. An exercise like that can be quite revealing even startling and certainly a lot of fun for cricket lovers. It sets the Tendulkar debate against specific data taking it beyond career aggregates and passionate assertions. Master Laster covers the variables in the game and its infinite possibilities. It also deals with why this game is so fascinating to so many of us. **Playing It My Way** Sachin Tendulkar, 2014-11-06 I don't think anyone apart from Don Bradman is in the same class as Sachin Tendulkar. Shane Warne. Readers are in love with Sachin Tendulkar's autobiography. A must read for anyone who knows cricket. An idol. An inspiration. A great book by one of the all time greats. Brings back so many wonderful memories. This book has made me feel proud to be a lover of the game and has inspired me to succeed in everything I do. The story of the greatest cricket player of all time told in his own words. \_\_\_\_\_ The greatest run scorer in the history of cricket. Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most celebrated Indian cricketer of all time he received the Bharat Ratna Award India's highest civilian honour on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket the result was record breaking.

schoolboy batting exploits that launched the career of a cricketing phenomenon Before long Sachin Tendulkar was the cornerstone of India's batting line up his every move watched by a cricket mad nation's devoted followers Never has a cricketer been burdened with so many expectations never has a cricketer performed at such a high level for so long and with such style scoring more runs and making more centuries than any other player in both Tests and one day games And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai His many achievements with India include winning the World Cup and topping the world Test rankings Yet he has also known his fair share of frustration and failure from injuries and early World Cup exits to stinging criticism from the press especially during his unhappy tenure as captain Despite his celebrity status Sachin Tendulkar has always remained a very private man devoted to his family and his country Now for the first time he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other \_\_\_\_\_ **Sachin**
