current research approaches Familiarity with Hayes's writings thus allows contemporary interpreters to envisage new avenues and perspectives in critical discussion of the Hebrew Bible **Outlines of Sacred History; from the creation of the world to the destruction of Jerusalem, etc. The preface signed: W. Bundock,2016-01-01 Romantic writers invoked prophecy throughout their work However the failure of prophecy to materialize didn't deter them Why then do Romantic writers repeatedly invoke prophecy when it never works The answer to this question is at the heart of Romantic Prophecy and the Resistance to Historicism In this remarkably erudite work Christopher Bundock argues that the repeated failure of prophecy in Romantic thought is creative and enables a renewable potential for expression across disciplines By focusing on new readings of canonical Romantic authors as well as their more obscure works Bundock makes a bold intervention into major concepts such as Romantic imagination historicity and mediation Romantic Prophecy and the Resistance to Historicism glides across Kant's Swedenborgian dreams to Mary Shelley's Last Man and reveals how Romanticism reinvents history by turning prophecy inside out *A New Analysis of Chronology and Geography, History and Prophecy: Chronology and geography* William Hales,1830 **Biblical Commentary on the Prophecies of Isaiah** Franz Delitzsch,1867 *Biblical commentary on the prophecies of Isaiah, tr. by J.
