Sea Spun Ecstasy:

Sea-Spun Ecstasy Allison Knight,1990 The author of *Satin Seduction* once again makes waves with her latest tempestuous tale Beautiful impetuous Cathy P ntworth flees her meddling relatives in Barbados to join her father in England and falls into the exquisite embrace of the tall virile passionate Captain Drew Sloan *The Velvet Thorn* Olivia Villa-Real,2011-05-03 Asian singer composer Bella Mariposa cant ignore the difficulties in her marriage to physician Daniel Miranda In hopes of salvaging her union and regaining some sense of balance not only for herself but also for her children she flees to a spiritual retreat in Hollywood At the retreat she meets Father Derek Lindenberg who is noted for his absolute resolve to stifle his human feelings to fit the unyielding framework of his priesthood The two form a close bond and then the unexpected happens they fall deeply irrevocably in love But how can they survive the grueling twists and turns of the machinery of life What follows is a gripping story of how the incessant pendulum of our daily lives can act erratically how seemingly unshakeable principles like those borne of tradition and religious beliefs can suddenly be displaced and challenged and how the forces of love and fate will test the unbending rules of society The Velvet Thorn uncovers the subtle shades of emotion that though muffled by convention forge their way to escape and express themselves in the most wonderful prism of colors that only love can see and understand The Purple Cloud M. P. Shiel,2019-11-20 In M P Shiel s seminal work *The Purple Cloud* readers are thrust into a post apocalyptic narrative that explores themes of isolation existential dread and the fragility of civilization Set against a backdrop of a mysterious lethal cloud that decimates humanity Shiel employs rich evocative prose infused with elements of Gothic horror and science fiction This novel intricately weaves philosophical musings with a gripping narrative showcasing the author s ability to paint vivid imagery and capture the psychological turmoil of his characters as they navigate a desolate world The book sits at the intersection of the early 20th century literary movements reflecting the anxieties of its time regarding both technological advancements and humanity s ultimate downfall M P Shiel was a prolific writer whose diverse body of work encompasses poetry plays and fiction often drawing upon his own experiences living in varied societies An influential figure in the science fiction genre Shiel s background as a Caribbean born author deeply informed his exploration of otherness and existential themes His cosmopolitan perspective coupled with his encounters of displacement undoubtedly shaped the unnerving atmosphere and philosophical depth found in *The Purple Cloud* This novel is essential reading for those intrigued by the intersection of psychological horror and speculative fiction Shiel s astute observations about society s vulnerabilities and the human condition resonate powerfully today making *The Purple Cloud* a timeless and thought provoking exploration of what it means to be human in an increasingly uncertain world *The Purple Cloud* M.
