been liberated from restlessness and is focused on the Infinite to be focused only on God or sacred thoughts and ideas Meditation consists in certain physical psychological and metaphysical processes by which the static of restlessness can be removed from the body mind and soul radios which can then be tuned in with the Infinite By calm continuous one pointed attention the ego must be kept connected to the Spirit until they both become merged into everlasting bliss In Metaphysical Meditations Paramhansa Yogananda author of the best selling spiritual classic Autobiography of a Yogi gives some concrete metaphysical methods of meditation for the student who has already struggled through the mobs of rowdy thoughts and crossed the portals of silence The instructions will be found in the various sections of the book preceding each type of meditation prayers or demands addressed to the Divine affirmations about God and those spoken to the individual consciousness The Cumulative Book Index ,1922 **Ascension Activation Meditations of the Spiritual Hierarchy**

Joshua D. Stone,Janna Shelley Parker,2001-03-18 This book is one of the most profound books ever written to help you achieve your seven levels of Initiation and Ascension These Ascension Activation Meditations are specifically designed to accelerate your Ascension process and the building of your Light Body and Light Quotient faster quicker and more efficiently than any other type of meditations you will find on earth This is because these meditations will invoke the specific help on the inner plane from the Ascended Masters and Angels to help in this process I like to call this type of Spiritual work the Rocketship to God **Meet Your Soul** Elisa Romeo,2015-03-03 In this groundbreaking book therapist and intuitive Elisa Romeo takes Soul beyond an intellectual concept and into a direct and personal relationship Pulling from depth psychology years of practical experience and touching stories from clients Elisa brings substance and gravitas and some levity to the topic of how to live a Soulful life This comprehensive straightforward program contains effective meditations visualizations and inquiries to support you on the often messy winding and yet amusing path of discovering your Soul in modern times Meet Your Soul not only tells you how to access your Soul connection but also preps you for some of the common obstacles you re likely to encounter on your journey With her kind and informed direction you ll learn to Understand the crucial distinction between ego Spirit and Soul Create and cultivate a strong spiritual practice Distinguish your Soul Truth from the beliefs of family friends and society Clearly access the voice of your Soul Gain awareness of the key Soul contracts in your life and discover your Divine purpose This book helps you meet the oldest wisest and most loving part of yourself the part that gives meaning and purpose to your life Elisa shows that each of us has the capacity to hear this personal unique guidance directly You needn t look outside yourself to a guru program or system rather you can simply look within **Relig-ish** Rachele Mee-Chapman,2016-07-26 When it comes to religion choose one is no longer your only option You can be spiritual but not religious or not particularly religious at all yet still have a robust system of beliefs and values that guides you Creating your own set of eclectic spiritual practices is not a sign that you are a faith less person but rather a faith ful person responding with honesty to an increasingly expanding world If faithfully attending church isn t helping you live out your values in

everyday ways becoming religious may be the answer Rachelle Mee Chapman's new book *Religious* will help you Create a set of spiritual practices that fit into your daily life and honor the things you value most Develop right fit spiritual practices for yourself and your family outside of going to church Shake off harmful religious messages and embrace truths that won't damage yourself or your soul Build bridges towards your religious family members by identifying the common values that are the bedrock beneath your beliefs Discover that your soul is not at risk and you are not lost in your wondering wandering post church world
