King, 2024-05-21 2024 National Outdoor Book Award Silver Medal Winner A masterfully curated collection You don't have to be a sailor to be blown away by this fascinating bighearted book Nathaniel Philbrick author of In the Heart of the Sea Travels with George and Second Wind A story as vast and exhilarating as the open ocean itself SAILING ALONE chronicles the daring disastrous and often absurd history of those who chose to sail across the ocean in very small boats alone Sailing by yourself out of sight of land can be invigorating and terrifying compelling and tedious and sometimes all of the above in one morning But it is also a wide expanse of time in which to think Sailing Alone tells the story of some of the remarkable people who over the last four centuries have spent weeks and months moving slowly over the world's largest laboratory a capricious and startling place in which to observe oneself the weather the stars and countless sea creatures from the tiniest to the most massive and threatening Richard J King profiles characters famous diverse international and obscure from Joshua Slocum of 1898 to modern teenagers daring to take the challenge They see strange hallucinations lie to us and themselves on their travel logs encounter sharks befriend birds and experience ESP all part of the unnerving reality of extended isolation And some disappear altogether Sailing Alone also recounts the author's own nearly catastrophic solo crossing of the Atlantic and the mystery of his inexplicable survival one sunny afternoon An enormously engaging new book for skippers and armchair voyagers alike **Sailing the Dream** Mike Perham, 2011 Three thousand people have climbed Everest four hundred and fifty have traveled into space Only two hundred fifty have sailed round the world alone The youngest of these was a teenager When he set out on his attempt Mike Perham was just sixteen years old At first his mother was against the whole thing The experts said it could be suicidal The head of Britain's venerable Royal Yachting Association told him not to go Mike Perham persevered and in August 2009 at the age of just 17 years 5 months and 11 days became the youngest person to have sailed solo around the world Sailing the Dream tells the story of that amazing voyage a nine month odyssey full of technical and navigational challenges that would stump sailors twice Mike's age His yacht was knocked over battered by waves and repeatedly damaged but Mike battled on at times surfing down 50 foot waves in 50 knot winds at speeds of up to 28 knots Despite these conditions and suffering from sleep deprivation and extreme physical exhaustion Mike maintained a positive attitude His cheerful resilience continually shines through as he describes his adventures and also talks about the team behind his trips both when sailing round the world and in his earlier journey across the Atlantic at the age of

fourteen and the stresses and sacrifices involved for his family and friends Mike's achievement is placed in even sharper relief by another young sailor's more recent failed attempt at solo circumnavigation that nearly ended in tragedy Sailing the Dream is an inspirational as well as thrilling story and one for all ages Weekly World News ,1999-03-16 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world's only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site Uncle John's Bathroom Reader Sports Spectacular Bathroom Readers' Institute,2012-08-15 New from the Bathroom Reader a grand slam hole in one hat trick collection of sports lore and trivia Hey sports fans Sports Spectacular is bigger and better than ever The not so dumb jocks at the BRI have packed in all the best sports and games articles from the wildly successful Uncle John's Bathroom Reader series and then bulked the whole thing up with more than 50 fan tastic new pages So place the ball on the tee square up to the basket and make sure your laces are laced tight because it's time to throw the dice through the goalposts for a home run You'll feel the thrill of victory and laugh at the agony of defeat as you read about The origins of all the major sports and a bunch of minor ones Classic games from poker and pinball to Monopoly and Donkey Kong How to play bathroom blackjack The world's worst matador The Goodyear Blimp Mascots gone wild Olympic scandals NASCAR's illegal origins Dodging the cow pies when you play pasture golf Finnish wife carrying gerbil racing flagpole sitting and other bizarre sports And much much more **Cruising World** ,1996-01 **Godforsaken Sea** Derek Lundy,2012-09-20 Godforsaken Sea is the hair raising account of the world's most demanding dangerous and deadly sailing race Around the world one sailor one boat no stops no assistance Author Derek Lundy's vivid book follows the field of the 1996 1997 Vendee Globe through the race's grueling four month circumnavigation of the globe most of it through the terror of the Southern Ocean Lundy narrates the race through the eyes and experiences of sixteen sailors fourteen men and two women who embody the best and most eccentric aspects of our human condition There's the gallant Brit who spends days beating back against the worst seas to save a fellow sailor the Frenchman who bothers to salvage only a bottle of champagne from his broken and sinking boat the sailor who comes to love the albatross that trails her for months naming it Bernard the sailor who calmly smokes a cigarette as his boat capsizes and the Canadian who hours before he disappears forever dispatches this message If you drag things out too long here you're sure to come to grief With the literary touch of Saint Exupery and Conrad Derek Lundy harnesses hurricane force winds six story waves icebergs and deafening noise And he lays bare the spirit of the men and women who push themselves to the outer limits of human endeavor even if it means never returning home **Sailing Out a Dream** Clive Shelter,Hana Greenfield,1992 The story of Israel's first entrant in the Single Handed Transatlantic Yacht Race **Cruising World** ,1982-07 Cruising World ,1982-07 **Cruising World** ,1984-07 **Cruising World** ,1983-07 Cruising World ,1987-07 **The Complete Sailing Stories** M.
