Coast Guard,1976 **‘Greater India’ and the Indian Expansionist Imagination, c. 1885-1965** Jolita Zabarskaitė,2022-11-07 This book is the first systematic study of the genealogy discursive structures and political implications of the concept of Greater India implying a Hindu colonization of Southeast Asia and used by extension to argue for a past Indian greatness as a colonial power reproducible in the present and future From the 1880s to the 1960s protagonists of the Greater India theme attempted to make a case for the importance of an expansionist Indian civilisation in civilizing Southeast Asia The argument was extended to include Central Asia Africa North and South America and other regions where Indian migrants were to be found The advocates of this Indocentric and Hindu revivalist approach with Hindu and Indian often taken to be synonymous were involved in a quintessentially parochial project despite its apparently international dimensions to justify an Indian expansionist imagination that viewed India s past as a colonizer and civilizer of other lands as a model for the restoration of that past greatness in the future Zabarskaite shows that the crucial ideologues and elements used for the formation of the construct of Greater India can be traced to the svade movement of the turn of the century and that Greater India moved easily between the domains of the scholarly and the popular as it sought to establish itself as a form of nationalist self assertion *Sea Mistress* Candace McCarthy,2013-11-01 Reprinted Edition She Would Have Her Revenge Bess Metcalfe had been young when she first met ruggedly handsome seaman Seth Garret but she had loved him with all the passion of a woman And he had repaid her love by abandoning her Little did he know that she now held

his fate in her hands For with her uncle s death she was sole owner of the family merchant business which counted Seth s ship among its assets Bess planned to show Seth how it felt to be betrayed if only her own searing attraction for the virile captain did not betray her first He Would Have Her Heart It was five years since the call of duty had swept Seth from Bess s sensuous embrace five years since the fickle vixen had written him off with a cruel letter And here she was aboard his ship even more beautiful and bewitching than before One taste of her sweet sea kissed lips was all it took to rekindle the flames of raging desire And as she filled the long shipboard nights with a blazing passion that consumed his very soul Seth knew he was lost lost in the rapturous wonder of a love that bound him now and forever to his stormy seductive Sea Mistress 100 000 Words Sea Songs and Ballads Charles Dibdin,1863 *Merchant Vessels of the United States ...
