King Solomon's coronation and music continues to play a central role in virtually every Jewish occasion Through 100 brief chapters this volume considers theoretical approaches to the study of Jewish sacred music Topics include the diversity of Jewish music the interaction of music and identity the emotional and spiritual impact of worship music the text tone relationship the musical component of Jewish holidays and the varied ways prayer songs are performed These distillations of complex topics invite a fuller appreciation of synagogue song and an understanding of the ubiquitous presence of music in Jewish worship

Pauline Style and Renaissance Literary Culture Daniel Knapper, 2024-01-05 Daniel Knapper provides the first critical history of Saint Paul's rhetorical style in the Renaissance The book examines creative responses to Paul's style across a wide range of mediums and genres showing how writers and artists wrestled not only with the provocative ideas in Paul's New Testament epistles but also his ways of expressing them

Vanity Fair and the Celestial City Isabel Rivers, 2018-07-25 In John Bunyan's *The Pilgrim's Progress* the pilgrims cannot reach the Celestial City without passing through Vanity Fair where everything is bought and sold In recent years there has been much analysis of commerce and consumption in Britain during the long eighteenth century and of the dramatic expansion of popular publishing Similarly much has been written on the extraordinary effects of the evangelical revivals of the eighteenth century in Britain Europe and North America But how did popular religious culture and the world of print interact It is now known that religious works formed the greater part of the publishing market for most of the century What religious books were read and how Who chose them How did they get into people's hands *Vanity Fair and the Celestial City* is the first book to answer these questions in detail It explores the works written edited abridged and promoted by evangelical dissenters Methodists both Arminian and Calvinist and Church of England evangelicals in the period 1720 to 1800 Isabel Rivers also looks back to earlier sources and forward to the continued republication of many of these works well into the nineteenth century The first part is concerned with the publishing and distribution of religious books by commercial booksellers and not for profit religious societies and the means by which readers obtained them and how they responded to what they read The second part shows that some of the most important publications were new versions of earlier nonconformist episcopalian Roman Catholic and North American works The third part explores the main literary kinds including annotated bibles devotional guides exemplary lives and hymns Building on many years research into the religious literature of the period Rivers discusses over two hundred writers and provides detailed case studies of popular and influential works
