Ferguson)** Jason C. Meyer, 2018-04-16 Called a physician of the soul Martyn Lloyd Jones is widely regarded as one of the most powerful preachers of the twentieth century Originally trained as a medical doctor he changed careers after recognizing the depth of healing the gospel can bring to the soul of a sinner With a unique ability to winsomely capture

the minds and hearts of his listeners Lloyd Jones crafted sermons that continue to have a tremendous impact on the world today almost forty years after his death In this book pastor Jason Meyer summarizes what Lloyd Jones taught about the Christian life what he saw as the dangers of separating doctrine from life and how he modeled devotion to the knowledge of God Lloyd Jones s passion for the glory of God in his own life will encourage Christians to hunger to experience God in the same way Preaching Jason C. Meyer,2013 The sermon is under attack This comprehensive biblical theology of preaching examines what it is how to do it and why it s so important exploring the concept s canonical development and relevance for key doctrines *The Company of the Preachers* David L. Larsen,1998-09-01 This work by a veteran pastor and professor of homiletics looks at the history of preaching from its roots in the Old Testament prophets to its continuing development in the modern era *Deep Preaching* J. Kent Edwards,2009 J Kent Edwards recalls a story that late pastor J Vernon McGee told about seeing children in South Africa playing a game of marbles in the dust with real diamonds The precious stones were being handled with no regard for their true worth Edwards fears the same thing happens today when preachers offer Scriptural truth to listeners without being completely overwhelmed by its greatness themselves in the process *Deep Preaching* is his call to rethink preaching Edwards helps preachers learn to preach the word in ways that will powerfully change the lives of hearers He contends that sermons need not settle comfortably on the lives of the listeners like dust on a coffee table He encourages preachers to join him in casting off the lines that moor their ministries to the status quo and make every effort to steer their preaching out of the comfortable shallows He urges them to preach deep sermons rather than superficial ones moving beyond the yawn inspiring to the awe inspiring from the trite to the transforming **The Deliberate Church** Mark Dever,Paul Alexander,2005-09-09 Dever and Alexander propose a model of complete reliance and submission to the Gospel when building a healthy church Great resource for pastors elders and others interested in the vitality of their church Excellence in Preaching Simon Vibert,2012-05-15 What do good preachers do well Simon Vibert has studied today s leading preachers to discover the dynamics of effective preaching Each chapter profiles a contemporary preacher and lifts out practical principles from the likes of Tim Keller John Piper and Nicky Gumbel Learn from the best And become the best preacher that you can be **The Theology of the Christian Life in J.I. Packer's Thought** Don J. Payne,2006-06-01 This study offers a critical analysis of J I Packer s theology of the Christian life Packer has achieved international acclaim and wielded widespread influence within evangelicalism for more than three decades particularly through his writings on the doctrine of sanctification His approach to sanctification is examined in light of the theological anthropology and theological method that constitute its unique structure and assumptions J I Packer has been one of the most recognized evangelical theologians of the late twentieth century Among his theological passions is anchoring the Christian life in the legacy of Reformed theology particularly that expressed by seventeenth century English Puritanism Yet his treatment of the doctrine of sanctification is shaped by two other influences theological anthropology and theological

method This hermeneutical exploration of Packer's treatment of sanctification offers fresh insight into his thought and demonstrates the often unnoticed impact of theological anthropology and theological method within evangelical theology

Undermining the Gospel Ronnie W. Rogers, 2015-09-02 The cruelest thing we can do is to let people remain in their sin when there is liberty to be lived Ronnie W Rogers Pastor Ronnie Rogers superb volume on discipline has provided the most detailed study that to my knowledge has been written in recent years Dr Paige Patterson president of Southwestern Seminary Writing as a biblical theologian Ronnie Rogers establishes the foundation for church discipline But Ronnie writes also as an experienced pastor who has worked out the biblical teaching on church discipline in real life Dr C Richard Wells distinguished professor of pastoral theology The Criswell College Senior Pastor South Canyon Baptist Church Rapid City SD Its hypocrisy for a local church to claim to believe the Bible and then willingly ignore the Bible's teaching on church discipline Its refreshing to see a local church pastor like Ronnie Rogers cry out so clearly against the apathy and disobedience that prevails in most churches on this issue Dr Donald S Whitney associate professor of spiritual formation Midwestern Baptist Theological Seminary **Before God** Mike J. Proclaiming the Whole Counsel of God Steve D. Eutsler, 2025-04-24 For years the best sages have warned Those who fail to plan plan to fail Experience has proven this advice to be true in the spiritual realm as well as in the secular Without careful planning even Pentecostal ministers of the gospel often repeat certain texts or topics while they neglect other critical truths

This frequent phenomenon inspired the integrated approach in this project Dr Eutsler has written a book on preaching that Pentecostal Charismatic pastors and ministers have needed for a long time Based on years of practical experience and sound scholarship it combines an emphasis on the guidance of the Holy Spirit along with long range planning After exploring the unique dynamics of Pentecostal preaching he discusses step by step how to increase their implementation on a more consistent basis This volume will benefit both beginning and veteran students of preaching It could easily be used personally or in a classroom setting Those preachers who read and implement its wise counsel will improve the quality creativity and variety of their preaching George O Wood General Superintendent of the Assemblies of God

J. N. Darby and the Roots of Dispensationalism Crawford Gribben,2024 John Nelson Darby is best known as the architect of the most influential system of end times thinking among the world s half a billion evangelicals This book re examines Darby s thought and argues that claims that Darby is the father of dispensationalism may need to be revised Word and Power Gareth W. D. Stewart,2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber s unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a confessional Presbyterian context in Northern Ireland Word and Power places Wimber in his theological context and asks whether Wimber s view of power evangelism discipleship formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today
