Anything Else But Love Ankita Chadha,2011-03 I loved you even before I knew it The scent of your skin still lingers on my senses I can see that we are blinded by our natural magnetism towards each other We are dancing to each others tunes rhythmic beats And still you say that between us there can be Anything else but love Shewali Singh is a simple sweet and appealing girl who cares for family and its values She has just moved to Bangalore to head a project Always engaged in work somewhere she has imagined a list of qualities her guy should have But as her fate would have it she bumps into a guy who works in the same office as hers And not only that he s a flirt a prankster who calls himself the Avi Malhotra who not only misfits the list but also manages to get a rise out of the generally very easy going Shewali What follows is daily fights gradual friendship sudden likeness and then All the rules of the artist s sketch of their better half are thus broken But what rules do you follow when you start falling in love Will the phrase Opposites attract hold true for them **Marriage from the Heart**

Donald R. Downing,2010-04 Marriage is God s idea He has no bad ideas He brought Eve to Adam married them and they lived as husband and wife for over 900 years Genesis 2 21 25 and 5 5 By this we can conclude that divorce was not God s idea but Satan s idea to destroy God s ideas plans and purpose of marriage between a man and a woman We seek to find the right person when the greater picture is to be the right person Man sets the time for the wedding but God sets the time for the marriage There is a great difference between a wedding and a marriage Many walk down the aisle to be wedded for all the wrong reasons Saying I do and placing wedding rings upon fingers does not always mean they are married within their hearts This book reveals that a man and a woman may marry and yet not be a true husband and wife It stresses the importance of friendship courtship engagement and being married from the heart Introducing a revolutionary approach to the covenant of marriage this book addresses commitment romance love keeping a right heart a sound mind and a pure relationship Dr Donald R Downing is a heart physician and specialist from God to the body of Christ He has written over 12 books and considers Marriage from the Heart to be one of his most important writings He believes the only way to defeat the high rate of divorce and separation is to restore romance to the relationship and to be truly married from the heart
