Humanities ,1994 Healing the Fisher King G. Scott Sparrow, 2005-04 A powerful true story of one man's spiritual and emotional healing on the home waters of his childhood Lured by the dream of catching a great fish in the middle years of his life the author is drawn into an initiation in which he must decide to live fully or to die Mary and the Catholic Imagination Wright, Wendy M., 2010 Reflects on the nature of the Catholic imagination as viewed through the figure of Mary and suggests that she might be considered the global Catholic Church's point vierge a provocative phrase that opens up a dimension of both the Catholic imagination and the mystery of Mary in an intriguing manner Mary Magdalene and the **Drama of Saints** Theresa Coletti, 2013-11-15 A sinner saint who embraced then renounced sexual and worldly pleasures a woman who through her attachment to Jesus embodied both erotic and sacred power a symbol of penance and an exemplar of contemplative and passionate devotion perhaps no figure stood closer to the center of late medieval debates about the sources of spiritual authority and women's contribution to salvation history than did Mary Magdalene and perhaps nowhere in later medieval England was cultural preoccupation with the Magdalene stronger than in fifteenth century East Anglia Looking to East Anglian texts including the N Town Plays The Book of Margery Kempe The Revelations of Julian of Norwich and Bokenham's Legend of Holy Women Theresa Coletti explores how the gendered symbol of Mary Magdalene mediates tensions between masculine and feminine spiritual power institutional and individual modes of religious expression and authorized and unauthorized forms of revelation and sacred speech Using the Digby play Mary Magdalene as her touchstone Coletti engages a wide variety of textual and visual resources to make evident the discursive and material ties of East Anglian dramatic texts and feminine religion to broader traditions of cultural commentary and representation In bringing the disciplinary perspectives of literary history and criticism gender studies and social and religious history to bear on specific local instances of dramatic practice Mary Magdalene and the Drama of Saints highlights the relevance of Middle English

dramatic discourse to the dynamic religious climate of late medieval England In doing so the book decisively challenges the marginalization of drama within medieval English studies elucidates vernacular theater s kinship with influential late medieval religious texts and institutions and articulates the changing possibilities for sacred representation in the decades before the Reformation **2015 U.S. Higher Education Faculty Awards, Vol. 2** Faculty Awards, 2022-09-01 Created by professors for professors the Faculty Awards compendium is the first and only university awards program in the United States based on faculty peer evaluations The Faculty Awards series recognizes and rewards outstanding faculty members at colleges and universities across the United States Sacred Encounter Lisa L. Grushcow, 2014-03-01 This wide ranging anthology takes a close look at the breadth of human sexuality from a Jewish perspective The essays begin with a look at biblical and rabbinic views on sexuality and then proceed to explorations of sexuality at different moments in the life cycle sexuality and the marital model diverse expressions of sexuality examples of sexuality education the nexus of sexuality and theology and the challenges of contemporary sexual ethics The Sacred Encounter is a thought provoking and important Jewish resource Perfect for personal study or for high school or adult classes Published by CCAR Press a division of the Central Conference of American Rabbis The Holy Spirit as Space for the Living George C. Evans Jr., 2023-09-08 In The Holy Spirit as Space for the Living George Evans recognizes the significance of the Spirit in pneumatology within the New Testament emphasizing the Spirit's indwelling presence as a person However Evans notes that the functional aspect of the Spirit as the presence of God is often overlooked The Spirit not only gives life ruah but also creates space for individuals to live and thrive This spatial understanding suggests that the Spirit constructs a unique space for born again believers to inhabit leading to self awareness and a transformed lifeworld Evans adopts a spatial hermeneutic drawing inspiration from Jesus s encounter with Nicodemus to explore different spatial productions and their connection to the experience of being reborn within the space of the Spirit Through this approach he develops a concept of Christian spatiality that expands our theological understanding and highlights space as a construct shaped by the Spirit By considering the role of the Spirit in creating and shaping our lived experience Evans unveils a deeper understanding of the transformative power of the Spirit and its impact on our spiritual journey The Diaspora Encounter Francisco A. Cruz, 2017-12-19 As a historian of a different making Francisco seeks to capture the heart of his past and that of spirituality through lifetime memories from boyhood days in Shanghai and Macau to day dreams as a young man in Hong Kong from new family life in San Francisco as a naturalized citizen to rebirth of mind through a number of pilgrimages to Fatima Medjugorje and Moscow with his extended family Together with his spiritual partner and second wife of 30 years Terry he witnessed the crowning of the Blessed Virgin Mary at the Red Square in Moscow for the 75th Anniversary of the Fatima Apparition in Portugal As just two amongst one thousand plus of God's children from bishops to priests theologians brothers sisters youths and other laypersons that were there that day they joined together at the 1992 World Youth Congress in Moscow to share a very special message with the

world about the need for change It was a message of WARNING as prophesized by the Blessed Virgin the Mother of God on Sunday the 13th of May in the year 1917 But more importantly it was also a call for love and spiritual renewal There has been no phenomenon like it ever before recorded but the miracle of the sun in Fatima continues to shine bright even at the darkest of times and is the hope behind this book Many of history's greatest thinkers have wrestled with the question of belief and non belief in God through their literary circles and often simply by the way they have lived their lives 1 Is there a God and 2 Why would He care about me Those are profound and universal questions considered in the first two books of this family story and re visited here in this third encounter in trilogy Though it might seem unlikely that any new arguments can be raised from either side between Science and Theology on Christendom ultimately each reader needs to ask through his or her own voice of Faith this question of GOD and His existence It is at that spiritual juncture of question and answer that mankind may decide which path to follow As seminarian students Terry and Francis took three years of theology at St Patrick Seminary University in Menlo Park under the Diaconate Formation Program with the hopes of Francisco becoming a deacon with the Class of 2006 Though God had other plans for Francisco both husband and wife humbly served at the Cathedral of St Mary of the Assumption in San Francisco and at St Bruno Church of the San Francisco Archdiocese for three decades This soulful dialogue is for anyone seeking out answers about Judeo Christian ethics and the belief that GOD reveals all in time
