Sacred Paths Of The East:

The Sacred Paths of the East Theodore M. Ludwig,2006 This book combines study of the dynamic historical development of each religious tradition with a comparative thematic structure In this way the book helps readers to explore each of the major religions as a unique and integral system of meaning and life At the same time readers are encouraged to discover and explore the nature of religious experience by comparing basic themes and issues common to all religions Covering the religions arising from India China and Japan this book introduces the key dimensions of religious experience outlining the basic human concerns that give rise to religious experience such as origin and identity ultimate reality human nature and the good life For anyone interested in exploring the origins and development of the diverse religions of the world Sacred Paths of the West Theodore M Ludwig,2015-08-07 This text combines study of the dynamic historical development of each religious tradition with a comparative thematic structure Students are encouraged to discover and explore the nature of religious experience by comparing basic themes and issues common to all religions finding connections with their own personal experiences By sensitively introducing descriptive material within a comparative thematic structure this text helps students to understand how each religion provides for its adherents patterns and meanings that make up a full way of life

Paths of the East & Atlas World Pkg ANONIMO,2005-10-01 The Sacred Paths Theodore M. Ludwig,2001 For courses in Religions of the World History of Religions Comparative Religion and Introduction to Religious Studies in departments of Religious Studies Theology and Philosophy Unique in approach this text combines an historical descriptive presentation of individual religions with a comparative thematic approach It begins with a discussion of the basic human questions and concerns relating to religion e g origin and identity ultimate reality human nature and the good life and then uses these essential concepts to help describe the beliefs practices and historical development of each religion As the work of a single scholar much of it based on original research this book offers a consistency and depth missing in many of the texts in this field Gospel and Culture: Finding Ways To Engage The Culture With God senduring Message of Hope Michael Gunn,2018-11-18 How has the culture affected the gospel of Jesus Christ and how has that affected the witness of the church in the 21st century This book intends to address those questions and then work toward a healthy correction to recapture the truth of the gospel and the glory of God and help people engage the culture instead of separating from it

The Ecstatic Poetic Tradition D.J. Moores,2014-05-14 This work is not only a general inquiry into ecstatic states of consciousness and an historical outline of the ecstatic poetic tradition but also an intensive study of five representative poets Rumi Wordsworth Whitman Dickinson and Tagore In a refreshingly original wide ranging engagement with concepts in psychology religion philosophy aesthetics sociology and history this book demonstrates that the poetics and aesthetics of ecstasy represent an ancient ubiquitous theory of poetry that continues to influence writers in the current century **The**

Sacred Paths of the West Theodore M. Ludwig, 1994 This text combines study of the dynamic historical development of each religious tradition with a comparative thematic structure Students are encouraged to discover and explore the nature of religious experience by comparing basic themes and issues common to all religions finding connections with their own personal experiences By sensitively introducing descriptive material within a comparative thematic structure this text helps students to understand how each religion provides for its adherents patterns and meanings that make up a full way of life American Spiritualities Catherine L. Albanese, 2001 This reader explores current interest in spirituality in the United States It traces the concept and presence of spirituality in the nation s past and explains the strong attraction to spiritual themes in the present with attention to questions of definition historical usage and connection to religion Twenty seven selections pursue the difference and diversity among Americans in terms of their spiritual styles here understood as modes of experiential knowledge Catherine L Albanese has organized these selections to reflect four approaches to spirituality knowing through the body or ritual based spiritualities knowing through the heart or evangelical and emotionally toned spiritualities knowing through the will or prophetic and social action spiritualities and knowing through the mind or metaphysically oriented spiritualities Taken together these essays make the argument that the spiritual is human made essentially religious and surely not the same at all American times and places The anthology includes selections by Catherine L Albanese Janet and Robert Aldridge Daniel Berrigan Joseph Epes Brown Charles W Colson Annie Dillard Virgilio Elizondo Tamar Frankiel Emma Goldman Charles E Hambrick Stowe B K S Iyengar Curtis D Johnson Martin Luther King Jr Chen Kung Jerena Lee Shirley MacLaine Aimee Semple McPherson Thomas Merton Carry A Nation E Burke Rochford Jr Jerry Rubin Molly Rush Starhawk Henry David Thoreau Ralph Waldo Trine Joachim Wach B Alan Wallace Steven Wilhelm and Dhyani Ywahoo Catherine L Albanese is Professor of Religious Studies at the University of California Santa Barbara She is the author of the widely used textbook America Religions and Religion now in its third edition and of numerous other articles and books including Nature Religion in America From the Algonkian Indians to the New Age Albanese is a former president of the American Academy of Religion 552 pages 6 1 8 x 9 1 4 bibl index cloth 0 253 33839 5 65 00 L 50 00 paper 0 253 21432 7 27 50 s 21 00 Journeys East Harry Oldmeadow, 2004-04-28 This is the first book to treat the impact of religious philosophical and psychological traditions of the East on Western intellectuals artists travellers and spiritual seekers in the twentieth century Addressed to both general readers and scholars of religion it is especially valuable for its penetrating and inter religious analysis of two of the most compelling themes now facing the world the emergence of cross cultural religious understanding of the natural order and ecological crisis and the metaphysical basis for both the formal diversity and essential unity of religious traditions of both East and West The West has long romanticized the mysterious East but it has also judged its traditions as uncivilized Our notions about Eastern spirituality have been formed by a succession of travellers scientists artists intellectuals poets philosophers and missionaries as well as by Eastern travellers who have spent time in the West This book helps us to recognize the influence of Eastern ideas upon modern Western thought by tracing the history of engagements between East and West up until the present day It concludes with a section that helps us to perceive the timeless value of the many Eastern contributions to the West's current intellectual and spiritual state Victoria Dimidjian, 2005-08-10 Some of the West's foremost spiritual teachers share their thoughts on aging and the end of life process Comprehensive and original interviews with Ram Dass Michael Eigen Norman Fischer Joan Halifax Thich Nhat Hanh Sister Chan Khong Frank Ostaseski Rodney Smith and John Wellwood provide new perspectives and offer comfort and support This accessible thought provoking and unique book is an invaluable resource for individuals classrooms hospice or home care settings and for anyone who has experienced the loss of a loved one Journeying East also features a comprehensive resources section with an annotated bibliography guidelines for general reading and study information on the training of hospice employees and volunteers and suggested at home activities Victoria Jean Dimidjian is professor of education at Florida Gulf Coast University She began her study of Buddhism at the Zen Studies Society in Manhattan in 1974 and is a founding member of the Naples Community of Mindfulness An important and life changing book Diane Cox CEO Hospice of Naples FL A Fresh Cup of Counseling Thomas L. Norris, 2021-11-12 Today's counseling clients want more than traditional therapy They want something new bold and effective and A Fresh Cup of Counseling serves just that While the power of clinical applications in spiritual counseling has long been discussed by field experts little has been written about the subject until now Packed with theoretical and practical knowledge about this power the book offers a breakthrough guide to spiritual counseling with ideas training and real life case studies for students and professionals alike Written by Rev Dr Tom Norris a spiritual counselor and Universalist minister with fifty years of experience in social work psychotherapy group therapy marriage and family therapy and hypnotherapy this book is a treasure trove of contemporary clinical and scientific knowledge starting from a purely psychosocial and psychological perspective and diving into the evolution of the spiritual therapeutic discipline In the process it pulls from Buddhist Judeo Christian Native American Islamic Yin Yang Neopagan Shamanic Hindu and other religions using their practices and ideals from past lives and chakra balancing to meditation and Ultraterrestrials to demonstrate the power of spirituality in the holistic healing process The result A dynamic psycho spiritual expedition that helps counselors and their clients unleash positive lasting transformation Lakota G. Clifton Wisler, 2014-05-05 Mastincala the Rabbit Boy is born in a tumultuous and uncertain time for his people the Lakota He is but a boy when his father is killed during the clash between the Lakota and Colonel Harney's army at Rosebud and he vows to avenge his father's death Mastincala joins Crazy Horse and the Oglala on their rides against the Crow fighting against the encroachment and overhunting of Big Horn country He earns the name Tacante Buffalo Heart for his courage during one particularly fierce battle and sheds his softer boyhood persona When gold is discovered in the sacred Black Hills a series of unstoppable events is set in motion culminating in the bloody massacre at Little Big Horn In the midst of the turmoil

Mastincala must decide how to forge a future for his family while defending the honor and tradition of his ancestors Lakota vividly details the struggle of the Lakota people against the white man for control of their hunting grounds and offers a moving bittersweet portrait of the period that marked the end of a way of life for the Plains Sioux **Native and Christian** James Treat, 2012-11-12 Native and Christian is an anthology of essays by indigenous writers in the United States and Canada on the problem of native Christian identity This anthology documents the emergence of a significant new collective voice on the North American religious landscape It brings together in one volume articles originally published in a variety of sources many of them obscure or out of print including religious magazines scholarly journals and native periodicals along with one previously unpublished manuscript **Angelslaver** K Michael Wright, 2008-09-01 Set amidst an eerie and distant future this novel tells the story of Etlantis the mother city built in the shadows of Mt Arom and the possible end of the world Believing in their right to rule the planet the people of Etlantis sent ships to hunt the Western Seas In them were the Nephilim sons of Angels who had become addicted to human flesh and blood through the curse of Enoch In the wake of their terror the earth's human population has neared extinction Unless the survivors can band together to destroy the monsters that ravaged their home the end is all but certain Featuring an imaginative range of characters and concepts this is a harrowing vision of the line between heaven and earth Century Path ,1902 The Psychology of Kundalini Yoga C. G. Jung, 2012-01-12 Kundalini yoga presented Jung with a model of something that was almost completely lacking in Western psychology an account of the development phases of higher consciousness Jung's insistence on the psychogenic and symbolic significance of such states is even more timely now than then As R D Laing stated It was Jung who broke the ground here but few followed him From the introduction by Sonu Shamdasani Jung s seminar on Kundalini yoga presented to the Psychological Club in Zurich in 1932 has been widely regarded as a milestone in the psychological understanding of Eastern thought and of the symbolic transformations of inner experience Kundalini yoga presented Jung with a model for the developmental phases of higher consciousness and he interpreted its symbols in terms of the process of individuation With sensitivity toward a new generation s interest in alternative religions and psychological exploration Sonu Shamdasani has brought together the lectures and discussions from this seminar In this volume he re creates for today s reader the fascination with which many intellectuals of prewar Europe regarded Eastern spirituality as they discovered more and more of its resources from yoga to tantric texts Reconstructing this seminar through new documentation Shamdasani explains in his introduction why Jung thought that the comprehension of Eastern thought was essential if Western psychology was to develop He goes on to orient today s audience toward an appreciation of some of the questions that stirred the minds of Jung and his seminar group What is the relation between Eastern schools of liberation and Western psychotherapy What connection is there between esoteric religious traditions and spontaneous individual experience What light do the symbols of Kundalini yoga shed on conditions diagnosed as psychotic Not only were these questions important to analysts in the 1930s

but as Shamdasani stresses they continue to have psychological relevance for readers on the threshold of the twenty first century This volume also offers newly translated material from Jung's German language seminars a seminar by the indologist Wilhelm Hauer presented in conjunction with that of Jung illustrations of the cakras and Sir John Woodroffe's classic translation of the tantric text the Sat cakra Nirupana The Pocket Chögyam Trungpa Chögyam Trungpa, 2008-11-11 A pocket sized treasury of short teachings on living life with courage and compassion from one of the most influential Buddhist teachers of our time Ch gyam Trungpa 1940 1987 one of the most influential Tibetan meditation masters to practice and teach in the West used to say that wisdom can be taught only in the form of a hint a hint that inclines us to recognize the wisdom in us all along Here are 108 marvelous hints from the renowned teacher so supremely skilled at dropping them The Pocket Ch gyam Trungpa will serve as a compact introduction to his teachings for those not yet familiar with him and as a wonderful source of daily inspiration for those who are The Shambhala Pocket Library is a collection of short portable teachings from notable figures across religious traditions and classic texts The covers in this series are rendered by Colorado artist Robert Spellman The books in this collection distill the wisdom and heart of the work Shambhala Publications has published over 50 years into a compact format that is collectible reader friendly and applicable to everyday life **Essential Chogyam Trungpa** Carolyn Rose Gimian, 1999-08-31 Ch gyam Trungpa wrote more than two dozen books on Buddhism and the Shambhala path of warriorship The Essential Ch gyam Trungpa blends excerpts from bestsellers like Shambhala The Sacred Path of the Warrior Cutting Through Spiritual Materialism Meditation in Action and other titles into a concise overview of Trungpa's teachings Forty selections from fourteen different books articulate the secular path of the Shambhala warrior as well as the Buddhist path of meditation and awakening This new classic vividly demonstrates Trungpa s great appreciation of Western culture which combined with his deep understanding of the Tibetan tradition makes these teachings uniquely accessible to contemporary readers It will appeal to beginning students of meditation as well as seasoned The Archaeology of Lucanian Cult Places Ilaria Battiloro, 2017-08-10 With the emergence and readers of Eastern religion structuring of the Lucanian ethnos during the fourth century BC a network of cult places set apart from habitation spaces was created at the crossroads of the most important communication routes of ancient Lucania These sanctuaries became centers of social and political aggregation of the local communities a space in which the community united for all the social manifestations that in urban societies were usually performed within the city space With a detailed analysis of the archaeological record this study traces the historical and archaeological narrative of Lucanian cult places from their creation to the Late Republican Age which saw the incorporation of southern Italy into the Roman state By placing the sanctuaries within their territorial political social and cultural context Battiloro offers insight into the diachronic development of sacred architecture and ritual customs in ancient Lucania The author highlights the role of material evidence in constructing the significance of sanctuaries in the historical context in which they were used and crucial new evidence from the most recent

rchaeological investigations is explored in order to define dynamics of contact and interaction between Lucanians and omans on the eve of the Roman conquest
