Handbook for Achieving Gender Equity Through Education Susan S. Klein, Barbara Richardson, Dolores A. Grayson, Lynn H. Fox, Cheris Kramarae, Diane S. Pollard, Carol Anne Dwyer, 2014-05-22 First published in 1985 the Handbook for Achieving Gender Equity Through Education quickly established itself as the essential reference work concerning gender equity in education This new expanded edition provides a 20 year retrospective of the field one that has the great advantage of documenting U S national data on the gains and losses in the efforts to advance gender equality through policies such as Title IX the landmark federal law prohibiting sex discrimination in education equity programs and research Key features include Expertise Like its predecessor over 200 expert authors and reviewers provide accurate consensus research based information on the nature of gender equity challenges and what is needed to meet them at all levels of education Content Area Focus The analysis of gender equity within specific curriculum areas has been expanded from 6 to 10 chapters including mathematics science and engineering Global Diversity Focus Global gender equity is addressed in a separate chapter as well as in numerous other chapters The expanded section on gender equity strategies for diverse populations contains seven chapters on African Americans Latinas Asian and Pacific Island Americans American Indians gifted students students with disabilities and lesbian gay bisexual and

transgender students Action Oriented All chapters contain practical recommendations for making education activities and outcomes more gender equitable A final chapter consolidates individual chapter recommendations for educators policymakers and researchers to achieve gender equity in and through education New Material Expanded from 25 to 31 chapters this new edition includes more emphasis on male gender equity and on sexuality issues special within population gender equity challenges race ability and disability etc coeducation and single sex education increased use of rigorous research strategies such as meta analysis showing more sex similarities and fewer sex differences and of evaluations of implementation programs technology and gender equity is now treated in three chapters women s and gender studies communication skills relating to English bilingual and foreign language learning and history and implementation of Title IX and other federal and state policies Since there is so much misleading information about gender equity and education this Handbook will be essential for anyone who wants accurate research based information on controversial gender equity issues journalists policy makers teachers Title IX coordinators equity trainers women s and gender study faculty students and parents

The Contemporary Superintendent Lars G. Bjork, Theodore J. Kowalski, 2005-06-28 The role practice and preparation of today and tomorrow s superintendent A strong superintendent is critical to the success of an entire school district So why is it one of the most deregulated positions Over the past several decades many states have either rescinded licensing requirements for school district superintendents or abandoned regulations altogether The Contemporary Superintendent offers a scholarly and objective analysis of the issues surrounding the state policies that appoint superintendents Lars G Bj rk and Theodore Kowalski have developed a coherent guide to critical professional aspects such as superintendent licensures professional preparation and staff development Featuring the research of educational leadership specialists this resource is not to be missed The Contemporary Superintendent includes Quality strategies by the field s top scholars to implement decisive practices for superintendents Detailed analysis of the concerns over superintendent qualifications and preparations An examination of past present and future practices of superintendents A distinct look at the evolution of the role of the superintendent Developed over a three year period the authors have compiled a collection of useful hands on strategies for aspiring and existing superintendents as well as ideas for adoption in the educational administration leadership professional development and educational policy areas

Women Leaders Genevieve H. Brown, Beverly Irby, Dr. Shirley A. Jackson, 2012-02-01 Women Leaders Advancing Careers recognizes that while the majority of students enrolled in educational leadership preparation programs continue to be women women s advancement to top school executive roles is still not comparable to that of men Despite significant gains in the past decade the biased treatment of women continues to be a barrier to their advancement to key administrative positions The authors in Women Leaders Advancing Careers have contributed significantly to the growing body of literature aimed at assisting the career advancement of women Their research indicates that the concepts presented herein are critical to women s leadership

preparations advancement and success Women Leaders Advancing Careers melds history theory research and practice to provide guidance to aspiring women administrators in developing a career path and in attaining and successfully performing in executive roles Women and School Leadership Cecilia Reynolds, 2012-02-01 This international collection of work by leading feminist scholars in educational administration from five Western liberal democratic countries presents state of the art research on women in school leadership positions The contributors focus on the need for critical reflections which reveal hidden aspects of leadership phenomena and advocate diverse forms of positive action to improve the condition for women in school settings As such this collection challenges the reader to consider the partiality of all perspectives on leadership as well as future directions for research and practice It also brings together views of schools and school systems at the macro level with discussions and case studies focused on the micro levels of school life *Women and Educational Leadership* Margaret Grogan, Charol Shakeshaft, 2010-11-11 This groundbreaking book presents a new way of looking at leadership that is anchored in research on women leaders in education The authors examine how successful women in education lead and offer suggestions and ideas for developing and honing these exemplary leadership practices Women and Educational Leadership shows how the qualities that characterize women s approaches to leadership differ from traditional approaches whether the traditional leader is a woman or a man The authors reveal that women leaders are more collaborative by nature and demonstrate a commitment to social justice They tend to bring an instructional focus to leadership include spiritual dimensions in their work and strive for balance between the personal and professional This important book offers a new model of leadership that shifts away from the traditional heroic notion of leadership to the collective account of leadership that focuses on leadership for a specific purpose like social justice The authors include illustrative examples of leaders who have brought diverse groups to work toward common ground They also show how leadership is a way to facilitate and support the work of organizational members The ideas and suggestions presented throughout the book can help the next generation fulfill the promise of a new tradition of leadership Women and Educational Leadership is part of the Jossey Bass Leadership Library in Education series Leadership Gender And Culture In Education Collard, John, Reynolds, Cecilia, 2004-10-01 This rich explorative book examines the intricacies of gender sexuality ethnicity and class and how these complex influences weave their patterns in the daily lives of leaders It achieves the difficult balance between acknowledging differences as well as unifying elements The book also raises many questions about the context for leadership and examines the central issues of leadership for what What are leaders there to do and for whom To ensure that students achieve higher examination scores or to promote equity and social justice This book offers many fresh insights into these and other important questions Professor Kathryn Riley Institute of Education University of London This book features chapters by leading international scholars on gender and educational leadership Drawing on research in schools in the United Kingdom Australia New Zealand Sweden the United States and Canada it introduces new discussions about the impact of gender race

class institutional setting and recent ideologies on leadership discourses The book shows how early research has over emphasized gender stereotypes and tended to simplify and polarize the ways men and women lead Looking at differences and similarities in how men and women take on and exercise leadership roles the authors counter essentialist claims based on biological psychological and sociological theories that stress gender difference The discussions employ sophisticated understandings of gender relations and leadership discourses in today s globalized context The book is for students and scholars studying leadership and for leaders in different educational contexts around the world Jsl Vol 19-N2 JOURNAL OF SCHOOL LEADERSHIP,2010-04-16 The Journal of School Leadership is broadening the conversation about schools and leadership and is currently accepting manuscripts We welcome manuscripts based on cutting edge research from a wide variety of theoretical perspectives and methodological orientations The editorial team is particularly interested in working with international authors authors from traditionally marginalized populations and in work that is relevant to practitioners around the world Growing numbers of educators and professors look to the six bimonthly issues to deal with problems directly related to contemporary school leadership practice teach courses on school leadership and policy use as a quality reference in writing articles about school leadership and improvement Latinas Leading Schools Melissa A Martinez,Sylvia Méndez-Morse,2021-01-01 As the first scholarly book of its kind this edited volume brings together educational leadership scholars and practitioners from across the country whose research focuses on the unique contributions and struggles that Latinas across the diaspora face while leading in schools and districts The limited though growing scholarship on Latina administrators indicates their assets particularly those rooted in their sociocultural linguistic and racial ethnic backgrounds their cultura are undervalued in research and practice Hernandez Martinez Rivera Mendez Morse 2000 Mendez Morse Murakami Byrne Jimenez Martinez Marquez Cantu Rocha 2016 The impetus for this book is to acknowledge explore theorize and expand our understanding of how Latinas success as school and district leaders is informed by such gifts including their prioritizing of familia and comunidad relationship building reciprocity and advocacy in the face of such challenges Thus this volume covers four topical areas 1 Testimonies and reflections from the field Testimonios y reflexiones del campo 2 Leading in relationship comadrismo with and for community Liderazgo en relaci n comadrismo con y para la omunidad 3 School community leaders hip Liderazgo escolar y comunitario 4 Learning from the experiences of others Aprendiendo de las experiencias de otras Handbook of Urban Educational Leadership Muhammad Khalifa,Noelle Witherspoon Arnold, PhD, associate professor, Educational Leadership and Policy Analysis, University of Missouri-Columbia,Dr. Azadeh F. Osanloo,Cosette M. Grant,2015-06-01 This authoritative handbook examines the community district and teacher leadership roles that affect urban schools It will serve as a foundation for pedagogical and educational leadership practices that foster social justice equity and advocacy for those who have been traditionally and historically underserved in education

Women as Leaders in Education Jennifer L. Martin,2011-09-22 This up to date candid examination of women s careers

in education and leadership in education describes the pitfalls triumphs and future promise of female leaders in education Overall education is a field still dominated by women yet women do not typically pursue or attain leadership positions at the administrative level Research has revealed some of the reasons for this women still experience gender discrimination in education careers experience higher attrition rates and have slower career mobility than do men Additionally women in education are apparently less valued and their performance is more critically evaluated as in other fields This insightful text shows the gender based inequities and discrimination women face when aiming for leadership positions in education and lays out a plan to bring success to this level of the field that is still male dominated Women as Leaders in Education Succeeding Despite Inequity Discrimination and Other Challenges is the result of a team of leading feminist educators and scholars It delves into feminist women s leadership in education from kindergarten to graduate school This two volume work assesses the historical and current political landscape with regard to women hitting a glass ceiling issues of social justice and the unique challenges women face in educational leadership as well as the new field of teacher leadership The SAGE Handbook of Educational Leadership Fenwick W. English,2011-01-11 This fully updated Second Edition offers an unflinching and comprehensive overview of the full range of both practical and theoretical issues facing educational leadership today Editor Fenwick W English and 30 renowned authors boldly address the most fundamental and contested issues in the field including culturally relevant and distributed leadership critical policy and practice issues predicting the new century s conflict the paradox of changes and the promises paradoxes and pitfalls of standards for educational leaders

Reconsidering Feminist Research in Educational Leadership Michelle D. Young,Linda Skrla,2012-02-01 Ten prominent feminist researchers from diverse backgrounds examine educational leadership by focusing on critical questions about the theories methods and epistemologies feminist researchers use The contributors analyze the impact of research on participants and assess the ethical and political implications of researching across groups They explore the types of strategies feminist researchers have developed to address the problems of the field and propose alternative epistemologies that provide for more sensitive research methods and more complex research results The book provides a timely examination of how gender inequalities were created and structured within U S systems of school administration how they are maintained and perpetuated and how they might best be understood and dismantled **Women Leading Education Across the Continents** Helen C. Sobehart,2009-01-16 Women Leading Education across the Continents is the first collection of research about and stories of women in basic and higher education leadership from every region of the globe The chapters are authored by scholars representing every continent including a keynote from the first all female team to traverse Antarctica The book captures not only statistical data about the position of women in basic and higher education in over 17 countries but relates compelling insights and stories about the challenges that women face in leadership the limited access to education by young women and some strategies for success that have fanned a flame to light the way for both women and

men to follow toward equity and social justice **School Governance** Richard C. Hunter, Frank Brown, Saran Donahoo, 2012-09-06 This volume in the point counterpoint Debating Issues in American Education reference series tackles the topic of school governance providing readers with views on multiple sides of governance issues and pointing them toward more in depth resources for further exploration Jsl Vol 14-N3 JOURNAL OF SCHOOL LEADERSHIP, 2004-05-27 The Journal of School Leadership is broadening the conversation about schools and leadership and is currently accepting manuscripts We welcome manuscripts based on cutting edge research from a wide variety of theoretical perspectives and methodological orientations The editorial team is particularly interested in working with international authors authors from traditionally marginalized populations and in work that is relevant to practitioners around the world Growing numbers of educators and professors look to the six bimonthly issues to deal with problems directly related to contemporary school leadership practice teach courses on school leadership and policy use as a quality reference in writing articles about school leadership and improvement **The American School Superintendent** Theodore J. Kowalski, 2011-01-16 This must have study offers a definitive look at the state of school leadership in the United States It provides a detailed picture of the men and women leading the nation's schools based on a representative sample of school leaders nationwide The American Association of School Administrators has conducted an authoritative State of the Superintendency report every decade since 1923 This report provides research on American school superintendents in 2010 Data were collected via an electronic survey from just under 1 900 superintendents across the United States This report is a valuable resource for school leaders aspiring school leaders and those charged with preparing and supporting school leaders It is essential reading for a range of audiences including superintendents aspiring superintendents school board members professors of education administration superintendent search consultants education researchers and others looking for up to the minute data on education leadership Reported findings in the 2010 study include Personal characteristics Career development Professional education School board relationships Opinions on a broad range of professional educational political and social issues *Sexuality Matters* James W. Koschoreck, Autumn K. Tooms, 2009-10-15 Sexuality Matters brings together scholars from a variety of epistemological perspectives to explore the multiple ways in which sexuality does indeed matter in the arena of public education This book is arranged into three main thematic areas Policy and Activism Curriculum and Pedagogy and Identity and Lived Experiences each of which explores specific ideas and challenges found within the corresponding topic The special features of this collection include a focus on the implications of sexuality for educational leadership as well as a multi perspectival approach to the exploration of these concerns This text will prove to be especially useful both to scholars who prepare future educational leaders and to practitioners who are seeking ways to deal with the complex social realities of their communities
