Canadian Books in Print 2002 Marian Butler, 2002-02 Canadian Books in Print, 2000 Voices from the Lower Deck Monique Layton, 2019-12-10 *Voices from the Lower Deck* examines the role of folklore as the instrument of integration and bonding for the ordinary seafarer during the Age of Sail Mainly based on contemporary sailors' narratives and historical and folkloric texts the book evokes common themes the harsh environment the cruel discipline the brutal way of life and the release of onshore carousing and whoring but also the coordinated work and effort of daily tasks and the tremendous pride of seeing themselves as unique men against a background of landlubbers The psychological and physical survival of these disparate men from many origins depended on their rapid integration into the common culture the folklore and the folkways of what historians have called the wooden world **The Publishers Weekly**, 1988 **Proclaim the Wonder** Scott Hoezee, 2019-07-11 Does the rise of science imply the decline of faith Should preachers protect their flocks from the inroads of scientific naturalism Or is an informed scientific view of the universe compatible with Christian belief even a strong source of support for it This world belongs to God and the pulpit is a crucial vehicle for celebrating science's contribution to the understanding of creation Beginning with a defense of the authority of Scripture Scott Hoezee distinguishes between science as a physical field of inquiry and scientific naturalism which often turns science into an atheistic religious or philosophical point of view After establishing the fact that there is no necessary clash between theology and science Hoezee summarizes

some of the more recent discoveries in the fields of physics and cosmology as well as current ideas about the biological and mental nature of human beings He highlights intriguing scientific facts and points to the theological interpretations that can be drawn from them Proclaim the Wonder offers specific suggestions and strategies for integrating science into preaching and provides sample sermons based on key biblical texts **Scuttlebutt** Robert B.
